

Martin Beck

Maj Sjowall, Per Wahloo

The Martin Beck Series: Books 1-4 Maj Sjöwall,Per Wahloo,2012-10-11 Here, in one eBook volume, are the first four books in the hugely acclaimed Martin Beck series – novels that shaped the future of Scandinavian crime fiction and influenced writers from Stieg Larsson to Jo Nesbo, Henning Mankell to Lars Kepler.

The Man Who Went Up in Smoke Maj Sjöwall,Per Wahloo,2010-12-08 The masterful second novel in the Martin Beck series of mysteries by the internationally renowned crime writing duo, Maj Sjöwall and Per Wahlöö, finds Beck searching Budapest for a well-known Swedish journalist who has disappeared without a trace. With an introduction by Val McDermid: So many of the elements that have become integral...in the police procedural subgenre started life in these ten novels....Their plots are second to none. Inspector Martin Beck of the Stockholm Homicide Squad has his summer vacation abruptly terminated when the top brass at the foreign office pack him off to Budapest to search for Alf Matsson, a well-known Swedish journalist who has vanished. Beck investigates viperous Eastern European underworld figures and--at the risk of his life--stumbles upon the international racket in which Matsson was involved. With the coolly efficient local police on his side and a predatory nymphet on his tail, Beck pursues a case whose international implications grow with each new clue.

Cop Killer Maj Sjöwall,Per Wahloo,2010-12-08 The shocking ninth novel in the Martin Beck mystery series by Maj Sjöwall and Per Wahlöö finds Beck investigating parallel cases that have shocked a small rural community. In a country town, a woman is brutally murdered and left buried in a swamp. There are two main suspects: her closest neighbor and her ex-husband. Meanwhile, on a quiet suburban street a midnight shootout takes place between three cops and two teenage boys. Dead, one cop and one kid. Wounded, two cops. Escaped, one kid. Martin Beck and his partner Lenart Kollberg are called in to investigate. As Beck digs deeper into the murky waters of the young girl's murder, Kollberg scours the town for the teenager, and together they are forced to examine the changing face of crime.

The Terrorists Maj Sjöwall,Per Wahloo,2010-12-08 The final novel in the Martin Beck mystery series by Maj Sjöwall and Per Wahlöö is a masterful, all consuming tale that rushes toward a thrilling, unexpected climax. With a new introduction by Dennis Lehane: Tension so thick the reader could crack a tooth. An American senator is visiting Stockholm and Martin Beck must lead a team to protect him from an international gang of terrorists. However, in the midst of the fervor created by the diplomatic visit, a young, peace-loving woman is accused of robbing a bank. Beck is determined to prove her innocence, but gets trapped in the maze of police bureaucracy. To complicate matters a millionaire pornographer has been bludgeoned to death in his own bathtub. Filled with the twists and turns and the pulse pounding excitement that are the hallmarks of the Martin Beck novels, *The Terrorists* is the stunning conclusion to the incredible series that changed crime fiction forever.

The Locked Room Maj Sjöwall,Per Wahloo,2009-09-09 A woman robs a bank. A corpse is found shot through the heart in a room locked from within--no firearm in sight. To the eerily intuitive Inspector Martin Beck, these seemingly disparate cases are facets of the same puzzle, and solving it is of vital importance. Only by finding out what happened in the locked room can Beck--haunted by a near-fatal bullet wound and the demise of a soulless marriage--escape from an airtight prison of his own. From its classic premise, *The Locked Room* accelerates into an engrossing novel of the mind. Exploring the ramifications of egotism and intellect, luck and accident, and set against the backdrop of the inspired deductions and monstrous errors of Martin Beck and the Stockholm Homicide Squad, this tour de force of detection bears the unmistakable substance and gravity of real life. From the Trade Paperback edition.

The Abominable Man Maj Sjöwall,Per Wahloo,2010-11-03 The striking seventh novel in the Martin Beck mystery series by Maj Sjöwall and Per Wahlöö, finds Beck facing one of the greatest challenges in his professional career. The gruesome murder of a police captain in his hospital room reveals the unsavory history of a man who spent forty years practicing a horrible blend of strong-arm police work and sheer brutality. Martin Beck and his colleagues feverishly comb Stockholm for the murderer, a demented and deadly rifleman, who has plans for even more chaos. As the tension builds and a feeling of imminent danger grips Beck, his investigation unearths evidence of police corruption. That's when an even stronger sense of responsibility and something like shame urge him into taking a series of drastic steps, which lead to a shocking disaster.

Roseanna (The Martin Beck series, Book 1) Maj Sjöwall,Per Wahlöö,2009-04-10 Roseanna is the first book in the hugely acclaimed Martin Beck series: the novels that shaped the future of Scandinavian crime fiction and influenced writers from Stieg Larsson to Jo Nesbo, Henning Mankell to Lars Kepler.

The Man on the Balcony Maj Sjöwall,Per Wahloo,2009-02-10 In this chilling installment of "the first great series of police thrillers" (Michael Ondaatje, national bestselling author of *Warlight*) by an internationally renowned crime duo, superintendent Martin Beck investigates a string of child murders. In the once peaceful parks of Stockholm, a killer is stalking young girls and disposing their bodies. The city is on edge, and an undercurrent of fear has gripped its residents. Martin Beck, now a superintendent, has two possible witnesses: a silent, stone-cold mugger and a mute three year old boy. With the likelihood of another murder growing as each day passes, the police force work night and day. But their efforts have offered little insight into the methodology of the killer. Then a distant memory resurfaces in Beck's mind, and he may just have the break he needs.

Martin Beck Martin Beck,2015

The Fire Engine that Disappeared Maj Sjöwall,Per Wahloo,2010-12-08 The lightning-paced fifth novel in the Martin Beck mystery series by the internationally renowned crime writing duo, Maj Sjöwall and Per Wahlöö, finds Beck investigating one of the strangest, most violent, and unforgettable crimes of his career.The incendiary device that blew the roof off a Stockholm apartment not only interrupted the small, peaceful orgy underway inside, it nearly took the lives of the building's eleven occupants. And if one of Martin Beck's colleagues hadn't been on the scene, the explosion would have led to a major catastrophe because somehow a regulation fire-truck has vanished. Was it terrorism, suicide, or simply a gas leak? And what if, anything, did the explosion have to do with the peculiar death earlier that day of a 46-year-old bachelor whose cryptic suicide note consisted of only two words: Martin Beck?

Polemical Pulps J. Kenneth Van Dover,1993

The Laughing Policeman Maj Sjöwall,Per Wahlöö,1971 On a cold and rainy Stockholm night, nine bus riders are gunned down by an unknown assassin. The press, anxious for an explanation for the seemingly random crime, quickly dubs him a madman. But Superintendent Martin Beck of the Stockholm Homicide Squad suspects otherwise. This apparently motiveless killer has managed to target one of Beck's best detectives--and he, surely, would not have been riding that lethal bus without a reason, Beck retraces his steps and chases year-old clues to a crime long thought unsolvable.

MARTIN BECK. ,1988

Refactoring Martin Fowler,Kent Beck,1999 Refactoring is gaining momentum amongst the object oriented programming community. It can transform the internal dynamics of applications and has the capacity to transform bad code into good code. This book offers an introduction to refactoring.

The Terrorists (The Martin Beck series, Book 10) Maj Sjöwall,Per Wahlöö,2009-04-03 The final classic installment in the excellent Martin Beck detective series from the 1960s – the novels that have inspired all Scandinavian crime fiction.

The Man on the Balcony Maj Sjöwall,Per Wahloo,2011-01-19 The chilling third -- and breakthrough -- novel in the Martin Beck mystery series by the internationally renowned crime writing duo, finds Martin Beck investigating a string of child murders. With an introduction by Jo Nesbo: Sjöwall and Wahlöö have shoulders that can accomodate all of today's crime writers. And we are all there. In the once peaceful parks of Stockholm, a killer is stalking young girls and disposing their bodies. The city is on edge, and an undercurrent of fear has gripped its residents. Martin Beck, now a superintendent, has two possible witnesses: a silent, stone-cold mugger and a mute three year old boy. With the likelihood of another murder growing as each day passes, the police force work night and day. But their efforts have offered little insight into the methodology of the killer. Then a distant memory resurfaces in Beck's mind, and he may just have the break he needs.

Murder at the Savoy Maj Sjowall,Per Wahloo,2009-06-02 The shocking sixth novel in the Martin Beck mystery series by the internationally renowned crime writing duo by Maj Sjöwall and Per Wahlöö, finds Beck investigating a brutal assassination. With an introduction by Arne Dahl. When Viktor Palmgren, a powerful Swedish industrialist is shot during his after-dinner speech in the luxurious Hotel Savoy, it sends a shiver down the spine of the international money markets and terrifies the tiny town of Malmo. No one in the restaurant can identify the gunman, and local police are sheepishly baffled. That's when Beck takes over the scene and quickly picks through Palmgren's background. What he finds is a web of vice so despicable that it's hard for him to imagine who wouldn't want Palmgren dead, but that doesn't stop him and his team of dedicated detectives from tackling one of their most intriguing cases yet.

The Locked Room Maj Sjowall,Per Wahloo,2010-11-17 The stunning eighth installment in the Martin Beck mystery series by the renowned Swedish crime writing duo is a masterful take on a classic locked room mystery. With an introduction by Michael Connelly: One of the most authentic, gripping, and profound collections of police procedurals ever accomplished. A young blonde in sunglasses robs a bank and kills a hapless citizen. Across town, a corpse with a bullet shot through its heart is found in a locked room—with no gun at the scene. The crimes seem disparate, but to Martin Beck they are two pieces of the same puzzle, and solving it becomes the one way he can escape the pains of his failed marriage and the lingering effects of a near-fatal bullet wound. Exploring the ramifications of egotism and intellect, luck and accident, this tour de force of detection bears the unmistakable substance and gravity of real life.

Roseanna Maj Sjowall,Per Wahloo,2008-09-30 With a New Introduction by Henning Mankell. The masterful first novel in the Martin Beck series of mysteries by the internationally renowned crime writing duo Maj Sjöwall and Per Wahlöö (the best writers of police procedurals in the world), finds Beck hunting for the murderer of a lonely traveler. On a July afternoon, a young woman's body is dredged from Sweden's beautiful Lake Vattern. With no clues Beck begins an investigation not only to uncover a murderer but also to discover who the victim was. Three months later, all Beck knows is that her name was Roseanna and that she could have been strangled by any one of eighty-five people on a cruise. As the melancholic Beck narrows the list of suspects, he is drawn increasingly to the enigma of the victim, a free-spirited traveler with a penchant for casual sex, and to the psychopathology of a murderer with a distinctive--indeed, terrifying--sense of propriety.

The Laughing Policeman Maj Sjowall,Per Wahloo,2009-02-10 The incredible fourth novel in the Martin Beck mystery series by the internationally renowned crime writing duo Maj Sjöwall and Per Wahlöö, finds Martin Beck heading a major manhunt in pursuit of a mass-murderer. With a new introduction by Jonathan Franzen: I've read The Laughing Policeman six or eight times. Each time I reach the final twist on the final page, I shiver afresh. On a cold and rainy Stockholm night, nine bus riders are gunned down by a mysterious assassin. The press portrays it as a freak attack and dubs the killer a madman. But Superintendent Martin Beck thinks otherwise—one of his most ambitious young detectives was among those killed—and he suspects it was more than coincidence. Working on a hunch, Beck seeks out the girlfriend of the murdered detective, and with her help Beck reconstructs the steps that led to his murder. The police comb the country for the killer, only to find that this attack may be connected to a case that has been unsolved for years.

This Captivating World of Kindle Books: A Comprehensive Guide Revealing the Pros of E-book Books: A World of Ease and Versatility Kindle books, with their inherent mobility and simplicity of availability, have freed readers from the limitations of physical books. Gone are the days of carrying cumbersome novels or carefully searching for specific titles in shops. Martin Beck Introduction

In todays digital age, the availability of Martin Beck books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Martin Beck books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Martin Beck books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Martin Beck versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Martin Beck books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Martin Beck books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Martin Beck books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Martin Beck books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Martin Beck books and manuals for download and embark on your journey of knowledge?

FAQs About Martin Beck Books

- 1. Where can I buy Martin Beck books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
- 2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
- 3. How do I choose a Martin Beck book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
- 4. How do I take care of Martin Beck books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
- 5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
