Many of us may have become blindly accustomed to the persistently deteriorating state of affairs. Charles Colson has dedicated his life to providing a clear diagnosis of our predicament and a rational guide to action for Christians in the Western world.

How God Loves Us Jessica Thompson,2022-02 The fruit of the Spirit isn't just something we display. It's the way God loves us! Every Christian cherishes the passage in Galatians 5:22-23 that lists the fruit of the Spirit. But has it ever occurred to you that these are also the characteristics of God? Can it be that God loves us with the fruit of the Spirit? And only when we are secure in that love can we display it to others? Jessica Thompson wants to take you deeper into the love that your Heavenly Father has for you. In 40 readings designed for daily devotions, Jessica takes you across the whole arc of the Bible to reveal the character of the triune God. This journey will surely bless you. For the more you behold who He is and the nature of his love, the more you will, by the work of the Spirit, become like Him.

**Three Free Sins** Steve Brown,2012-02-07 From a popular pastor and radio host—Three Free Sins teaches that the only people who make any progress toward being better are those who know that God will still love them, regardless of how good they are. This book is about the misguided obsession with the management of sin that cripples too many Christians. It’s about the view that religion is all about sin...about how to hide side sin or how to stop sinning all together. In the Introduction, the author toys good-naturedly with an agitated caller on his radio program, teasing him in a segment where he offers three free sins. The offer is real. Not that Steve has the power to forgive sins, but he wants to make the point that Jesus has made the offer to cover all of our sins – not just three. Chapter one, titled “Teaching Frogs to Fly,” is even better. The gist of this chapter is that you can’t teach frogs to fly, just like you can’t teach people not to sin. Steve tells a story about a guy who has a frog, and he’s convinced he can teach the frog how to fly. The man keeps throwing the frog up in the air or up against walls – all to the poor frog’s demise. The message is that even though people can be better, they can never not sin—just like a frog can never learn to fly, no matter how much pressure is put on it. Steve continues through the book to show readers that while they can never manage sin, they can relax in knowing that they are completely forgiven—not just of three, but of all.

**Gun Lap** Robert Wolgemuth,2021-05-25 You may think you’re too old to run fast, but you’re not too old to run well. When the lead runner starts his final lap in a long-distance race, the starter fires his pistol for the second time. This signals the start of the gun lap—the last chance to leave it all out on the track. “Gun Lap” is for men who are running their last lap. Or maybe younger men who are looking ahead to their gun lap, but want to live the rest of their lives with purpose and strength. This is no small thing. In fact, it’s a big deal, because we only get one chance at this life. The author of the New Testament book of Hebrews agrees...wrote, “Let us run with perseverance the race marked out for us” (12:1 CSB). Perseverance. No word better describes the goal of this race...every lap...including the last one. “Gun Lap” will help you pay close attention to the strides you have left.

**Disquiet Time** Jennifer Grant,Cathleen Falsani,2014-10-21 An engaging and hilarious collection that encourages readers to tackle those strange, awkward, worrying, yet endlessly compelling passages of the Bible. The Bible is full of not-so-precious moments, from murder and mayhem, to sex and slavery. Now, an incredible cast of contributors tackles the parts of the Bible that most excite, frustrate, or comfort, like: What the heck is the book of Revelation really about? (The answer will surprise you.) How do we come to grips with the Bible's troubling (or seemingly troubling) passages about the role of women? Why did the artist of the oldest known picture of Jesus intentionally paint him with a wonky eye--and what does it tell us about beauty? DISQUIET TIME was written by and for Bible-loving Christians, agnostics, skeptics, none-of-the-aboves, and people who aren't afraid to dig deep spiritually, ask hard questions, and have some fun along the way.
