Character Trademarks John Mendenhall,1990-10 With the growing awareness of the value of character trademark symbols in product design, marketing, and promotion has come a resurgence of interest in these extraordinary icons. The popularity of the California Raisins and other recent examples attest to the appeal of character trademarks in popular culture. From Reddy Kilowatt to Colonel Sanders, there is humor and nostalgia in the humble, often kitschy images which have become classics of commercial folk art that every consumer can relate to. This engaging volume contains approximately one thousand trademarks from the past ninety years, as well as a Hall of Fame section profiling some of the classic characters with the history of their development. Chronicle Books is pleased to include this remarkable volume in its series of design books, including Trademarks of the 20's and 30's and Trademarks of the 40's and 50's.

America's Heroes James H. Willbanks,2011-03-11 This book features the stories of 200 heroic individuals awarded the Medal of Honor for their distinguished military service while fighting for their country, from the Civil War to the conflicts in Iraq and Afghanistan. *America's Heroes: Medal of Honor Recipients from the Civil War to Afghanistan* pays tribute to Americans who have demonstrated uncommon valor in the face of great danger. The Medal of Honor recipients featured in this book all acted heroically to earn this highly coveted award, many of them by risking—or sacrificing—their lives to save the lives of others. The stories of these individuals—chosen to reflect the wide diversity of ethnic and cultural backgrounds, branches of service, and conflicts of the recipients—will broaden readers' understanding and appreciation of the Medal of Honor and the distinguished Americans who have received it. In addition to the gripping stories of these heroic Americans, this unique encyclopedia includes an introduction that chronicles the evolution in the award's significance. The Medal of Honor has changed greatly over the last 150 years, not only in the design of the physical decoration itself, but also in terms of the qualifying criteria for the award's recipients.
