Michael A. Smith, Clint R. King

Super Red Green Blue Robert Jones, 2014-11-17 Steve, a video game obsessive, has reached his 30th birthday only to realise that his life has not turned out how he had once hoped it would. His business is failing, his most recent girlfriend has just left him and video games, the one thing that has been with him constantly since childhood, are increasingly becoming alien to him. In a last gasp effort to understand what went wrong, Steve begins to recall his life's past relationships, both with long-lost loves and with video games, hoping that within them he may find the key to a happier future. A book for anyone who has ever played a video game, *Super Red Green Blue* takes the reader on a hilarious, heartfelt and intense journey into video game culture and the nature of obsession.

Herping Texas Michael A. Smith, Clint R. King, 2018-10-04 Coiled beneath discarded trash or rocky slabs, basking along river edges, and tucked into rock cuts beside the highway, reptiles and amphibians constantly surround us. While many people go out of their way to avoid snakes or shudder at the thought of touching a toad, herpers take to the field armed with cameras, hooks, and notebooks hoping to come across a horned lizard, green tree frog, or even a diamondback rattlesnake. In *Herping Texas: The Quest for Reptiles and Amphibians*, Michael Smith and Clint King, expert naturalists and field herpers, take readers on their adventures across the state as they search for favorite herps and rare finds. Organized by ecoregion, *Herping Texas* describes some of the state's most spectacular natural places, from Big Bend to the Big Thicket. Each chapter contains photographs of the various snakes, lizards, toads, and turtles Smith and King have encountered on their trips. Part nature travel writing and part guide to field herping, *Herping Texas* also includes a section on getting started, where the authors give readers necessary background on best field herping practices. A glossary defines herping lingo and scientific terms for

newcomers, and an appendix lists threatened and endangered species at the state and federal level. Herping Texas promotes experiencing natural places and wildlife equipped with solid information and a responsible conservation ethic. Throughout their decades tracking herps, Smith and King have collected humorous anecdotes and fascinating facts about reptiles and amphibians. By sharing those, they hope to dispel some of the stigma and false ideas people have about these misunderstood animals.

Street Fighter Unlimited Ken Siu-Chong, Darkness falls over history's biggest martial arts tournament, as Gill reveals the twisted goals of the Secret Society, Ryu embraces the full power of the Satsui no Hado, and Akuma unleashes the god-like powers of Oni! Is even the combined might of dozens of World Warriors enough to stop these rampaging forces from scarring the Earth?

The Last Book of Wisdom Pastor James Okon,2019-03-20

There are 250 entries in the medley package. It is not the idea of the writer to arrange them into sections; but he simply let the ideas flow, from the crucial to the more essential, just the way they were handed down to him. They are all built for you, though they cannot all apply at the same time. Wisdom is proven by the result it produces in the lives of those who follow after it.

UNSTRUNG Kendra C. Highley,2015-01-18 Lexa Pate, seventeen-year-old thief extraordinaire, has burned a bridge or two in her life. You don't make a career out of stealing other people's property without making enemies. When a risky job goes from bad to worse, Lexa and her adopted family find themselves on Precipice Corporation's hit list because they've accidentally stolen the wrong thing—plans for a new model of genetically-engineered super humans. Now every bounty hunter, cop on the take, and snitch in the city is after them. Lexa's world crumbles around her as she fights to keep her family safe even as someone

strolls out of her forgotten past. Quinn claims to know who Lexa really is, but can she trust a stranger she met while robbing his boss? More importantly, does she really want to know what Quinn has to tell her? Based on the fairy tale Pinocchio, UNSTRUNG takes you into a near future world where the lines between fake and real are blurred, all that's pristine isn't always innocent, and being a criminal isn't always wrong.
