**Coffee Lids** Louise Harpman, Scott Specht, 2018-04-17 If you're one of the 200 million Americans who drink coffee every day, you may have marveled at the ubiquitous plastic coffee cup lid, with its clever combination of indentations, protrusions, tabs, and score lines that can be pinched, pulled, pushed, punctured, and tucked to create an opening to sip from while also keeping a piping-hot liquid in its place. Louise Harpman and Scott Specht have collected these familiar triumphs of industrial design, in their many variations, for decades, creating what Smithsonian magazine calls the world's largest collection of coffee cup lids. In addition to oddly compelling close-up photographs, Harpman and Specht include lively field-guides to their classification system and patent drawings for many of the most unique designs. This beautifully designed book will appeal to designers, coffee drinkers, and anyone who delights in the small bits of humble genius that surround us every day. You'll never look at your to-go coffee cup the same way again.

**Buckets, Dippers, and Lids** Carol McCloud, Glen Zimmer, 2018-10-01 I've been a big fan of the timeless concept of Bucket Filling . . . This newcomer . . . brings an important dimension to the idea of filling and dipping by addressing the invisible lid to help with what to do with the ouches in life. . . I think you'll find it'll make the intangible concepts of kindness, resilience and grit something that our learners can hold on to and apply as they learn to sail the somewhat stormy seas of life. —Barbara Gruener, *The Corner on Character* The latest release in the bestselling Bucket Fillers line takes the concept of bucket filling one step further by adding the idea that we also have an invisible lid. We use our lid to protect and keep the happiness inside our bucket. Offering charming illustrations with personified buckets, dippers, and lids, readers learn what gives happiness, what takes it away, and what protects it. **Act Like a Success, Think Like a Success** Steve Harvey, 2014-09-09 In his phenomenal #1 New York Times bestseller *Act Like a Lady, Think Like a Man*, Steve Harvey told women what it takes to succeed in love. Now, he tells everyone how to succeed in life, giving you the keys to fulfill your purpose. Countless books on success tell you what you need to get that you don't already possess. In *Act Like a Success, Think Like a Success*, Steve Harvey tells you how to achieve your dreams using the gift you already have. Every one of us was born with a gift endowed by our creator—something you do the best at with very little effort. While it can be like someone else's, your gift is yours alone. No one can take it away. You are the only one who can use it—or waste it. Steve shows how that gift holds your greatest chance at success, and the fulfillment of your life's mission and purpose. He helps you learn to define your gift—whether it's being a problem solver, a people-connector, a whiz with numbers, or having an eye for colors. He makes clear that your job is not your gift;

you may use it in your work, but it can also be used in your marriage or relationship, your community, and throughout every aspect of your life. Throughout, he provides a set of principles that will help you direct your gift. “The scriptures say your gift will make room for you and put you in the presence of great men,” Steve reminds us. This book is your roadmap to identifying your gift, acknowledging it, perfecting it, connecting it to a vehicle, and riding it to success. Because Success is the gift you already have.” Funny yet firm, told in Steve’s warm and insightful voice, and peppered with anecdotes from his own life, practical advice, and truthful insights, this essential guide can help you transform your life and achieve everything you were born to.

**Blowing the Lid** Stuart Feather,2016-02-26 The Gay Liberation Front founded in 1970 urged gay men and gay women to unite around a simple set of demands among which were calls for an end to discrimination against homosexuals in employment, in sex education, in the age of consent and in being treated as sick by the medical establishment. GLF saw itself as a people’s movement for gays, socialist by virtue of its demand for social change, and revolutionary in recognizing the rights of other oppressed minorities to determine the fight for their own demands. All history is personal. The author of this political memoir is the first participant of the Front to write a history of the lesbians and gay men who joined Gay Liberation and through a process of Coming Out and radicalization initiated an anarchic campaign that permanently changed the face of this country.

*Take the Lid Off*Smokie Norful,2017-09-05 Pastor and Grammy-winning musician Smokie Norful inspires readers to go to God and experience more fulfillment, delight, power, and success than they ever dreamed. According to Smokie Norful, sometimes our lives feel like a pot of rice in his grandmother’s kitchen: hissing, boiling over, about to explode and create panic. The only way to avoid an explosion is to take the lid off—that is, to stop being trapped inside ourselves and instead look to God and his grace to make us all he intends us to be. Taking the lid off, Norful argues, entails four actions: look inward, experiencing the cleansing of forgiveness and the power of the Holy Spirit; look outward, seeking for others to experience the joy of living for God and have

the best God has to offer; look upward and marvel at God's love and strength to accomplish his purposes; and move onward, devising a strategy to accomplish all God has put in our hearts to do. When we take these four steps, the pressure goes down, we gain peace and perception, and things work out much better in the end. When we finally take the lid off, we can become the people God has created us to be and do what we were intended to do. We get in touch with the unlimited power of his Spirit, we're directed by the challenge of his purposes, and we experience the joy of seeing him use us to change lives. All of us need help in taking the lid off in order to trust God, take action, and reach our full potential.
