**Ivan the Fool and Three Shorter Tales for Living Peaceably** Leo Tolstoy,2018-06-12 The four classic tales in this volume illuminate Leo Tolstoy’s radical orientation toward war and commerce, revealing his vision for a sustainable, peaceable world. The feature story, Ivan the Fool, presents an archetypal fool who works hard, cooperates with everyone, and manages to foil every attempt to cause his downfall. In the end, peasant life comes out on top, while the pillars of imperial Russian society topple down. Esarhaddon, King of Assyria explores a king’s empathy-based revelation to end all violence; and A Grain as Big as a Hen’s Egg playfully looks at the relationship between health, soil, labor, and food economies. Three Questions sums up Tolstoy’s highest ideal of serving others in the present moment. Some may critique these stories as being too simplistic or too moralistic. But these tales have stood the test of time precisely because they entertain well while evoking universal truths that lift us above humanity’s self-serving impulses.

South Shore Days 1940's & '50's Gerald Lewis,2009-05-01 This is a personal memoir of good times in Chicago back in the days when candy bars and White Castles cost a mere 5 cents. Chicago is a city of neighborhoods, whether you are talking about Chinatown, Canaryville, Bridgeport, Beverly, South Chicago, Bronzeville, Hyde Park, Woodlawn or Englewood. This story takes place in the old South Shore neighborhood nestled on Lake Michigan between Jackson Park to the north and the booming steel mills to the south. My cousin, Dr. Bruce Hannon of the University of Illinois, used to say, Good people make a good place good and South Shore was one of those places...

Lion Within P.D. Workman,2015-07-25 The lion rages within him. Leo grew up between a rock and a hard place. His experiences as a child made him tough. As the oldest of the children, the drive to be the protector of the innocent and helpless permeates every part of his life. But so does the anger that no amount of boxing can ever exorcise. As he waits for the monster who is his father to die, a chance encounter brings Elizabeth and her baby into his protective circle. But is Elizabeth as lost and innocent she seems to be? Or has her own experiences turned her into something else? As he learns more, Leo wonders whether he can help Elizabeth or if he is messing around with something beyond his ability to manage. Warning - contains disturbing scenes of abuse

Legendary Locals of Sedalia, Missouri Becky Carr Imhauser,Rebecca Carr Imhauser,2013 George R. Smith borrowed money to buy 337 acres of treeless prairie in 1856, never dreaming the central Missouri town he founded would become the Queen of the Prairie. He did not foresee his Sedville, now Sedalia, attracting thousands of tourists through the annual Scott Joplin International Ragtime Festival and the Missouri State Fair. Smith did envision another type of visitor--steam engines that streamed through town daily. Smith's passion for the railroad launched Sedalia, and two major railroad shops sustained the city for more than a century. They provided the base for the now flourishing seat of Pettis County. Since Sedalia's official beginning in 1860, countless people have furthered Smith's vision by leaving their distinctive mark on the community. This book celebrates their contributions and shares their stories through more than 225 photographs, many previously unpublished.

American Odyssey R. Douglas Clark,2018-11-10 Combine the American legend of the great road trip with the Greek epic of Ulysses returning from the Trojan War and you get an original: a novel about an Afghanistan War veteran using the byroads of the continent to heal his horrors and deal with his demons. --Wally Gordon Having finished his tour as a Marine in Afghanistan, Leo Lewis sets out on a road trip across America back to his wife and a young son he has never met, but Nausicaa and Circe set out to lure him, and the Greek gods watch for ways to help or hinder him. --Claudia Hauer, Professor St. Johns College Discharged from the Marines after three tours in Afghanistan, Leo Lewis is on his way home -- like another warrior 3,000 years ago. And as Leo crosses the country, the challenges faced by Homer's greatest hero confront him as well. Cyclops, Circe, Scylla, Charybdis, and more all are waiting for him in dramatic, enchanting, frightening, and funny adventures reimaged through the lens of today's realities.
