Rethinking the Youth Question Phil Cohen, 2016-02-06 Bringing together material written over the past two decades, this book traces a history of political and intellectual debates around central issues of education, labour and the youth question. An argument is made for linking the cultural, structural and autobiographical dimensions of the youth question in order to engage educationally with the burden of representation which young people are made to carry via race, class and sexuality in the postmodern world. The book includes three major unpublished pieces and an introduction which discusses the nature of the collection, and sets it in both a personal and political context.

Knuckle Sandwich Jason Peacock, 2014-10-03 You have enemies. No, I haven't been reading your Facebook messages. I'm talking about the enemies that are preventing you from becoming the YOU you are meant to be. In Knuckle Sandwich, we will identify, expose, and eliminate the Top 10 enemies keeping you from a life of success and, more importantly, significance. Are you up for the challenge? If you choose to enter the battle below is whom we will be fighting. Complacency: Two words best define it? Cruise control. Once we are out of survival mode, we can get lulled into a coasting mentality. Confusion: It is the opposite of clarity. It keeps us in the dark, because we can't hit what we can't see. Distractions: The multitasking generation is accomplishing less but in record time! Excuses: Woulda, coulda, and shoulda. What could people really become if they threw away their excuse list? Fear: The best time to kill a monster is when he's little! Fear, like weeds, grows unless you kill it. Frustration: People spend their time trying to do things they have zero ability to do. Outsource your frustrations. Ignorance: What you don't know will hurt you. Peer Pressure: Everybody's doin it! The Joneses are the most influential family on earth! Pride: Short man's syndrome--the guy who lights up a room by walking out of it! Procrastination: Unless your name is Annie, you won't get anywhere in life singing about Tomorrow.

The Art of the Knuckle Sandwich Ricky M. Hansen, Jr., 2013-02-01 What does a knuckle sandwich have to do with overcoming depression? Hint: It is not what you think... In 2006, the author ventured across the United States while trying to remain one step ahead of his dark and depressing past. At the age of seventeen, the darkness had caught up with him, while being faced with a life or death decision one cold Northern Michigan evening a voice told him to keep going. Years later, the rut continued so he made a frantic decision to make a drastic change in his life. Determined to find the life that had eluded him, he set out on an adventure that would change his life forever. Tormented by failures of his past, he meets influential people along the route that teaches him to re-frame his past and to let go. The meshing together of lessons learned from the open road and the rewriting of his history all culminate in pulling the author out from his darkness. The lesson of the knuckle sandwich is profound enough to stay with you for a lifetime. QUOTES FROM THE BOOK A picture says a thousand words, but a simple picture doesn't tell the whole story. Everybody loves to judge others based on their choices, but they forget to look at the options they had to choose from. Some of our lives worst tragedies come from people who allow a negative situation to infect their life. You cannot let life disfigure your perceptions. By holding onto hatred and bitterness you are allowing life to hold you down. Let go. They make you become a person that is different from which you intend to be. Who you were disappears and your mind gets clouded by these powerful emotions. OVERALL THEMES Overcoming depression Becoming significant with what you have. Restoring HOPE Never giving up Practicing kindness Finding FAITH WHO CAN BENEFIT? People with depression People experiencing grief Young Adults Teachers Parents Lost souls REVIEW SNIPPETS This book will prove to help many and will save lives! -Carol F. This is a great book! I read it in one day because I couldn't sit it down! -Kristin T. This book is a must read for all. The positive message it sends is inspirational! -Brenda

The Dusty Knuckle Max Tobias, 2022-04-21 'There's no match for the sliced and buttered loaves of The Dusty Knuckle.' – Yotam Ottolenghi 'If you've never experienced the joy of a Dusty Knuckle sandwich IRL then this book will plug the massive gap in your life.' – Ravneet Gill 'A gorgeous book from my favourite bakery, crammed full of delicious, delightful recipes full of heart and soul.' – Jessie Ware The Dusty Knuckle is a celebration of recipes packed with flavour from east London's favourite bakery. Full of practical, easy-to-follow instructions for mixing, fermenting and shaping, this resourceful cookbook includes everything you need to know to get to grips with dough at home. From legendary Potato Sourdough to unforgettable Focaccia, there are plenty of savoury bakes to enjoy. Delicious, buttery goodness follows, starting with sweet, yeasted doughs, then moving to pastry and much more. These detailed chapters prove that there really is no better satisfaction than baking from scratch. As well as the step-by-step baking guides, you'll find an epic collection of recipes for Dusty Knuckle's infamous two-hander sandwiches and moreish soups, herby salads, and citrusy sauces to enjoy on, in and with bread. Whether it's Meatballs with Melted Cheese or indulgent Porchetta; Squash, Crispy Sage and Chilli Butter or Charred Hispi with Romesco, there's something for everyone.

Anxiety Muted Stanley C. Pelkey, Anthony Bushard, 2014-10-15 The most familiar entertainment icons and storylines from the 1950s and 60s remain potent signs that continue to resonate within contemporary American society and culture. Both the political Left and Right invoke the events and memories of those decades, celebrating or condemning the competing social forces embodied in and unleashed during those years. In recent decades, the entertainment industry has capitalized on this trend with films and television shows that take a look back on the 1950s and 1960s with a mixture of nostalgia and criticism. Anxiety Muted: American Film Music in a Suburban Age explores how the central concerns of the Fifties and Sixties--and resulting treatment in the motion picture media--can be examined and understood through the music of the time period. With its focus on soundtrack and scoring, the book demonstrates that specific television shows and films offer a more nuanced vision of community and conformity than is usually recognized, revealing much about our own current social anxieties.

Beyond the Sunset Ron Shafer,2023-08-31 In *Beyond the Sunset*, the sixth novel in Ron Shafer's *There Is a River* saga, two cultures repeatedly collide. Jude and Cory's world of love, embodied in their beautiful wedding and honeymoon, clashes with the world of the carnal thugs. The intelligent Todd Cravener, pitifully caught in the crossfire between the two worlds, deals with the overwhelming guilt of his girlfriend's death. Is there hope for such misdirected people who botch their lives so completely? In the words of one reader, Todd is like many people today--forlorn, hopeless, and scared! The lives of the antagonists and the protagonists of these two worlds crisscross in a series of breath-taking episodes which build to a riveting climax during Kittanning's Light-up Night when the inebriated stooges kidnap two innocent people. That, a reader shares, is one of the most suspenseful scenes I've read in modern fiction! My pulse soared! Will the daring rescue scheme succeed?
