The Devil In The Detail Paul Holden,Hennie van Vuuren,2011-11-02 The South African 'Arms Deal' was never a single event. Rather it was, and still is, a series of scandals and outrages, all contributing towards a dubious momentum that takes South Africa further away from transparent democratic practice. The Devil in the Detail, written by two of South Africa's leading researchers on the subject, takes the reader on a journey of insight. Witness at close hand the breaking open of State secrets, with tales of outrageous personal enrichment. Explore how the Arms Deal emerged out of the criminal networks of both the old SADF and the ANC's security apparatus, raising questions as to whether South Africa's remarkable transition was not oiled, at key points, by criminal intent and collusion. Follow the trail of the various offset deals done after the Arms Deal - cumulatively worth just as much as - and discover that corruption continues to impact on defence spending in South Africa. Examine the economics and witness how the Arms Deal was not only economically irrational, but virtually suicidal, almost single-handedly derailing the post-apartheid economic project. Finally, read about the rise of the 'shadow state', the politicisation of prosecutions, and the rise of the 'spooks'. The remarkable conclusion of this landmark study is

that years after the deal took place, the forces that drove its decisions have only grown in strength, further blighting South Africa's prospects for a future in which all may have a share.

Rise of the Redeemers Stacey Logan,2014-11-12 In a peaceful village that has no name, twins Kadean and Delyah have everything they could ever want at their fingertips; but a dark secret threatens to destroy it all. On their sixteenth bornday, a stranger appears from the East and his arrival heralds the beginning of change, casting a menacing shadow over the celebrations. Realizing they were raised in a tangled web of lies, the twins discover their parents' true identities; and their own. Forced to flee the only home they have ever known and thrust into a world where every dark corner conceals a threat, Kadean and Delyah quickly learn of the foe they face and taste the bitter sting of mortality. Caught up in a war that began decades ago, and haunted by the legacy of their birth, the twins' only chance for survival is to embrace their heritage as the Children of the Dragonbones and end the Rise of the Redeemers.

Breeder of Warriors Stacey Logan,2014-05-29 In Emmiel, a tranquil village in the heart of western Lanacoby, young Dorean is set to follow in his father's farming footsteps; but the words of a prophecy, spawned centuries ago, have committed his life to a much greater purpose. When a mysterious man arrives, unannounced and uninvited, in the winter before Dorean's eighth bornday, the peace of Emmiel is shattered and the village spirals into chaos. Torn from their parents, the village children are thrust into a savage world where the weak lose themselves to despair and only the powerful survive. A cloud of treason and murder looms over Dorean's head and he, along with seven others, seeks

to put an end to the madness. Beneath the shadow of uncertainty, the eight young warriors are forced to overcome their fears and find the strength to act - but the cost of failure is high. Swept up in a conflict that is not their own; they battle against the wrath of the Breeder of Warriors.

Dragonshold Stacey Logan,2190-09-15 Nestled between the branches of the Imogen River, Veah lives in hidden isolation, tormented by the tragedies of her past. Hunted by men who would have her pay for her crimes, Veah's peaceful seclusion is interrupted and she abandons her wooded sanctuary. Cautious and guarded, she is drawn back into the world she has fled to confront the dangers that await her. Evading capture and avoiding death, aided by a man who possesses a mysterious secret, Veah quickly learns that no matter how far she runs she will never escape her fate. Destined to play her part in a struggle that is entwined with her legacy, Veah embraces the words of a prophecy as she vows to protect the Dragonshold.
