In Dubious Battle John Steinbeck,2006-05-30 A riveting novel of labor strife and apocalyptic violence, now a major motion picture starring James Franco, Bryan Cranston, Selena Gomez, and Zach Braff A Penguin Classic At once a relentlessly fast-paced, admirably observed novel of social unrest and the story of a young man's struggle for identity, In Dubious Battle is set in the California apple country, where a strike by migrant workers against rapacious landowners spirals out of control, as a principled defiance metamorphoses into blind fanaticism. Caught in the upheaval is Jim Nolan, a once aimless man who find himself in the course of the strike, briefly becomes its leader, and is ultimately crushed in its service. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Dining with Joy Rachel Hauck,2010-11-15 Chef Joy Ballard longs for a simpler life. But when a good-looking outsider arrives and spices things up, life becomes deliciously complicated. Host of a regionally syndicated cooking show, Joy Ballard has a little secret: she can't cook. But when her show is picked up by a major network and given a prime time slot, her world heats up faster than a lowcountry boil. Enter Luke Redmond: handsome, creative, and jobless after having to declare bankruptcy of his Manhattan restaurant. When her producers ask him to co-host the show, Joy sees Luke as her way out. But Luke sees much more than just a co-host in Joy. Their relationship begins to simmer on and off

set. Until Joy's secret is revealed and her reputation is ruined on national television by her rival, Wenda Devine. But could Devine's cruelty be a divine gift? Losing Luke--and her sister--forces Joy to consider where her worth really comes from. Could God be cooking up an even bigger adventure from the mess? And will Joy hang on long enough to find out?

Mac's Boys Jason Hiner,2006-10-26 This is the story of the 1953 Hoosiers, NCAA champions, coached by Branch McCracken and boldly led by star players Bobby Leonard and Don Schlundt. This legendary Indiana University team from the pre-Bob Knight era has begun to fade from memory, but Mac's Boys brings it vividly back to life. One of the Hoosier state's most beloved basketball teams, the 1953 Hoosiers was also one of the best in the history of college hoops. It was a squad that had a great coach, a pair of star players, and teammates who accepted their roles and executed them flawlessly. With Leonard and Schlundt sharing the spotlight, there was the versatile forward Dick Farley (who would have been an All-American had he played on any other team), tenacious rebounder Charlie Kraak, and the hustling, ball-hawking guard Burke Scott. They were the heart of a team that put together one of the greatest hot streaks ever seen in Big Ten basketball, and then capped it off with a run through the NCAA tournament. Mac's Boys recreates the terrific story of Indiana's magical 1952-53 season. For Hoosier fans especially, it will become a treasured tale that illuminates one of the most glorious chapters of Indiana University basketball history.

Crush Ana Hartnett Reichardt,2023-08-15 Josie Sanchez is the head winemaker at Cadieux Vineyards, and all her dreams ride on the upcoming crush. If she can produce a gold medal pinot noir, the owner will give Josie her own wine label. Finally. She's worked years for this opportunity, and nothing will stand in her way. Not even Mac, the owner's annoyingly beautiful niece who doesn't know anything about wine, but whom Josie's forced to hire as her only harvest intern. Josie can't imagine a more ill-suited partner for the most important harvest of her life. After a lackluster start in her marketing career, Mackenzie Layton is eager to jump headfirst into the illustrious Willamette Valley wine industry. Thanks to her uncle, her first harvest job is with one of the most prestigious wineries in town. But when she meets Josie, it's clear her presence is a nuisance, even if she does occasionally catch Josie's gaze lingering on her. Mac has a proclivity for misadventure, and she is unable to resist the one person who is off limits. This crush will be a messy one, indeed.

Species Imperative Julie E. Czerneda,2014-09-02 Dr. Mackenzie Connor's goal in life is to be left in peace to study salmon. The only cloud on Mac's horizon is having to meet with the Oversight Committee to defend research intrusions in protected zones. But what Mac wants doesn't matter. There's a darker migration underway, across space. What created the Chasm has awakened to follow its need to feed on living worlds.

"Haywire Mac" and the "Big Rock Candy Mountain" Henry Young,1981

The Fall of the Philippines Donald J. Young,2015-03-14 World War II began for the United States with the Japanese attack on Pearl Harbor December 7, 1941, followed by the invasion of the Philippine Islands the next day. Unlike the rapid capture of Hong Kong, Wake Island and Singapore, the war in the Philippines lasted for seven months before the unprepared American and Filipino forces—cut off from supplies and fighting with obsolete equipment and without air or naval support—were overwhelmed. Drawing on diaries and personal accounts, this book chronicles forgotten actions in the fall of the Philippines through the recollections of American servicemen. The author covers the 90 day

perseverance of Bataan's tiny air force, the first PT boat raid of the war, the last U.S. horse cavalry charge in history, a lone U.S. submarine's attack on a Japanese invasion fleet, the deliberate bombing of Bataan's main field hospital by the Japanese, the difficult and uneasy surrender of Bataan, Corregidor's doomed resistance and the surrender of the Southern Islands of the archipelago.
