Handbook of Digital Games Marios C. Angelides,Harry Agius,2014-02-19 This book covers the state-of-the-art in digital games research and development for anyone working with or studying digital games and those who are considering entering into this rapidly growing industry. Many books have been published that sufficiently describe popular topics in digital games; however, until now there has not been a comprehensive book that draws the traditional and emerging facets of gaming together across multiple disciplines within a single volume.

HCI Models, Theories, and Frameworks John M. Carroll,John Millar Carroll,2003 This book presents a thorough pedogological survey of the science of HCI. Each chapter examines a different approach, describing its roots, motivation, and type of HCI problem it typically addresses.

*The Gift of the Magi* O. Henry,2021-12-22 The Gift of the Magi is a short story by O. Henry first published in 1905. The story tells of a young husband and wife and how they deal with the challenge of buying secret Christmas gifts for each other with very little money. As a sentimental story with a moral lesson about gift-giving, it has been popular for adaptation, especially for presentation at Christmas time.
