Linda Condon Joseph Hergesheimer,1919 Linda Condon is raised by her single mother, who denies the girl any information about her absentee father. Mother and daughter live together in a seemingly endless succession of hotels in various regions of the United States, and Linda receives little formal education. While Stella Condon frequently goes out with men of dubious reputation, her daughter, who is always loyal to her shallow and superficial mother, spends her early adolescent days alone in her hotel room or with other guests in the artificial and phony atmosphere of the lobby. Stella Condon does have a suitor, a self-made millionaire and widower of Jewish descent called Moses Feldt, but she explains to Linda that she is not going to repeat past mistakes by getting married again.

Conflicting Paths Linda J,

What's the Matter with Linda Linda Wiggins,2019-10-31 I asked myself on a particular day that was full of strange thoughts, Why did I think like that? Where did that come from? I wondered if anyone else thinks that way. Of course, we are not all the same. We have taken different paths to get to where we are, but what happened along the way in our lives to make us who we are? I wondered about other people's family lives. How did their parents treat them? How did they relate to their siblings? What did their friends think and say about them? Through it all, I thought, What's the matter with me that I seem to see things differently from most people? What's the Matter with Linda is a journey through my life to try to come up with some answers.

Linda, My Own Story Linda Christian,1962

Kiss Upon the Brow Linda Neal Kinser,2011-04-04 About Kiss Upon the Brow: The story takes place in the foothills of Kentucky on the appalachian line. The time is the 1950's into the early 1960's. Goosy was born into extreme poverty; however, she was nearing ten years of age before she realized that her family was destitute. Her vibrant personality and her innate ability to memorize lines led her to excell in school. Her hunger for mischief however, pointed her in the direction of trouble from time to time. .I could hear Don hollering, 'Goosy's kilt, Goosy's Kilt!' .Eat it? I thought to myself, so, that's what I did. I ate it. I was amazed that I had eaten the cup that a mere few moments ago had been filled with ice cream. ..huh, I've been referred to as fiesty, high-strung, silly and the word hyperactivity has been tossed around. I guess that means I have a pretty good case of hypersillitivity.

Her Troubled Life Linda Moore,2015-01-22 For some reason or another, author Linda Moore always ended up with bad people throughout her journey. She had a strange, unexplainable resistance to anything good that came her way. In Her Troubled Life, she shares her story of living a wild and tormented life. In this memoir, she candidly and honestly tells in flashbacks how being abused by her father at tender age set a dark tone for the rest of her life. Moore narrates how rapes, attempted suicides, abuse, character assassinations, infidelity, want, misery, and pain were some of her closest companions. Her Troubled Life details how Moore was blessed with musical talent, but for many years she did not take advantage of her opportunities. She met a Swiss man who helped turn her life around. A story that could be a study of humanity, Her Troubled Life discusses how one woman's lifelong development was affected by an anguished childhood. It reveals Moore fully;a real woman who bears the effect of what others have done to her and what she has done to herself.

Red Blood, Yellow Skin: The Endless Journey Linda L.T. Baer,2017-12-01 Linda Loan Thi Baer was born Nguyen Thi Loan in 1947, in the small village of Tao Xa, Thai Binh, North Vietnam. Her father was killed during a Viet Minh attack in 1951. Her mother remarried a wealthy practitioner of Chinese medicine who was also a war widower. Their family relocated to South Vietnam during the mass exodus of 1954, where they were forced to move constantly due to economic, political, and military conditions. They eventually settled near Vung Rau, south of Saigon. Loan left home at the early age of thirteen to seek work at various menial jobs in Saigon to help her family and to escape the physical abuse of her stepfather. After she turned sixteen, she became a club dancer and a black-market dealer. She met and married an American Air Force officer in 1968 and later followed him to the United States. She was naturalized and became an American citizen in 1973. While raising two sons and a daughter, she obtained her GED and attended many college courses. Linda graduated first in her class at cosmetology school in 1982. She received her cosmetology license from the state of South Carolina. In 1986, she opened her own business, Linda B. Hair and Nail Salon. In 2015, the salon was renamed Elegance by Linda B. She still owns and operates it at the time of this book's publication. Full of love, heartache, and humor, Linda's unique storytelling will have you laughing and crying, eager for more.
