Happiness- a Foolish Pursuit Iqra Saeed, 2019-12-23 The reason behind the discomfort of mankind is the absence of meaning and consequently, they spend their lives in utter confusion while always trying to find out which direction they should head towards. In the pursuit of this direction--which is an inborn thirst inside them, they get lost in the pursuit of happiness when in actual thinking of happiness as a motivation to live is a deadly concept and that is why those who rely only on happiness, never end up finding their meaning of life. The meaning of life cannot be something temporary and can be found out in both happiness and pain--and this when discovered, results in a life of peace, harmony, and clarity. Not only this, it connects the humans with the divine purpose they are here for, which is consistent growth leading to excellence in terms of spirituality, purification, and connection with the divine. The book explains the complete picture of the meaning of life, in terms of man's journey from birth to death and a journey beyond death. This will help you see your life--to answer you about all the pain and miseries you have ever come across, and to prepare you for the upcoming trials of your life so that you do not remain lost and confused anymore

and you get to tackle the life challenges with positive attitude, staunch confidence and a sheer will for sticking to the purpose anyhow. Once you internalize the concepts explained in this book, you will be able to identify your goals, discover your passion and how to align that passion with purpose to spend a life of satisfaction. It will help you become strong and most importantly, it will help you connect with the love of The Lord Most High at deeper levels.
