Albert F. de Jong

Traditions of the Magi Albert F. de Jong, 2015-08-27 This is the first full treatment of the Greek and Latin references to Zoroastrianism since the pioneering works of Benveniste, Bidez & Cumont, and Clemen. It focuses on the possibilities offered by the classical reports on Zoroastrianism to reconstruct the history of that faith. The book is divided into three sections. The first section deals with introductory problems concerning ancient religious ethnography and current views of the history of Zoroastrianism. The second section consists of commentaries on five selected passages. The third section offers a thematical overview of the materials and their relevance for the history of Iranian religions. Apart from offering introductions to a wide range of debates and topics in Classics and Iranian studies, the book aims to illustrate the diversity of beliefs and practices in ancient Zoroastrianism.

Ancient Magic and Ritual Power Paul Mirecki, Meyer, 2015-08-24 This volume contains a series of provocative essays that explore expressions of magic and ritual power in the ancient world. The essays are authored by leading scholars in the fields of Egyptology, ancient Near Eastern studies, the Hebrew Bible, Judaica, classical Greek and Roman studies, early Christianity and patristics, and Coptology. Throughout the book the essays examine the terms employed in descriptions of ancient magic. From this examination comes a clarification of magic as a polemical term of exclusion but also an understanding of the classical Egyptian and early Greek conceptions of magic as a more neutral category of inclusion. This book should prove to be foundational for future scholarly studies of ancient magic and ritual power. This publication has also been published in paperback, please [click here](#) for details.

Chronicon Preciosum ; Or, An Account of English Gold and Silver Money ; the Price of Corn and Other Commodities ; and of Stipends, Salaries, Wages, Jointures, Portions, Day-labour, &c. in England, for Six Hundred Years Last Past William Fleetwood, 1745

Impulsive: A Steamy Forbidden Lovers Medical Romance Carina Alyce, She was the one woman he couldn't have, and the one he can't forget. Medical student Michael Harper does not enjoy losing control. After conquering the cutthroat business world, he walked away to become a doctor, and risked his future to secretly date Dr. Angela Perkins. In the bedroom, he ran the show, but at the hospital, it was clear she was in charge. It destroyed their love, and Michael chose to bury his feelings for her in the past. Fate has a different plan because now they're working in close quarters on the same patient. He can't forgive her, yet he hungers for her touch, her body, her voice, every hour of every day. No matter the cost, no matter the pain, he needs her back in his arms and his bed. And the price will be higher than he ever imagined . . .

Fusion Carina Alyce, 2022-04-01 He's found the perfect woman . . . the one the hospital says he can't have. The prognosis is dire, but he can't stop enjoying the dirty things they're doing in her bed, and the hospital, and the callrooms. . . **WARNING:** The second book in this steamy forbidden romance trilogy will leave you gasping for more with a cliffhanger twist worthy of your favorite episode of *Grey's Anatomy* . Brace yourself for a journey of secret sex and medical student private post-call strip shows. Written by a real ER doctor, this story will leave you wanting more. Note: this is an expanded, re-covered, and re-edited story that was originally published as part of *High Risk* - which the author thoroughly recommends you read first!

Dictionary of Daily Life in Biblical & Post-biblical Antiquity Edwin M. Yamauchi, Marvin R. Wilson, 2017 The Dictionary of Daily Life in Biblical & Post-Biblical Antiquity is a unique reference work

that provides background cultural and technical information on the world of the Hebrew Bible and New Testament from 4000 BC to approximately AD 600. Also available as a 4-volume set (ISBN 9781619708617), this complete one-volume edition covers topics from A-Z. This dictionary casts light on the culture, technology, history, and politics of the periods of the Hebrew Bible and the New Testament. Written and edited by a world-class historian and a highly respected biblical scholar, with contributions by many others, this unique reference work explains details of domestic life, technology, culture, laws, and religious practices, with extensive bibliographic material for further exploration. There are 115 articles ranging from 5-20 pages long. Scholars, pastors, and students (and their teachers) will find this to be a useful resource for biblical study, exegesis, and sermon preparation. This is not your standard Bible dictionary, but one that focuses on aspects of daily life in Bible times, addressing interesting and sometimes puzzling topics that are often overlooked in other encyclopedias. I highly recommend the Dictionary of Daily Life in Biblical and Post-Biblical Antiquity and will be giving it 'shout-outs' in my classes in the years to come. --James K. Hoffmeier, Professor of Old Testament and Near Eastern Archaeology, Trinity Evangelical Divinity School

This wonderful resource is much more than a dictionary. It is a compendium of substantive essays on numerous facets of daily life in the ancient world. I am frequently asked by pastors and students for recommendations on books that illuminate the manners, customs, and cultural practices of the biblical world. Now I have the ideal set of books to recommend. --Clinton E. Arnold, Dean and Professor of New Testament, Talbot School of Theology, Biola University
