The Woman Back from Moscow: In Pursuit of Beauty Ha

Jin, 2023-11-28 Through the life of a remarkable woman—based on pioneering stage director Sun Weishi (1921–1968)—this epic novel immerses us in the multifaceted history of China’s Communist Party. A powerful, insightful account from the National Book Award–winning author, who came of age during the Cultural Revolution. As a promising young actress, Sun Weishi made the critical decision to pursue her studies in Moscow—with the blessing of her influential adoptive father, Zhou Enlai, and Mao himself. The valuable insights she gained there during World War II, most notably the significance of characters’ inner lives, would enable her to excel back in China, where she produced works by Chekhov and Gogol, and other socially progressive dramas, such as an adaptation of Uncle Tom’s Cabin. Her striking career as China’s first female director of modern spoken drama (Huaju) would be derailed with the advent of the Cultural Revolution in 1966, however, which put her once again at odds with an old enemy—Jiang Qing, a fellow actress who schemed her way to the top as Mao’s fourth and final wife. Through the decades-long rivalry between these two complex women, and their differing approaches to the men in power who shaped their lives, Ha Jin deftly explores the ideals of communism and the reality of the Chinese Communist

Party. At the same time, the novel captivates us with Sun Weishi's personal struggles and triumphs, as she navigates friendship, love, art, and politics amidst the great events of the twentieth century.

MEMOIRS OF THE MEI RIVER Li Yunqi,2024-03-11 Memoirs of Mei River chronicles the life of Chu Huainan, a protagonist whose youth was shaped by revolutionary ideals fueled by dissatisfaction with the Kuomintang's corruption. Believing in a utopian vision of socialist public ownership, Chu Huainan endures decades of political upheavals, witnessing the rise and fall of state-owned enterprises and the unexpected success of private businesses in

Mei River. The narrative weaves through historical movements such as land reform, the Anti-Rightist Movement, the Cultural Revolution, and the reform era, reflecting the complexities of societal changes in 20th-century China. The story explores the paradoxes of Chu Huainan's personal life, from family tragedies to ideological conflicts, all set against the backdrop of China's rapid economic development. As Mei River prospers, Chu Huainan confronts the widening wealth gap and questions the efficacy of his lifelong commitment to ideals like public ownership and revolution. The novel delves into the struggles of belief systems, posing profound inquiries about equity, revolution, and the inherent injustices of those in power. Chu Huainan's tumultuous journey, mirroring China's 20th-century challenges, raises broader philosophical questions about humanity's search for meaning and values. The novel prompts readers to reflect on the futility of rigid belief systems in solving the multifaceted problems of human existence, leaving Chu Huainan in a state of confusion and existential questioning. Through his personal and political tribulations, the novel explores themes of benevolence, righteousness, and tolerance as enduring values necessary for navigating the complexities of life.
