Cult, A Love Story Alexandra Amor,2009-10-01 For fans of *Educated*, *Captive*, and Leah Remini's *Troublemaker* comes the gripping true-life story of one young woman's accidental journey into a cult. And her escape a decade later. It's rarely obvious when a group is a cult. Most cults don't advertise themselves as such: they are groups of people who look and act just like you and me. Not dangerous. Not deranged. At least, not at first. The slide toward complete control of your personality, your thoughts, and your life is slow and virtually unnoticeable. Until it's too late. *Cult, A Love Story* has been studied in university classrooms, featured in an audio documentary and on podcasts, and read by cult survivors and their families all over the world, from remote British Columbia, Canada to Australia, Europe, the Middle East and beyond. In this award-winning memoir, Alexandra Amor shines a light on cults so that others might learn from her heartbreaking experience. Amor gracefully and sensitively explains how ordinary and intelligent people get seduced into joining cults, why they stay despite the emotional and psychological abuse, and what the long process of recovery looks like once someone leaves a cult. Amor's transparency about her decade-long involvement with a Vancouver, Canada cult makes this powerful and gripping book an excellent resource for those wanting to know more about how the mind control of a high demand spiritual or religious group works. In this page-turning, personal memoir you will learn: - how normal, intelligent people can, without knowing what's happening, get sucked into a cult's grip - why it's so very difficult for those in high demand groups (cults) to leave - how to evaluate whether a group you belong to is a cult - what the recovery period after a cult looks like - resources and recommendations if you know someone in a cult, or if you are in recovery from a cult yourself This excellent memoir reveals how a charismatic, manipulative spirit medium can use love for God and neighbor as a hook to drag a small group of devotees into her cynical web of impossible goals for self-perfection. After a heroic struggle for insight, Alexandra Amor was one of the cult members who broke the abusive spell. Joesph Szimhart, Cult Information Specialist

A Love Story for Susan Gordon E Kyle,2020-11-06 *A Love Story for Susan* is a story of hope in our world. This book describes the journey taken by the author into his mind. There, he faced the darkness of his personal hell, earning the right to stand in the brilliance of God's light at journey's end. The journey into self is a journey any person can choose to take. This book appeals to those people who are struggling with the meaning of their existence. It is a struggle many are choosing to face at this time because the desire to discover one's truth is a desire that lives in all of us. *A Love Story for Susan* convincingly demonstrates the importance of love in the healing of a human mind. The author's story is an inspirational example of how to transmute pain into strength and gain a new life by doing so. His goal was simply to find his true self. Little did he know that God waits patiently for those who make the journey to truth, the journey to self. *A Love Story for Susan* is the story of the author's journey home.

Kindred: An American Love Story P. J. Dean,2014-10-31 An herbalist and free woman of color, Kindred Twain and Lelaheo/Cassian Harkness, an Oneida Indian, had been inseparable since childhood, so it was no surprise to anyone when their childhood bond blossomed into love as they grew into adulthood. Neither suspected when they agreed to wait to wed until Lelaheo had completed his medical studies in Europe that they were poised on the eve of the American Revolution, or that a young British miss named Adeline would threaten to tear them apart forever.

Aunt Jo - A Love Story of the Cedar Scrubs Edward S. Sorenson,2022-11-22 This novel tells the story of Long Bill and Amelia Jane. Amelia Jane is a spinster who is yet to be married. She is one of the neglected females and she didn't know why. Dances were seldom held in Dumboon township, but when they do, it was an opportunity for matchmaking. Amelia is drawing perilously near the border of old maidenhood and anxious to change her condition. Will Long Bill ask her to marry him?

Love Story between Roommates Xu XieChuanQiu,2019-09-30 The girl who shared the house with me turned out to be the elective teacher. She was gentle, beautiful, empathetic and, most importantly, a rich girl ...The two of us, under the same roof, each other.

An Imperialist Love Story Amira Jarmakani,2015-07-31 A curious figure stalks the pages of a distinct subset of mass-market romance novels, aptly called "desert romances." Animalistic yet sensitive, dark and attractive, the desert prince or sheikh emanates manliness and raw, sexual power. In the years since September 11, 2001, the sheikh character has steadily risen in popularity in romance novels, even while depictions of Arab masculinity as backward and violent in nature have dominated the cultural landscape. An Imperialist Love Story contributes to the broader conversation about the legacy of orientalist representations of Arabs in Western popular culture. Combining close readings of novels, discursive analysis of blogs and forums, and interviews with authors, Jarmakani explores popular investments in the war on terror by examining the collisions between fantasy and reality in desert romances. Focusing on issues of security, freedom, and liberal multiculturalism, she foregrounds the role that desire plays in contemporary formations of U.S. imperialism. Drawing on transnational feminist theory and cultural studies, An Imperialist Love Story offers a radical reinterpretation of the war on terror, demonstrating romance to be a powerful framework for understanding how it works, and how it perseveres.
