Win My Alpha: An Age Gap Werewolf Romance (The Luna Game Book 1) (The Luna Games) anboyden, 2023-01-30 *SEQUEL TO THE ACCUSED MATE. CAN BE READ AS STANDALONE* The Luna Games is a centuries-old tradition where unmated she-wolves pass various trials and fight each other to win the chance of being mated to a coveted Alpha. Many women enter, few survive. Alexis Beaumont of the Artemis Pack has a secret that no one knows. She has had a crush on her godfather, Alpha Noah Harvey, for as long as she could remember. He was handsome, charismatic, funny, kind, and spoiled her any chance he got. Alexis planned on confessing to Alpha Harvey once she turned 18, only to find out he has entered the Luna Games as the grand prize. Devastated, Alexis enters the Luna Games at the last minute on the eve of her 18th birthday without her parents' knowledge. At the ceremony, right before the clock strikes midnight, signaling the beginning of the game, he makes eye contact with Alexis. Alpha Harvey attempts to stop the game when the signal is sounded. Their eyes widen as they stared at each other and the world around them falls away. Mate, they simultaneously whisper. Alexis will have to fight to the death to be with her

mate.

Unveiling Dark Secrets: Enemies to Lovers Alpha Mate Romance (The Accused Mate Book 3 END) anboyden, 2022-12-26 Amari Winters (18) had been kept hidden away from the world, training to be the next Alpha of the Blood Moon Pack. On her 18th birthday, her father, Alpha Charles Winters makes the sudden announcement she is finally free and she would be attending a birthday party that evening thrown in her honor. He also mentions their allies, the Artemis Pack were invited. While getting ready to go outside for the first time, Amari realizes that her mate is near and confesses to her older sister, Camilla. Camilla was jealous of Amari and hatched a plan to steal Amari's mate. Amari runs into her mate, Alpha Alexander Beaumont (24) and confesses her love, but is rejected. Alpha Beaumont reveals he is mated to none other than her sister, Camilla. Distraught, Amari makes threats against Camilla. An hour later, Amari is being charged with hiring someone to kill and rape her sister. Amari pleads her innocence to her mate, but he doesn't believe her and she is dragged back to his castle to be tortured for her crimes. Will Alpha Beaumont eventually acknowledge that Amari is his true mate? And will Amari ever accept his forgiveness?

H2LiftShips - Beyond Luna Bob Freeman, 2021-03-24 H2LiftShips, a tech manual for a future Imagine a world, exactly like ours, but different You all knew we would settle on Luna and start mining the Asteroid belt. Mars, dry, dusty with thin unbreathable air, is just a prison planet with the added hell of

lawyers and accountants in charge. Asteroid groups are unified in their desire for independence to try different governance methods. It may not be our future, but it is a future we can get behind. Travel the solar system on solar sail ships. Meet hard-working sentients: humans, canines, simians, and octopuses, plying our heliosphere for fun and profit. You won't find any exploding rockets, evil aliens, laser blasters, or sparking computers, instead, you'll find hacked comm lines, buried Luna casinos, pirates, dust balls, and weaponized beef jerky. And after your cruise through the Asteroid belt, Mars, and Luna, settle down on Earth for a party in the desert, they'll bring the Carne Asada burritos, you bring the fun. No matter what regime is in charge, Gig workers have to jump from job to job, trying to earn enough for food, shelter, air, and waste disposal. Welcome: Join humans, simians, canines, and octopuses in our new future, gigging and living in the void.

The Mexican Filmography David E. Wilt,2004 Mexican cinema has largely been overlooked by international film scholars because of a lack of English-language information and the fact that Spanish-language information was difficult to find and often out of date. This comprehensive filmography helps fill the need for a single source for basic information on Mexican films. Arranged by year of release and then by title, the filmography contains entries that include basic information (film and translated title, production company, genre, director, cast), a plot summary, and additional information

about the film. To be included, a film must meet the following criteria: it must be a Mexican production or co-production, feature length (one hour or more, although exceptions are made for silent films), fictional (documentaries and compilation films are not included unless the topic relates to Mexican cinema; some docudramas and films with recreated or staged scenes are included), and theatrically released or intended for theatrical release.

Video Games You Will Never Play Luca Taborelli,2016-08-30 How many video games have you played during your life? Do you think games are a form of art that should be preserved? What if we told you that there are thousands of interesting games you'll never play, all of which could be lost forever? It's true, there are many cancelled titles that are often lost to video game history. While video games may not be largely considered to be on par with paintings and statues, they are still art on their own, just like books, movies, and music, and like other works of art, video games have their own lost works. Games that were cancelled, never released, and often not even known by the general public. Unfortunately, there is no proper museum dedicated on saving them. Unseen64 is an online archive to preserve articles, screens and videos for cancelled, beta & unseen videogames. Every change and cut creates a different gaming experience: we would like to save some documents of this evolution for curiosity, historic and artistic

preservation. Over the course of almost 500 pages, the 45+ writers and editors of this crowdsourced book hope to educate the gaming world on the history of video games as an ephemeral art form, by showcasing more than 200 lost games that could have been forgotten. Starting from early '90s PC titles, to 8-bit games for the NES and Sega Master System, and all the way through to the 7th generation of consoles with PS3, X360 and Wii, there are many unseen games that you will discover in this book. Also included are essays about the preservation of cancelled games, how to research for these unseen titles, and 20 interviews with museums and developers who worked on lost games. In this book there's plenty of examples of what gaming history is losing every day. Hopefully, by reading this book, more gamers, developers, youtubers, gaming journalists and historians can look back at what could have been and as a result raise awareness on the preservation of lost games: to see the hidden stories that played a part in leading gaming culture to where it is now. This is the black / white version of the book, the content is identical to the full-color version, the only difference is the cover and the interior color. Before to read this book, please keep in mind that: - The lost games featured in this book are just a small sample of all the titles we will never play. It would be impossible to list them all in just one book. - We are a collective of gamers from all around the world. - This book is fully in English, but most articles were written by Italians and people from other non-English countries. Each article was proofread by English native speakers,

but there could still be typos and random engrish. - This book was made with love and sleep deprivation.

My (Mostly) Temporary Nanny Penelope Bloom, 2020-11-12 I will not think inappropriate thoughts about the nanny. She's just temporary. A momentary blip in my life. Although I have to admit she's quite attractive, as far as blips go. She's also the first person my son has ever actually liked, which has to count for something. New plan: I will not... let myself get too attached to the nanny. I've always been the kind of man to keep my plans flexible. Adaptation is key. Just like I've had to adapt to having a beautiful woman waiting for me when I get home every night. Temporarily, of course. My son deserves better than temporary. And I won't dangle the prospect of a happy, complete family in front of him when I know the relationship wouldn't last. Because beneath the innocent, big doe eyes and the charming awkwardness, the nanny would turn out like the rest. She'd find some reason to leave. They

all did. So I'll make one final amendment to the plan. Yes, I may think inappropriate thoughts about the nanny. I may get attached to the nanny. But I will not fall for the nanny. And if I do, I will deny it until my cold, dead heart freezes over. Author's Note: Get out your safety goggles because this fiery nanny and swoon-worthy single dad are about to collide and the reaction is going to be explosive.
