One Degree of Change Larry Jackson, 2015-01-23 This book was written for the person who understands that there is so much more for them to accomplish but just can't seem to breakthrough. One of the traps in life is being satisfied with a 211 degree life. This is a very good life and many would characterize it as a successful life. But for the person who should be living at 212 degrees they feel like the oyster with sand in its shell, very agitated. Many times they can't put their finger on what is wrong or what is needed. Even the Christian living a good life before God can feel that something is missing. The thing missing is their purpose. They love the Lord and all that He provides but they realize there is more they should be doing for Him. If you feel like you are not walking in your purpose then this is the book for you! *One Degree of Change: How to Succeed Now!* will open your heart and mind to just how close you really are to accomplishing what the Lord has designed you for. It will provide much needed answers for your advancement. Because you are only one degree from the success you desire.

From Bombay to Bollywood Aswin Punathambekar, 2013-07-24 From Bombay to Bollywood analyzes the transformation of the national film industry in Bombay into a transnational and multi-media cultural enterprise, which has come to be known as Bollywood. Combining ethnographic, institutional, and textual analyses, Aswin Punathambekar explores how relations between state institutions, the Indian diaspora, circuits of capital, and new media technologies and industries have reconfigured the Bombay-based industry's geographic reach. Providing in-depth accounts of the workings of media companies and media professionals, Punathambekar has produced a timely analysis of how a media industry in the postcolonial world has come to claim the global as its scale of operations. Based on extensive field research in India and the U.S., this book offers empirically-rich and theoretically-informed analyses of how the imaginations and practices of industry professionals give shape to the media worlds we inhabit and engage with. Moving beyond a focus on a single medium, Punathambekar develops a comparative and integrated approach that examines four different but interrelated media industries--film, television, marketing, and digital media. Offering a path-breaking account of media convergence in a non-Western context, Punathambekar's transnational approach to understanding the formation of Bollywood is an innovative intervention into current debates on media industries, production cultures, and cultural globalization.

Married to Me Dayanara Torres, Jeannette Torres-Alvarez, 2008-06-03 Former Miss Universe Dayanara Torres shares her secrets for a happy, fulfilling life after divorce. After her divorce from superstar singer Marc Anthony, Dayanara Torres learned firsthand how to handle the challenges of starting over and creating a healthy environment for her two sons and herself. The most important lesson she learned is that the commitment a woman makes to herself is just as important as the commitment she makes to her spouse on their wedding day. Dayanara vowed to honor and respect herself, and in *Married to Me* she helps other women do the same. Dayanara walks women through the critical stages of redefining life after a marriage ends: accepting, rebuilding, and rediscovering happiness and the self. With compassion and encouragement, she offers honest advice, personal mantras, and insightful tips on family, lifestyle, beauty, and health—so that women can move beyond the

pain, set a new family dynamic, discover new passions, and build new relationships. Like Dayanara, readers will discover a life after divorce that is beyond their wildest dreams.

Hero Living Rudy Reyes,2024-05-23 An inspirational can-do book from the star of Channel 4's SAS: Who Dares Wins. In Hero Living Rudy Reyes introduces his philosophy to life - part Homer, part Bruce Lee and part Spider-Man. He outlines various stages towards revealing your inner hero: recognising the hero's call, following the hero's path and returning from life's battlefield with the hero's hard-earned wisdom. Rudy draws on his own heroic story of how he triumphed over harrowing childhood experiences of poverty and abandonment. Rather than giving up hope, he lived up to his full potential. First as a martial-arts champion, then as an elite warrior in the mountains of Afghanistan and on the sands of Iraq, and finally in his post-Marines life as a personal trainer, actor, motivational speaker and TV star. Find your inner hero through Rudy's tried and tested method.

Maddy's Song Margaret Dickson,1985 A novel that explores and lays bare some of the deepest secrets of the family.

The Essential Groucho Stefan Kanfer,2000-06-13 Groucho Marx may be the funniest man who ever lived. Here in one volume are the classics of Marxian mayhem: excerpts from the scripts of the immortal movies, passages from his books, his articles for magazines ranging from The New Yorker to the Saturday Evening Post, the choicest ad-libs and quips from his long-running game show, You Bet Your Life, and selected letters, including his classic correspondence with T. S. Eliot. It's all here-the finest and funniest work by this century's most influential comedian, that man of whom Woody Allen said, He is simply unique in the same way Picasso and Stravinsky are, and I believe his outrageous, unsentimental disregard for order will be equally funny a thousand years from now. In addition to all this, he makes me laugh. In the words of Groucho Marx: One morning I shot an elephant in my pajamas. How he go in my pajamas I don't know. Time flies like an arrow. Fruit flies like a banana. Outside of a dog, a book is man's best friend. Inside of a dog, it's too dark to read.

The Little Crooked Christmas Tree Michael Cutting,2007-10-01 Among the rows and rows of little trees growing on Brown's Christmas Tree Farm, there is one tree that is not like the others. This little spruce asks the same two questions of every creature he meets: What is Christmas? What is a Christmas tree? The little tree hears no response until one day he shelters a white dove from a storm. Through this friendship, the little tree learns the meaning of love, sacrifice and Christmas. Since its first publication in 1990, the book has become a Christmas favourite. The new edition features a sparkly foil cover, redesigned artwork and an extended page count. A must-have for the holidays!

You Will Not Come Again Bainbridge Crist,1918

Time and Literature Thomas M. Allen,2018-03-29 Time and Literature features twenty essays on topics from aesthetics and narratology to globalisation and queer temporalities, and showcases how time studies, often referred to as 'the temporal turn', cut across and illuminate research in every field of literature, as well as interdisciplinary approaches drawing upon history, philosophy, anthropology, and the natural sciences. Part one, Origins, addresses fundamental issues that can be traced back to the beginnings of literary criticism. Part two, Developments, shows how thinking about Time has been crucial to various interpretive revolutions that have impacted literary theory. Part three, Application, illustrates the centrality of temporal theorising to literary criticism in a variety of contemporary approaches, from ecocriticism and new materialisms to media and archive studies. The first anthology to provide a synthesis of recent scholarship on the temporality of literary language from across different national and historical periods, Time and Literature will appeal to academic researchers and interested laypersons alike.

Mixed Fancies Brenda Blethyn, 2011-05-26 Born in Ramsgate during the 1940s, Brenda Blethyn was the youngest of nine in a poor but close family. She left school to work as a secretary for British Rail, where she met her husband. But by the age of twenty-seven, the marriage was over. Brenda left her job and with the little she had saved, enrolled at Guildford Drama School. And so her life as an actress began. One of Britain's best-loved actresses, Brenda Blethyn has dazzled in a vast number of roles, including her performances as downtrodden Cynthia in Mike Leigh's *SECRETS AND LIES* and as the man-eating Mari Hoff in *LITTLE VOICE*, for which she received Oscar nominations. On stage, television and film she has worked with our greatest writers and directors -- Alan Bennett, Tom Stoppard, Sam Mendes, Peter Hall -- and actors -- including Michael Caine, Jude Law, Julie Walters, Brad Pitt, Ewan McGregor and John Hurt. Brenda is one of Britain's finest character actresses, famous for playing her roles with social realism and warmth, wit and humour -- characters her audience empathise with. She has the same warmth and humour off screen too; a wonderfully down-to-earth person with a fascinating history. Told with sparkling wit and engaging honesty, *MIXED FANCIES* is the compelling story of her journey from the Plains of Waterloo to the National Theatre and on to television, Hollywood and stardom.

A Story of Karma Michael Schauch, 2020-09-29 A deeply personal travel memoir that combines alpine adventure, family connections, and spiritual encounters in two very different worlds: a Himalayan village and Vancouver, Canada. In 2012, Michael Schauch and his wife, Chantal, undertook an expedition deep in the Himalaya of northern Nepal, into a remote valley that had been closed off to outsiders for decades. They led a team of artists (a photographer, a musician, and a painter), with the objective of capturing a moment in time through their unique lenses. As a mountaineering fanatic, Michael had a second (and less conspicuous) goal to climb an unknown mountain he had only identified through a photograph. What unfolded in the mountains forced him to question his values and his own identity, and eventually resulted in meeting a little girl, which was the most profound encounter of his life. Little did either know that from that moment they would completely change the trajectory of each other's life. *A Story of Karma* recounts this journey, and the years that follow as Karma (the little girl), and Michael and Chantal grow their lives together amidst the confusing dichotomies and backdrop of Karma's 17th-century Himalayan village; the impoverished and polluted Kathmandu; and the modern world of Vancouver, Canada.
