*Nürnberger Künstlerlexikon* Manfred H. Grieb,2011-12-07 Das Nürnberger Künstlerlexikon bietet einen in dieser Ausführlichkeit einmaligen Überblick über die Personen, die das reiche kulturelle Leben dieser Stadt hervorgebracht und ermöglicht haben. Neben den Bildenden Künstlern sind beispielsweise auch Literaten, Verleger, Musiker und Mäzene enthalten. Über 20.000 Einträge zu Künstlern und Kunsthandwerkern, die vom zwölften bis zur Mitte des 20. Jahrhunderts in Nürnberg tätig waren, vermitteln eine beeindruckende Tradition. Nicht nur in Nürnberg geborene Künstler und Kunsthandwerker sind enthalten, sondern auch solche, deren Wirken mit der Stadt in Verbindung stand. Die Einträge berücksichtigen den beruflichen Werdegang, die Geburts- und Sterbedaten, die Anzahl der Eheschließungen und der Kinder, das Jahr der Meisterwerdung, Angaben zu Arbeits- und Lebensbedingungen sowie zu wirtschaftlichen und privaten Verhältnissen. Soweit bekannt, sind auch die Auftraggeber und die für einzelne Werke bezahlten Preise vermerkt. Das chronologische Berufsgruppenregister gliedert die Künstler nach 19 Berufs- und Personengruppen. Das Ortsregister umfasst über 1.600 Geburts- und Sterbeorte in 15 Ländern. Ein Glossar erklärt die wichtigsten Begrifflichkeiten.  
**A Real Story Created With Colorful Lines** Lucas Ksenhuk,2020-06-24 Lucas Ksenhuk, 18, has an unmistakable streak that went beyond his notebooks and has been winning the main street exhibitions in São Paulo, such as Egg Parade, Cow Parade, and Elephant Parade, Football Parade, Ear Parade, and Vitruvian Parade. Diagnosed with autism, he sees his art as a way to transform his own life and of others, bringing independence and recognition. My art can help people. Lucas started drawing at the age of 9, developing his technique of colored stripes, always with lots of colors. At the age of 11, he had already developed a collection with 30 notebooks and his parents encouraged him to develop his drawings on canvas. On the canvas, I recognized in my work a chance to go further, and, soon, I made my first exhibition with 30 paintings, all sold in a few hours, recalls Lucas. In this book, his trajectory is described in a light way accompanied by images of his most recent works. Also noteworthy are the prefaces signed by Kobra and Cris Campana.  
Dictionnaire critique et documentaire des peintres, sculpteurs, dessinateurs et graveurs de tous les temps et de tous les pays Emmanuel Bénézit,1999  
*Analog Algorithm* Christoph Grünberger,2019-06 This book is a tool kit to create new forms. It deals with grid-based design and gives the reader techniques to develop new forms, fonts, logos, and patterns. The concept represents a design process in which individual decisions follow much larger and deeper principles than immediate and spontaneous-intuitive actions. Using a wide variety of examples, each chapter contains a detailed description of the procedure from form analysis to setting up design rules and their application. Both a workbook and a source of inspiration, this publication provides designers and architects with the tool they need to find analytical forms analog, algorithm-based, exploratory but never of arbitrary origin. The procedures described allow an almost infinite number of possibilities. The designer is thus transformed from inventor to interpreter or curator, who assesses individual forms for logos, fonts or patterns on the fly and ensures that the design process is always efficient and goal-oriented. AUTHOR: Christoph Grünberger is a German illustrator and designer. He is active in the fields of corporate, interactive and spatial design, with a strong focus on exploring the limits of interaction and desktop applications. Together with Stefan Gandl he is co-author of the book Neubau Modul and collaborated on the exhibition Neubaulsm at gallery MU (Eindhoven/NL) in 2008, which was opened by Wim Crouwel. For the video installation Wutburger, a co-operation with Andreas Lutz, he received the excellence Award in the Art section at the Japan Media Arts Festival in Toyko in 2015. His works as a freelance designer have been awarded nationally and internationally. 55 images

*Supplying and Reselling Digital Content* Geiregat, Simon,2022-05-13 Making a key contribution to the contemporary debate about methods in European legal research, this comprehensive book looks behind different methodologies to explore the institutional, disciplinary, and political conflicts that shape questions of ‘method’ or ‘approach’ in European legal scholarship. Offering a new perspective on the underlying politics of method, it identifies four core dimensions of methodological struggle in legal research – the politics of questions, the politics of answers, the politics of legal audiences, and the politics of the concept of law.
