Crafting your own magic is a personal and fluid journey, and you won't find scripted spells and rituals within these pages. Instead, you'll find a collection of pathways to a magical practice rooted in your lived experience and the relationships you form in seen and unseen realms. Here, witch, intuitive energy healer, and death-worker Cassie Uhl will share techniques to hone your inherent intuitive abilities, personal experiences, and practices—all of which she encourages you to modify to suit your needs. Your magical practice and the path that shapes it will be as unique as you are, as it should be. Uhl walks you through crafting your own magic using the elements as guideposts: air, on developing intuition; fire, on magic in relationship; water, on correspondences; earth, on ethics and ancestry; and spirit, on bringing it all together. What crafting your own magic looks like for you will be personal and fluid. Where would you turn to seek inspiration, community, means, and modes to craft your magic? Perhaps you would shift inward to the trees, flowers, birds, or invisible in-between spaces. There will likely be parts of your magical practice that no one but you will be able to define as true. For these reasons, parts of crafting your own magic may feel uncomfortable. From these places of discomfort, not knowing, and becoming, your magical practices can flourish.

Summary of Florence Scovel Shinn's The Magic Path of Intuition Everest Media,2022-06-22T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 The principles in this book are as relevant today as they were when they were written over half a century ago. They apply to everyone, not just spiritual seekers. #2 The full and unedited version of Miss Shinn's work is reproduced in the first part of this book in a series of ten lessons. I encourage the reader to read through this original version once through and soak up the message. Then, in the second part of this book, I juxtapose my interpretation and modern-day messages alongside the original text, so that you have the advantage of reading the original text again along with a modern day perspective. #3 Prayer is about preparation. You must act as if you expect to receive what you ask for, because that is how the subconscious mind will be impressed with expectancy. Through following your intuition, you often go for one thing and get another. From the superconscious, what you should know will be revealed to you. #4 The Game of Life is a game of boomerangs. Whatever you send out comes back. Jesus said to do unto others as you would be done by them. You cannot hurt anyone without hurting yourself. All of us are linked by a mysterious magnetic force.
