F. E. Harris

Written in the Sand Rania Rashid,2021-02-25 Lost in a sea of cultural constraints, unrealistic expectations, and duty, Mila Malek does not have an identity of her own. As a Lebanese American woman, she must live the life her mother has chosen for her and conform to the rules of marrying a Muslim man. As a pharmacy student at Auburn University, Mila begins a journey of self-discovery on a road filled with twists, turns, and dead ends. There are detours along the way that force her to look deep inside herself. Is she capable of loving herself and others? Does she know what genuine love is? Will following her heart cause her mother's heart to break? During her journey, Mila encounters three men-Jason, David, and Omar-each of whom bring out a unique essence of herself. Which one can help uncover the real and untainted Mila Malek? Or have her cultural burdens distorted any real possibility of a happy future?

The Gujarat Carnage Asghar Ali Engineer,2003 This book is a compilation of articles, editorial, investigative reports, surveys, memoranda and other significant material on the Gujarat carnage. The final report of the Human Rights Commission (that took a direct interest for the first time, of its own accord, in communal violence) is included in it. Useful material and information will be found in it by future researchers, academics and lay readers. As the specific event of the grim year are blurred and glossed over by other issues and by time, it is important to have such a compilation that preserves the lessons learnt in one of the most horrifying and ominous periods in India's modern history.

The Changing Law Alfred Thompson Denning Baron Denning,1953 The book is not intended to be an exposition of legal propositions. It is only an attempt to draw a picture of the changes that are taking place. The reason for the title The Changing Law is because so many people think that the law is certain and that it can only be changed by Parliament. The truth is that the law is often uncertain and it is continually being changed, or perhaps I should say developed, by the judges. In theory the judges do not make law. They only expound it. But as no one knows what the law is until the judges expound it, it follows that they make it. The process of gradual change has been the very life of the common law. The legal profession has usually found itself divided into two camps, those who want to make a change and those who prefer things to stay as they are; and between the two, we have somehow usually found the happy mean. ... If the common law is to retain its place as the greatest system of law that the world has ever seen, it cannot stand still whilst everything else moves on. It must develop too. It must adapt itself to the new conditions. In these lectures, I have shown how this is being done. -- from the Preface, p. vii-viii.

Death of a Guru Rabindranath R. Maharaj,Dave Hunt,2004-01-22 Rabindranath R Maharaj was descended from a long line of Brahmin priests and trained as a Yogi. He meditated for many hours each day, but gradually disillusionment set in. In DEATH OF A GURU he describes vividly and honestly Hindu life and customs, tracing his difficult search for meaning and his struggle to choose between Hinduism and Christ. At a time when Eastern mysticism and religion fascinate many in the West, Maharaj offers fresh and important insights from the perspective of his own experience. DEATH OF A GURU has long been an excellent seller on HCB's backlist. It is the best-known Hindu to Christianity conversion story and has been used widely for evangelistic purposes. This edition carries an exciting new cover.
