From Walt Disney Animation Studios, Moana is a CG-animated adventure about a spirited teenager who sails out on a daring mission to prove herself a master wayfinder and fulfill her ancestors' unfinished quest. During her journey, Moana meets the once-mighty demi-god Maui and together they traverse the open ocean on an action-packed adventure, encountering enormous fiery creatures and impossible odds. The stunning artwork in this behind-the-scenes book includes character designs, storyboards, colorscripts, and much more. Copyright ©2016 Disney Enterprises, Inc. All Rights Reserved

**Could It Happen to You?** Michael G. Smith, 2010-04-21 You may have heard of the infamous dog snatches baby case that happened in Kentucky in July 2009. Just three days old, Baby AJ was fast asleep in his crib after a morning feeding. With his parents downstairs preparing for the rest of the day, Dakota and Nikita, two of the family dogs, snuck upstairs and opened the back door to the bedroom. Dakota then took AJ out of his crib and proceeded out back into the woods, carrying AJ in her mouth. The mother, Chrissie, is a British citizen and the father, Michael, was born in Indiana. Together they give a brief account of their lives prior to the accident followed by excruciating details of the accident itself including the 15 minutes it took to find their son and the nightmare they had to endure afterwards. Starting with the accident and the 911 call, followed by the emergency room and AJ's stay in Pediatric Intensive Care, Michael and Chrissie give a very personal account of the feelings and emotions they experienced along with pictures from their private collection. Although the story generated a massive media storm and immediately made national news, the public was generally shielded from the private details the couple had to deal with in the background. Michael and Chrissie intimately share those private details including social services and Sheriff investigations that ultimately resulted in information brought before the grand jury and formal child neglect charges filed against the couple. Michael and Chrissie gives you a chance to step into their shoes and experience what it was like to not only live through a horrifying accident of this nature but for all of the parents out there with newborns, wonder whether or not, Could This Happen To You?

She gets straight A's, is a talented pianist, and was just named the youngest poetry editor of the school's literary magazine, Inner Vistas. She makes the life of a successful thirteen-year-old look easy. For Maggie's father, nothing but perfect will do. Not only is he obsessed with his job as a studio executive, he expects Maggie to have a detailed plan for her life, which unfortunately leaves no room for her true passion: music. Once Maggie's friends learn of her talent, they help her land a spot as the lead singer for Vanish, the band managed by her friend Amalia. As the relationship sizzles and fizzles, Maggie gets to know her bosses on a more intimate level than she'd like.
