Reimagining Systems Thinking in a Post-Pandemic World Azukas, M. Elizabeth,Kim, Minkyung,2023-07-03 The COVID-19 pandemic caused the largest systemic disruption in history. The pandemic was a complex phenomenon that impacted economic, political, and education systems. The pandemic had widespread business impacts, having forced many businesses to close, and the world is still impacted by the effects of supply chain disruptions. The pandemic also impacted political systems with disputes over mask mandates, lockdowns, and vaccine distribution. The COVID-19 pandemic further caused the most extensive education system disruption in history. The pandemic has highlighted the world's complex interdependent structures, and it will require a multidisciplinary systems thinking approach for post-pandemic recovery and future pandemic prevention. *Reimagining Systems Thinking in a Post-Pandemic World* examines the role of systems thinking in a post-pandemic world. It identifies effective models of systems thinking and systems design and generates continuous knowledge building on systems thinking by addressing a multitude of industries and service communities. This book provides value in understanding the complexities of an interconnected world and in the exploration of effective approaches to systems thinking and design. Covering topics such as blended learning, local governments, and systems thinking, this premier reference source is an excellent resource for practitioners, policymakers, healthcare providers, business leaders and managers, educators of both K-12 and higher education, pre-service teachers, administrators and faculty, teacher educators, sociologists, librarians, researchers, and academicians.

Double Cup Love Eddie Huang,2017-03-07 From the author of *Fresh Off the Boat*, now a hit ABC sitcom, comes a hilarious and fiercely original story of culture, family, love, and red-cooked pork Eddie Huang was finally happy. Sort of. He'd written a bestselling book and was the star of a TV show that took him to far-flung places around the globe. His New York City restaurant was humming, his OKCupid hand was strong, and he'd even hung fresh Ralph Lauren curtains to create the illusion of a bedroom in the tiny apartment he shared with his younger brother Evan, who ran their restaurant business. Then he fell in love—and everything fell apart. The business was creating tension within the family; his life as a media star took him away from his first passion—food; and the woman he loved—an All-American white girl—made him wonder: How Chinese am I? The only way to find out, he decided, was to reverse his parents' migration and head back to the motherland. On a quest to heal his family, reconnect with his culture, and figure

out whether he should marry his American girl, Eddie flew to China with his two brothers and a mission: to set up shop to see if his food stood up to Chinese palates—and to immerse himself in the culture to see if his life made sense in China. Naturally, nothing went according to plan. Double Cup Love takes readers from Williamsburg dive bars to the skies over Mongolia, from Michelin-starred restaurants in Shanghai to street-side soup peddlers in Chengdu. The book rockets off as a sharply observed, globe-trotting comic adventure that turns into an existential suspense story with high stakes. Eddie takes readers to the crossroads where he has to choose between his past and his future, between who he once was and who he might become. Double Cup Love is about how we search for love and meaning—in family and culture, in romance and marriage—but also how that search, with all its aching and overpowering complexity, can deliver us to our truest selves. Praise for Eddie Huang’s Double Cup Love “Double Cup Love invites the readers to journey through [Eddie Huang’s] love story, new friendships, brotherhood, a whole lot of eating and more. Huang’s honest recounting shouts and whispers on every page in all-caps dialogues and hilarious side-commentary. Huang pulls simple truths and humor out of his complex adventure to China. His forthright sharing of anecdotes is sincere and generates uncontrollable laughter. . . . His latest memoir affirms not only that the self-described “human panda” is an engaging storyteller but a great listener, especially in the language of food.”—Chicago Tribune “An elaborate story of love and self-discovery . . . Huang’s writing is wry and zippy; he regards the world with an understanding of its absurdities and injustices and with a willingness to be surprised.”—Jon Caramanica, The New York Times “Huang is determined to tease out the subtle and not-so-subtle ways in which Asian-Americans give up parts of themselves in order to move forward. . . . Fortunately for us, he’s not afraid to speak up about it.”—The New Yorker “Huang connects in Chengdu the same way he assimilated in America—through food, hip-hop and a never-ending authenticity, which readers experience through his hilarious writing voice and style.”—New York Daily News

Charlie Chan: The Untold Story of the Honorable Detective and His Rendezvous with American History Yunte Huang, 2010-08-30 Winner of the 2011 Edgar Award for Best Critical/Biographical Book and Shortlisted for the 2010 National Book Critics Circle Award in Biography: An ingenious and absorbing book...It will permanently change the way we tell this troubled yet gripping story. —Jonathan Spence Hailed as “irrepressibly spirited and entertaining” (Pico Iyer, Time) and “a fascinating cultural survey” (Paul Devlin, Daily Beast), this provocative first biography of Charlie Chan presents American history in a way that it has never been told before. Yunte Huang ingeniously traces Charlie Chan from his real beginnings as a bullwhip-wielding detective in territorial Hawaii to his reinvention as a literary sleuth and Hollywood film icon. Huang finally resurrects the “honorable detective” from the graveyard of detested postmodern symbols and reclaims him as the embodiment of America’s rich cultural diversity. The result is one of the most critically acclaimed books of the year and a “deeply personal . . . voyage into racial stereotyping and the humanizing force of story telling” (Donna Seaman, Los Angeles Times).
