Rachel Linden

Linden Hills Gloria Naylor, 2017-03-14 The National Book Award-winning author of *The Women of Brewster Place* explores the secrets of an affluent black community. For its wealthy African American residents, the exclusive neighborhood of Linden Hills is a symbol of "making it." The ultimate achievement: a home on prestigious Tupelo Drive. Making your way downhill to Tupelo is irrefutable proof of your worth. But the farther down the hill you go, the emptier you become . . . Using the descent of Dante's *Inferno* as a model, this bold, haunting novel follows two young men as they attempt to find work amid the circles of the well-off community. Exploring a microcosm of race and social class, author Gloria Naylor reveals the true cost of success for the lost souls of Linden Hills—an existence trapped in a nightmare of their own making.

***Linden on the Saugus Branch* Elliot**

Paul, 2018-12-02 That you will be completely charmed by Elliot Paul's recollections of his boyhood is a matter beyond speculation. The turn-of-the-century scenes are not only dear to his heart but clear to his mind—albeit sometimes suspiciously so. But who will quarrel with so elegant a storyteller as Mr. Paul? Out of the sow's ear of common occurrence he makes a silken purse to hold the coins of our enchantment. Rare is the reader who will not delight in these fortified memories. Those who recall *The Last Time I saw Paris* know that Elliot Paul is incapable of being banal or tiresome. Thus there is nothing of the diary-like march of events in this record of

his early years in the Boston suburb where he was born. Instead you will find a series of neatly dovetailed stories, anecdotes, character sketches, comedies, tragedies and singularly embellished observations all set out for your allurements like gems in a jeweler's window. Some of Mr. Paul's tales of the people who lived out their lives in Linden will make you laugh, some may even tempt a tear. There are a few—such as the story of Alice Townsend, the schoolteacher who found that her name had been written in snow with a stylus of strange origin—that may inspire the sincerest suggestion of a blush. Linden on the Saugus Branch, a volume complete in itself, is another segment in what will ultimately be Elliot Paul's life story: *Items on the Grand Account*. Both *The Last Time I Saw Paris* and *The Life and Death of a Spanish Town* are other books in this group.

Linden, New Jersey Lauren Pancurak Yeats, 2002-11
Like many of New Jersey's older towns, Linden owes its existence to the enterprising and visionary Puritan colonists from Long Island who sought religious freedom and better farmland among the virgin wilderness of northeastern New Jersey. Close upon the heels of these pioneering and hard-working farmers, legions of merchants and artisans flocked to the small villages they established, thus ensuring industry, culture, and expansion for centuries to come. Linden's unique offering of picturesque setting, between Staten Island Sound and the Rahway River, and its proximity to major urban centers, such as Newark, Elizabeth, and New York City, has contributed greatly to the community's overall growth and continues to

attract new people chasing the same dreams and destinies that the first settlers sought. With over 100 illustrations, *Linden, New Jersey* chronicles the exciting story of a community that has survived wars and depressions and flourished both economically and culturally in times of prosperity. Journeying across an evolving landscape, readers will experience firsthand the early settlers' struggles against both land and man, the fear and violence from the British and Hessian raids during the Revolutionary War, and an assortment of events that shook Linden, from local political discord to dutiful service during times of national crisis. This comprehensive volume recalls much more than traditional textbook history, but celebrates the township's diverse population, such as the historic Jewish community, and immigrant cultures that have called Linden home over the years.

Linden Blossoms Jeffrey Dolezal Hrbek, 1908

Unique David Linden, 2020-09-29 Inspired by the abundance of unique personalities available on dating websites, a renowned neuroscientist examines the science of what makes you, you. David J. Linden has devoted his career to understanding the biology common to all humans. But a few years ago he found himself on OkCupid. Looking through that vast catalog of human diversity, he got to wondering: What makes us all so different? *Unique* is the riveting answer. Exploring everything from the roots of sexuality, gender, and intelligence to whether we like bitter beer, Linden shows how our individuality results not from a competition of nature versus nurture, but rather from a

mélange of genes continually responding to our experiences in the world, beginning in the womb. And he shows why individuality matters, as it is our differences that enable us to live together in groups. Told with Linden's unusual combination of authority and openness, seriousness of purpose and wit, *Unique* is the story of how the factors that make us all human can change and interact to make each of us a singular person.

The Enlightenment of Bees Rachel

Linden, 2019-07-09 In a romantic adventure that travels the globe, *The Enlightenment of Bees* beautifully explores what it means to find the sweet spot in life where our greatest passions meet the world's greatest need. Sometimes a shattered heart leads to an amazing journey. At twenty-six, apprentice baker Mia West has her entire life planned out: a Craftsman cottage in Seattle, a job baking at The Butter Emporium, and her first love—her boyfriend, Ethan—by her side. But when Ethan declares he “needs some space,” Mia’s carefully planned future crumbles. Adrift and unsure where her future leads now, Mia joins her vivacious housemate Rosie on a humanitarian trip around the world funded by a reclusive billionaire. Along with a famous grunge rock star, a Rwandan immigrant, and an unsettlingly attractive Hawaiian urban farmer named Kai, Mia and Rosie embark on the adventure of a lifetime. From the slums of Mumbai to a Hungarian border camp during the refugee crisis, Mia’s heart is challenged and changed in astonishing ways—ways she never could have imagined if she hadn’t opened herself up to the opportunity. As she grapples

with how to make a difference in a complicated world, Mia's journey through self-discovery leaves her with the choice between the past she left behind and a new budding dream in her heart. "I combed through the pages with delight. This book is going to cause a real buzz." –Debbie Macomber, #1 New York Times bestselling author

The Linden Tree Eleanor Mathews, 2007 In 1948, nine-year-old Katy Sue's mother dies suddenly, and she and her family spend the next year trying to recover from their loss, assisted by her Aunt Katherine, who quits her teaching job to help out on their Iowa farm.

"Winsome kids and family friends add depth and warmth to the well-developed cast of characters. Readers will eagerly await future offerings from this promising new author."--Publishers Weekly, STARRED review "Linden's debut novel is a bittersweet tale of enduring friendship, family ties, and the complexities of love that will engage readers of thoughtful women's fiction."--Library Journal, STARRED review, Debut of the Month When globetrotting photographer Magdalena Henry loses the only man she's ever loved, she risks her stellar career to care for his widow and young children on a remote island in the Pacific Northwest. Free-spirited and fiercely independent, Maggie adores her life of travel and adventure. But she has a secret. She can't let go of her first and only love, renowned architect Marco Firelli, now married to her best friend Lena. When Marco drowns in a kayaking accident, Maggie rushes to the Firelli family's summer home on San Juan

Island. Once there she discovers that Marco was hiding something that could destroy his family. As fragile, perfectionistic Lena slowly falls apart, Maggie tries to provide stability for Marco and Lena's three young children. When Maggie is offered a once-in-a-lifetime chance to compete in the world's most prestigious photography competition, she thinks she's found the answer to their problems. Then Lena makes a choice with unexpected and devastating consequences, forcing Maggie to grapple with an agonizing decision. Does she sacrifice the golden opportunity of her career or abandon the Firellis just when they need her the most? Gradually the island begins to work its magic. A century-old ritual to beckon loved ones home offers hope in the midst of sorrow. And a guilt-ridden yet compelling stranger hiding on the island may offer Maggie a second chance at love, but only if she can relinquish the past and move forward to find joy in unexpected places.

Linden Hills Gloria Naylor, 2022-09-12 Linden Hills – wer hier lebt, hat es geschafft. Elegante Häuser und perfekt gepflegte Rasen säumen die acht Ringstraßen, die sich den Hügel hinabwinden. Lester und sein bester Kumpel Willie, beide verflucht knapp bei Kasse, verabscheuen die noble Klientel, reinigen aber für ein paar Dollar ihre Auffahrten und Pools. Vorbei an glänzenden Fassaden und übertünchten Rissen arbeiten sie sich Straße für Straße den Hügel hinunter. Bis ganz nach unten, wo Luther Nedeed, das Epizentrum der Macht, ein finsternes Geheimnis hütet. Gloria Naylor enthüllt, wie die Menschen für den American Dream mit ihrer Seele bezahlen und wie das

funkelnde Versprechen eines besseren Lebens in schneidende Niedertracht zersplittert.

American Linden Matthew Zapruder, 2002 Poetry. It is rare to come across a first book that embraces the world--the way we see it, and the way it can be imagined--with such a wise and graceful mixture of humor, loss, intelligence, wit, self-deprecation and hope. AMERICAN LINDEN is such a first collection. The poems in this book are valuable, even necessary. They are, in the most important sense, love poems: to people, to ideas, to feelings, and to the mind itself, which--by means of language--move with honesty, wit, and distinction among the fleeting things of this world. Matthew Zapruder is a dangerous poet; his poems implicate us in demonstrations of lift-off and escape velocity while also proving the calamity of gravity--Dean Young.

Memories Under the Linden Tree G. Marie Meier, 2010-08 Verdant, heart shaped leaves fragrant with white flower blossoms were drooping heavily from the Linden tree. The fragrant aroma from it's flowers wafted lazily through the air; making it seem as though I was drinking in creation at it's fullest. The awesome Linden tree truly appeared vibrantly green brimming with life and activity, as I listened to the humming, whirring sounds of millions of buzzing bees. Thus, it revealed itself as truly being a tree of life!

The Linden Tree César Aira, 2018-04-24 A delightful fictional account of the small town Ce'sar Aira grew up in—not so long ago A delightful fictional memoir about César Aira's small hometown. The narrator, born the same year and now living in the same great city (Buenos Aires) as César Aira, could be the author himself. Beginning with his parents—an enigmatic handsome black father who gathered linden flowers for his sleep-inducing tea and an irrational, crippled mother of European descent—the narrator catalogs memories of his childhood: his friends, his peculiar first job, his many gossiping neighbors, and the landscape and architecture of the provinces. The Linden Tree beautifully brings back to life that period in Argentina when the poor, under the guiding hand of Eva Perón, aspired to a newly created middle class. As it moves from anecdote to anecdote, this charming short novella—touching, funny, and sometimes surreal—invites the reader to visit the source of Aira's extraordinary imagination.

The Linden and the Oak Mark Wansa, 2009-08 With its memorable characters, and rich and vivid detail, Mark Wansa's epic, continent-spanning novel, *The Linden and the Oak*, combines a haunting and moving love story with a powerful testament to the resilience of the human spirit.

The Case against Death Ingemar Patrick Linden, 2022-02-01 A philosopher refutes our culturally embedded acceptance of death, arguing instead for the desirability of anti-aging science and radical life extension. Ingemar Patrick Linden's central claim is that death is evil. In this first comprehensive refutation of the most common arguments in favor of human mortality, he writes passionately in favor of antiaging science and radical life extension. We may be on the cusp of a new human condition where scientists seek to break through the arbitrarily set age limit of human existence to address aging as an illness that can be cured. The book, however, is not about the science and technology of life extension but whether we should want more life. For Linden, the answer is a loud and clear "yes." The acceptance of death is deeply embedded in our culture. Linden examines the views of major philosophical voices of the past, whom he calls "death's ardent advocates." These include the Buddha, Socrates, Plato, Lucretius, and Montaigne. All have taught

what he calls “the Wise View,” namely, that we should not fear death. After setting out his case against death, Linden systematically examines each of the accepted arguments for death—that aging and death are natural, that death is harmless, that life is overrated, that living longer would be boring, and that death saves us from overpopulation. He concludes with a “dialogue concerning the badness of human mortality.” Though Linden acknowledges that *The Case Against Death* is a negative polemic, he also defends it as optimistic, in that the badness of death is a function of the goodness of life.

Becoming the Talbot Sisters Rachel

Linden, 2018-05-01 Twin sisters Waverly and Charlie Talbot have drifted far apart as they pursue opposite dreams of stardom and service to the poor. Now they must come together to face their fears, find their courage, and fight for what they love. Celebrity chef Waverly Talbot has built a successful career with her home-entertaining show *Simply Perfect*. Yet she and her husband, Andrew, have never been able to realize the true desire of Waverly’s heart: to become a mother. Meanwhile Waverly’s twin sister, Charlie, buries her bitter disappointment and shattered idealism beneath a life spent serving others as an international aid worker in Budapest, Hungary. When the beloved aunt who raised them passes away, Waverly and Charlie come together in their grief after living years on separate continents. Struck by a fierce desire to bridge the distance between them, Charlie offers Waverly and her husband the selfless gift of surrogacy. But soon the sisters find they are each

in danger of losing their jobs, seemingly putting their dreams on hold once again. When Waverly shows up unannounced in Budapest with a plan to rescue Simply Perfect, the sisters embark on an adventure across central Europe that could save them both from occupational hazards. Though the twins haven't had to rely on each other since childhood, a dramatic turn in their journey forces them to stand together to save their careers, the baby, and each other.
