Doctrine James Wm. McClendon JR.,2011-07-01 Christian doctrine, McClendon tells us, is no laundry list of propositions to be believed, but is rather an essential practice of the church. Doctrines are those shared convictions which the church must teach and live out if it is to be the church. The author rejects the prevailing assumptions stemming from the rationalism of the Enlightenment, and redefines theology as a discipline within the context of particular religious beliefs and practices of concrete believing communities. McClendon ties the reading of Scripture to the community's understanding of itself and its own mission.

Beyond Personal Power Clarence E. McClendon,2003 Not simply an element of religion, faith is central to mankind's eternal quest. In this book, Dr. Clarence E. McClendon reveals the universal law and power of the God kind of faith: Faith equals conviction or persuasion plus corresponding action. Readers are admonished to find out how to apply this formula to every challenge in life.

Witness James Wm. McClendon JR.,2010-09-01 Ethics, the first volume of McClendon's Systematic Theology, explored the shape of life in the Christian community. Doctrine, the second volume, investigated the teaching necessary to sustain that life. Witness, the third and final volume of the work, considers the wider context in which that life

takes place. It asserts that the church's identity is established not only by how it lives and what it teaches but also by how it enters into conversation and connects with systems of thought and social structures outside itself. McClendon continues here his exploration of "the baptist vision," a tradition of the church's understanding of itself, its relation to Scripture, and its place in the larger society, which flows from the Radical Reformation of the 16th century. He employs that vision to engage in conversation with three principal partners: other theologies; current philosophy; and culture, including science and letters, the fine and performing arts, and politics—in short, what Scripture calls "the world."

Reflections Dr. Phillip McClendon, 2010-07-21 If you've been around as long as I have, you probably remember the songs of singer-songwriter Jim Croce. He grew up in South Philly, watching performances of Fats Domino and the Coasters on TV's American Bandstand. He looked like a tough guy, but everyone who knew him said he has a big, warm fun-loving heart. Jim Croce spent the first decade of his adult life toiling in a series of day jobs: teaching emotionally disturbed children, working in a hospital, driving trucks, operating a jackhammer at construction sites. At night, he would sing and play guitar in coffeehouses. He wasn't waiting for his big break— he was hustling for it. When he was twenty-nine, Jim Croce finally landed his first recording contract. His first album, *You Don't Mess Around With Jim*, was completed quickly, many of the songs being recorded in just one or two takes. Once the album was released, Croce's music, an acoustic blend of folk and rock, caught on fast. The first two singles released from that album quickly became number one hits on AM radio, and Jim Croce became a star. His long- delayed dream had finally come true. His first two hits were upbeat roack ballads. His record company decided to release a third song from the album—a soft plaintive song called *Time in a Bottle*. It was about how precious each moment of life is and how quickly those moments pass, never to come again. The song wistfully recounted the things Croce would do if only he could keep time in a bottle and pour out extra hours whenever he needed them. Before *Time in a Bottle* could be released, Jim Croce proved that the words of that song were truer than he realized. On September 20, 1973, after performing in a concert at Northwestern State University in Natchitoches, Louisiana, Croce boarded a small chartered plane along with a flight crew and members of his band. The heavily loaded plane clipped a tree as it took off. Like Croce's career, the plane had barely gotten off the ground before it crashed. Jim croce was dead at age thirty. We can't save time in a bottle, and we never know how much time we have left. We tend to think about the rest of our lives in terms of years and decades. The truth is the rest of our lives might be measured in hours or even minutes. So we need to make the most of each moment we have.

Recollections of War Times William Augustus McClendon, 1909 This book is a narrative of William A. McClendon's service with Company G, 15th Alabama Infantry in the Civil War. The 15th Alabama Infantry took part in many battles and skirmishes, including the 1st Battle of Cold Harbor, Malvern Hill, the 2nd Battle of Manassas, Chantilly, Harper's Ferry, Antietam, Fredricksburg, Gettysburg, Chicamauga, Brown's Ferry and Lookout Mountain, Knoxville, Bean's Station and was present at Lee's surrender at the Appomattox Court House. McClendon enlisted in the Confederate Army in July of 1861 and had attained the rank of 1st Lieutenant when he was paroled as a prisoner of the Army of Northern Virginia on April 10, 1865 and sent home.

Mourning Glory Imani McClendon, 2011-12-21 MOURNING GLORY Daddy is facing a grand jury on three counts of statutory rape against my sisters, Aunt Bea is having his baby and he is having a stroke. He has never been committed, but by all normal standards he ought been. I mean I swear he has got to be just a little bit insane. Annie Belle (my mom) probably dont know whether to pray for him or pull the plug. But, shes got her head stuck in

the bottle; and whats that they say the apple dont fall far from the tree? As much as I hated seeing her drink herself to death to numb the pain, Ive grown up self-medicating, and repeating the same mistakes, she made. She married Rupert, my daddy; I married Delbert, but the pain is the same. It only gets harder, the truth blacker and I I stop fighting and go to wasting away, feeding on drugs to keep the ugly away. Hell, what am I supposed to do? Cause good fruit dont come from bad seed no ways; thats what Aunt Trudy always said and Aunt Trudy is a woman of God. But Ill be %#** Aunt Trudy, cause dem words keep me feeling worthless, like a thorn bush in a garden of morning glories. Im slipping; crumbling fast, like an old newspaper full of yesterdays news. And if I dont get hold to myself, um gon be yesterdays news; lost in a lousy legacy of lethargic rejects longing for answers in a line of dope or a loaded syringe. COMMENTS FROM THE EDITOR I found it to be a very moving and in fact, a haunting story. There is both humor and love, so it is not unmitigated. It reminds me of Dorothy Allison's, *A Bastard Out of Carolina*, in some ways. It is not that the story or characters resemble hers, but it is similar in telling a story that may be hard for people to hear. So many will feel that this story needs to be told.

Ethics James Wm. McClendon JR., James William, Jr. McClendon, 2002-09-01 When it first appeared in 1986, James McClendon's *Ethics* laid claim to two compelling theological ideas: first, that a highly distinctive theological perspective characterizes the inheritors of the sixteenth century's radical reformation. At the heart of this perspective is what McClendon calls the baptist vision, a way of understanding the gospel that emphasizes the church's distinction from the world, and its continuity with the church of the New Testament. Second, that because of its emphasis on the centrality of discipleship, this radical reformation outlook insists that theology's first task is to discover and explore the shape of the church's common life as the body of Christ; hence McClendon's novel decision to begin the task of writing a systematic theology with a volume on ethics. Since its first publication, *Ethics* has been followed by *Doctrine* (1994), and *Witness* (2000). The completion of the overall work has brought into sharper focus many of the theological and ethical issues and concerns central to the baptist tradition. In this revised edition of *Ethics*, McClendon infuses his claim for the priority of ethics within the theological task with a new urgency, born of the fuller, more complete definition of the baptist vision that *Doctrine* and *Witness* have made possible. *Ethics* is central, he reminds us, because biblical faith rests on a set of distinctive practices that arise from our placement within a larger Christian story. In his revisions McClendon offers a more complete explanation of how the interaction of faithful practices and gospel story give rise to a way of life that is distinctively Christian.

Sweet and Lowdown Lise McClendon, 2002-07-05 Fresh on the success of *One O'Clock Jump*, McClendon serves up another slice of historical noir--the second in the World War II-era Kansas City mysteries featuring female private eye Dorie Lennox.

Making Gospel Sense To A Troubled Church James Wm. McClendon, 2004-12-17 Making Gospel Sense is theologian James Wm. McClendon, Jr.'s riveting story of his experiences as an interim pastor in a floundering congregation. Through twenty-six prophetic sermons, each introduced by interpretive commentary, McClendon describes his call to the church, the struggle between disparate personalities, the difficulties and rewards of moving from classroom to sanctuary, and the evolution of his congregation from seemingly hopeless decline to spirited recovery. Here is a microcosm of today's church - a tale of anxiety, dissension, self-discovery, and renewal. Essential reading for pastors, seminarians, and all those who care about the church, 'Making Gospel Sense' is at once a challenging and inspiring pilgrimage to the true meaning of ministry.

Give Him the Ooh-la-la Lise McClendon, SOMETHING FOR EVERYONE--FESTIVITIES, FUN, FOOD, AND FRAUD! It's Bridget

Jones does Christmas in Manhattan--plus a dash of international espionage--in this romantic cozy mystery that mixes sisterly love with a world famous drag queen, a shameful family past, and an irresistible French investigator. Christmas in the Big Apple promises to be especially festive, as all five Bennett sisters are in town for a very special occasion: Annie, the oldest Bennett, is engaged at the tender age of fifty-five to a charming Scottish man who's crazy about her. But while Bohemian Annie is securely and happily in love with a devoted fiancé, Merle-in-the-middle is navigating the roller coaster of her own love life: Pascal, her one-time French summer fling, has unexpectedly flown to New York for the holidays--and now she's waiting for him in the bustling lobby of the New York City Hilton Hotel, the very same venue as her family's engagement festivities. Pascal says he's come to see Merle (and her son, Tristan), and he's staying in town through the New Year--but why? A relationship ultimatum? Or is there something more mysterious in the works? Because Pascal is a very mysterious dude. On the walk back from engagement cocktails at a romantic bistro, Pascal asks Merle, Annie, and her fiancé to accompany him to a little-known club where he promised his brother he'd look up a friend of his. Intrigued, Merle and company follow him to the village, where they're treated to ... a drag revue. Turns out the "friend" is a drag queen, a Marilyn Monroe look-alike who goes by the name Bosom Drearie. But later, Francie, the next-to-youngest Bennett sister, says she's seen Bosom Drearie before --and she looked different from her sisters' description--plus, Francie'd heard the performer got fired and had to reinvent herself. That gets the sisters' sleuth-sense up: Could it be the Bosom Drearie Pascal was searching for is an imposter? Perhaps a wanted one? The truth starts to come out when Pascal admits to Merle that Bosom Drearie is a person of interest to the French Police Nationale--and Merle begins to question his intentions. Is he in New York solely on police business? But it may not be so simple--her own family may be involved. She learns the French police are reopening the investigation into a defunct wine business once owned by her late husband's father--50 years after a questionable deal--and can't help but worry her family's shameful past is tied to her romantic interest... A romantic interest she can't seem to resist... Festivities, fun, food, and fraud--not to mention mystery and romance--abound in this delicious holiday installment of the Bennett sisters' cozy adventures.

The Collected Works of James Wm. McClendon, Jr James Wm McClendon (Jr.), 2014 James Wm. McClendon, Jr. was the

most important baptist theologian of the twentieth century. McClendon crafted a systematic theology that refused to succumb to the pressures of individualism, grew out of the immediacy of preaching the text, and lamented the stunted public witness of a fractured Protestant ecclesiology. This two-volume set mixes previously unpublished and published lectures and essays with rare and little known works to form a representative collection of the essential themes of McClendon's work. The first volume focuses on the philosophical and theological shifts leading to McClendon's articulation of the baptist vision. The second volume specifically elucidates the more philosophical themes that informed McClendon's work, including ways in which these themes had immediate theological import. Taken together, the set provides the most comprehensive presentation of McClendon's work now available, revealing the sustained and systematic character of his vision over the course of his life. These two volumes will provide scholars, preachers, and students with McClendon's radical, narrative, and connective theology.

Blackbird Fly Lise McClendon, 2023-01-02 Book 1 of 18: Bennett Sisters Mysteries * An Enchanting Series! Such a delightful read. Fell in love with the characters, especially Merle and Pascal! Ms. McClendon has the exceptional ability to perform the magic of transporting this reader, and I'm sure others, to a place both familiar and foreign, but known deep down in one's psyche. I'm so very glad to have discovered the magic. Winsome and a bit addictive Had no idea what to expect when began this first series but became quite caught up in it all. The characters and mystery, the enchanting descriptions and personal struggles drew me into feeling as if these people are my friends. * Excellent author and story teller--Found her stories hard to put down. They were so human, suspenseful and darn good. The sisters become your sisters and their experience become yours. The authors description of person places and circumstances are so real you feel them. A great author. Delightful Sisters and Adventures --This is one of the most delightful series I have ever read... filled with adventure and excitement. Romance, joy of living and dead bodies accompany their adventures! You will be amused and mesmerized by this delightful series! * Highly recommended-- One of the best of the 50 or so books I've read during the pandemic stay at home. When Merle Bennett's husband suddenly dies, she is left adrift to deal with parenting their son, dealing with a mess of finances, and some of his sordid secrets. She decides to chuck it all for the moment and go to France, where he's left her a rundown cottage in the Dordogne. Once Merle gets there, she finds...well, France! An unexpected romance! Mystery galore! Murder! And not just murder, but the unnerving experience of being a suspect. Once her passport is confiscated, what can she do but stay and restore her ancient battered house? While enjoying the tender attention of the unusually well-educated, handsome and...yes, quite mysterious roofer she's hired. Particularly recommended for those who love France, whether you visit in reality or virtually, enjoying a glass of wine, this journey of self-discovery, and the power of sisterhood. Mystery lovers, chick lit fans, and cozy fanatics will all find it très chouette-- more prosaically, simply awesome. Not to mention formidable!
