Psychic Vibrations Robert Sheaffer, 2012-03-28 At Last – A Skeptical Book that's not just Informative, but FUN to read! For more than thirty years, Robert Sheaffer's Psychic Vibrations column has been entertaining readers of The Skeptical Inquirer, while keeping them informed of weird developments in the "science" of UFOs, psychic research, Cryptozoology, etc. Those columns are gathered together here, organized by subject, to inform and amuse the reader. With 150 humorous illustrations by cartoonist Rob Pudim A scientific expedition searches for Mermaids in the South Pacific. A Saucer Crashes – in Central Park! A mad UFOlogist tries to poison local officials by spreading radioactive materials around them because he thinks they're covering up a UFO crash! Sure, you can read about Alien Crop Circles in plenty of books. But where else can you read about: Alien Carpet Circles, made by the indoor landing of tiny UFOs? A secret government project hiding shocking photos - of Noah's Ark? Creationist attacks not only on evolution, but on heliocentrism, too? Who teaches students to distinguish between Creation Rocks and Flood Rocks? Which has stronger psychic powers: Uri Geller, or a dead hamster? It's all here, folks. Nowhere else. And it's all true (meaning that the author didn't make it up). And remember: Millions of cuddly household pets are really space aliens--Back cover. description.

Atomic Ranch Michelle Gringeri-Brown, 2006-08-29 An in-depth exploration of midcentury residential architecture in America, with extensive photos and design tips included. Post-World War II ranches (1946–1970) range from the decidedly modern gable-roofed Joseph Eichler tracts in the San Francisco Bay area and butterfly wing houses in Palm Springs, Florida, to the unassuming brick or stucco L-shaped ranches and split-levels so common throughout the United States. In this book Michelle Gringeri-Brown and Jim Brown, founders and publishers of the popular quarterly Atomic Ranch magazine, extol the virtues of the tract, split-level, rambler home and its many unique qualities: private front facades, open floor plans, secluded bedroom wings, walls of glass, and an easy-living style. From updated homes with high-end Italian kitchens, terrazzo floors, and modern furniture to affordable homeowner renovations with eclectic thrift-store furnishings, Atomic Ranch presents twenty-five homes showcasing inspiring examples of stylish living through beautiful color photographs, including before and after shots, design-tip sidebars, and a thorough resource index. Atomic Ranch reveals: Hallmarks of the ranch style Inspiring original ranch homes Ranch house transformations and makeovers Preservation of mid-century neighborhoods Adding personality to a ranch home Yards and landscaping A helpful resource section and index

Right Now Counts Forever Robert Charles Sproul, 2021 Our Christian assertion is that there is more to our lives than 'now.' If there is not then even the now is meaningless. But we say now counts. Why? Now counts because we are creatures who have an origin and a destiny which is rooted and grounded in God. --R.C. Sproul ----- There is no such thing as a meaningless moment. Since we're made in God's image and created for His eternal glory, everything we think, say, and do today matters forever. The question is, How should this truth direct our daily lives? For more than forty years, Dr. R.C. Sproul wrote his recurring column in *Tabletalk* magazine, *Right Now Counts Forever*, to apply the teachings of the Bible and Reformed theology to everyday life. No topic was off-limits because every part of our lives bears enduring significance. Through the years, Dr. Sproul helped Christians give careful thought to topics in

theology and history, politics and current events, relationships and entertainment, and more. In this four-volume collection, hundreds of Dr. Sproul's columns have been brought together for the first time. Written to serve the church, this treasury of theological reflection can help guide believers of all ages to live with eternity in mind and devote all of life to the glory of God.
