**Throwing Rocks** Lindsey Acton,2020-11-04 Lindsey Acton was a first-year English teacher at a central Indiana high school when a troubled and obsessed student had school officials concerned that something very bad could happen at his hands. A large police presence at school thwarted a scare at the school, but when the student died later that night, the emotion and trauma was a lot to absorb for a 23-year-old teacher who was never trained to deal with such an emotional child. In *Throwing Rocks*," Lindsey takes you deep inside this teacher trauma, how it dragged her to her own lows and how it took a therapist and her homework assignments to bring this young teacher back to life. This book is a must-read for anyone in education, from teachers and administrators to parents and students as well. Teacher trauma is real, and is overlooked far too often.
