**Free Story "Little Bad Wolf and Red Riding Hood" from Newfangled Fairy Tales** Timothy Tocher,2012-03-06 The Big Bad Wolf is running a successful scam on Little Red's Grandma until Little Red catches him in the act. In this free short story Big Bad Wolf is running a successful scam on Little Red's Grandma until Little Red catches him in the act. If you like this sample story, look for The Newfangled Fairy Tales series. Each fairy tale in the series puts a delightful new spin on classic stories and themes. King Midas is a workaholic banker who would rather play with his money than attend his son's Little League baseball games. The Three Bears invade Goldy's house because their forest home is being stripped to build a super highway. A Prince refuses to marry any of the grumpy princesses who lost sleep because there were peas under their mattresses. A clever princess pays a dragon to lose a fight so she can marry the man she loves. The twenty short stories in this series are lots of fun. Here is a new generation of fairy tales to make children laugh, not hide under the covers. --Stephen Mooser, author of Young Marion's Adventures in Sherwood Forrest: A Girl's to the Rescue Novel

But when he meets up with a large, ferocious wolf, he is told that he isn't a real wolf. Wolves aren't little and good—they are big and bad. To prove he is a real wolf, the old wolf tells Rolf he must perform certain tasks, such as blowing down a little pig's house. Rolf is a total failure . . . until the big bad wolf urges him to do something unspeakable to old Mrs. Boggins. Then the good little wolf proves that he can stand up to the big bad bully. Or so it seems. More mature readers may find a different ending that could lead to a great discussion! Using familiar storybook characters and an endearing new hero, Nadia Shireen makes her debut in this winning picture book.

**Bad Wolf** Nele Neuhaus,2014-01-21 She looked at herself in the mirror, touched her fingertips to the little red hood on her head, and laughed. The dress was a real dirndl, with a short skirt and apron. Papa had plaited her hair into two braids, and she really looked exactly like Little Red Riding Hood in her fairy-tale book. He always brought presents—it was a secret that she and Papa shared, because he never brought anything for the others. Only for her. She was his favorite. The door opened, and she uttered a frightened cry when she saw the wolf. But then she had to laugh. It wasn't a real wolf after all; it was only Papa, who had put on a costume. How lovely it was that she was the only one to share this secret with Papa. Too bad she could never remember anything afterward. On a hot June day, the body of a sixteen-year-old girl washes up on a riverbank outside of Frankfurt. She has been brutally murdered and shows signs of long-term abuse, but no one comes forward with any information as to her identity. Even weeks later, the local police have not been able to find out who she is. Then a new case comes in: A popular television host is attacked, raped, and locked in the trunk of her own car. She survives, barely, and is able to supply only vague hints to the police, having to do with her recent investigations into an organization whose members are from the highest echelons of society, and the potential uncovering of a shocking history they'd prefer to keep from the public eye. As the two cases collide, Inspectors Pia Kirchhoff and Oliver von Bodenstein dig deep into the past and underneath the veneer of bourgeois society to come up against a terrible secret that is about to impact their personal lives as well. It is almost too late for a person very close to Pia before she and Oliver finally track down the big bad wolf. . . . In Nele Neuhaus's second U.S. publication of her enormously popular series, tensions run high both inside and outside police headquarters, and a complex and unpredictable plot propels her characters forward at breakneck speed.
