**Down The Bright Stream** B.B., 2013-03-07 Dodder, Baldmoney, Cloudberry, and Sneezewort are the last four gnomes in Britain

and were first introduced to us in the Carnegie Medal-winning book, *The Little Grey Men*. In this charming book their story continues and we find them tucked up in their cosy home, next to the Folly, for winter. But when they're awakened from their sleep with the terrible news that the Folly is drying up, they must pack up their belongings and head off in their boat, the *Jeanie Deans*, to find a new home where they can be safe once again. Along the way they face many dangers and their journey is sometimes perilous and packed with adventure.

*The Little Grey Men* B B,2004 The last four gnomes in Britain live by a bubbling brook on the banks of the Folly. The gnomes are perfectly happy with their life, except, that is, for one - Cloudberry. Restless and longing for adventure, Cloudberry sets off to follow his dream. But when he doesn't return, the remaining gnomes begin a perilous journey to find him.

The Little Grey Girl (The Wild Magic Trilogy, Book Two) Celine Kiernan, 2019-09-03 In the second book of the Wild Magic trilogy, courageous young Mup and her family are trying to heal and restore the kingdom when they uncover an ancient and powerful anger. The old queen and her raggedy witches have fled Witches Borough, and Mup's family has moved into the cold, newly empty castle. But the queen's legacy lingers in the fear and mistrust of her former subjects and in the memories that live in the castle's very walls. While Mup's mam tries to restore balance to a formerly oppressed world, Mup herself tries to settle into her strange new home with her dad, Tipper, and Crow. When an enchanted snow blankets the castle, Mup's family is cut off from the rest of the kingdom, and the painful memories of the old queen's victims begin to take form, thanks to a ghost whose power may be too much for even Mup and Mam to handle. Celine Kiernan weaves a timely and essential truth into the second book of her trilogy: that dismantling oppression means honoring the pains of the past, and perhaps the most potent magic of all is encouraging joy and hope

wherever possible.
