The Big Red Squirrel and the Little Rhinoceros Mischa Damjan,2012-10-31 'A forgotten treasure!' - The Bookseller highlights A retro book with a real sixties feel, fondly remembered by many of today's parents. Beautifully illustrated by the great Ralph Steadman. An important message about being yourself, magically told. A beautifully imaginative gem from the 60's, brought bang up-to-date while maintaining a wonderful retro feel. Life in the forest is difficult for the small animals. The Squirrel, Mouse and Frog always have to be on the look-out for the big creatures, such as the Lion, Rhinoceros and Crocodile. But one day things magically change... the little animals grow bigger and the large animals shrink. But is life really any easier for the Squirrel now that he is King of the forest? THE ILLUSTRATOR Ralph Steadman is a cartoonist and caricaturist famous for his illustrations for Punch, Private Eye, the Daily Telegraph, the New York Times and Rolling Stone and for his work with gonzo writer Hunter S Thompson. Remy the Rhino Learns Patience ,2010-06-01 Andy McGuire, artist and author of the popular Rainy Day Games, presents enchanting art and rhymes to share the story of Remy, the impatient Rhino. When the other animals annoy him, he snorts and charges right for them. One day, an aardvark decides not to run, and Remy's horn gets stuck in a tree! The forgiving aardvark gathers termites to slowly eat away the wood and free Remy—not only of his situation but of his impatient ways. So as Remy experienced strange new sensations He took a crash course in the virtue of patience. He waited through rain and he waited through thunder He waited through birds climbing over and under... He waited through elephant balancing acts Until little by little, he learned to relax. This hilarious story shows children ages 1 to 5 how to get unstuck from their impatience and enjoy peace and the people around them.

She's not so different from other children who've experienced something very disturbing in their life or heard about tragic or frightening events in the news. Mica's father tells her the story of a brave blue rhinoceros who learns how to get through rough times with friendship, helpers, love, and by feeling your feelings. LeVar Burton has poured a lifetime of experience storytelling to children into *The Rhino Who Swallowed a Storm*, and the result is more than a book—it's a manual for finding the light in the midst of dark times.

Gabriella's plight Alan Riches, 2018-05-03 Gabriella is the name given to a female baby Rhinoceros, who sadly loses her loving family at the hands of horrible, greedy, poachers. This very short tale tells the world of her plight, along with the other endangered Animals in Africa today. It is a very sad fact that Rhinos along with other animals are horribly slaughtered daily for nothing more than the Keratin in their beautiful horns., This incidentally, happens to be the same substance that human fingernails and toenails are made of. A poor little, now orphaned Rhino tells her sad story. Her sad loss of her beautiful family, but also how through the help of nice humans lives to fight on another

day, eventually raising her very own family. This short tale, Gabriella plight, tells the world of the pain and loss as seen through the eyes of a poor baby Rhinoceros if only she had the ability to do so. A small fee was originally added to the cost of receiving this short story, but only to help raise money for the protection of these endangered animals. Alas this generated less interest than I anticipated. I have now decided to place the book out for free, hoping in some small way to help raise awareness of the plight of these beautiful endangered animals.

This is a story of positive self-image for children to be read by parents, grandparents, teachers, mentors and even children themselves. It is a story about diversity acceptance and inclusion. And, more importantly, it is a tool for conversation with young people about body image and self-acceptance.

Baby Rhino's Escape Adrienne Kennaway,1999-02-28 A flash of lightning sets the dry African plain on fire. Baby Rhino, frightened when he is separated from his mother, runs to the river for safety with the other animals. Will he really be safe there? What about the crocodiles? And how will he find his mother? But Friends are there to help and soon Baby Rhino is safely back with his mother. This book blends fact and fiction and helps to enlighten young readers about the environment and friendship.
