Not with having my son in high school. Not with starting my new business when life seemed

like it should be slowing down. I refused to be stuck in my past and if you are stuck, this book can help! We live, we learn, but never regret the journey that can lead you to your greatest hour! Age is not a factor in a dreamer's mind.

**8 Frog Street** Rezaul Khan,2018-10-23 8 Frog Street is an amazing story of Lee Chan, the tycoon of Manila. Richie King, a neighbor of Lee, narrates the thrilling and incredible mysteries surrounding the business tycoon. The mysterious tale reveals strange and shadowy entities and the effect of the mystical cultures that still reign in the Philippines. A giant snake and some oversize frogs belonging to Lee attacked Richie's home. Richie also bumped into some supernatural entities who were related to Lee. Lee, a poor immigrant from the Fujian province, China, settled in Manila in 1930 when he was only ten years old. The poor kid thrived and became a global Forbes-listed multibillionaire because of him being business savvy, his hard work, and his frugality. Richie discovered that Yu, the spook of Lee's grandmother, also followed him from Fujian and helped him to reach the height that only a few people have ever achieved.

**Hedged** Margot Susca,2024-01-23 The untold history of an American catastrophe The ultrawealthy largely own and guide the newspaper system in the United States. Through entities like hedge funds and private equity firms, this investor class continues to dismantle the one institution meant to give voice to average citizens in a democracy. Margot Susca reveals the little-known history of how private investment took over the newspaper industry. Drawing on a

political economy of media, Susca's analysis uses in-depth interviews and documentary evidence to examine issues surrounding ownership and power. Susca also traces the scorched-earth policies of layoffs, debt, cash-outs, and wholesale newspaper closings left behind by private investors and the effects of the devastation on the future of news and information. Throughout, Susca reveals an industry rocked less by external forces like lost ad revenue and more by ownership and management obsessed with profit and beholden to private fund interests that feel no responsibility toward journalism or the public it is meant to serve.

This book focuses on the contributions of Chinese and Chinese Americans to the film and television industries as well as those who lived and worked in the Hollywood area. Vintage photographs celebrate pioneers such as Anna May Wong, Tyrus Wong, Milton Quon, James Wong Howe, and many more. From the silent film era to the present, the history of Chinese in Hollywood will surpass 100 years.
