Options as a Strategic Investment Lawrence G. McMillan,2002 A best-selling guide giving serious investors hundreds of market-tested strategies, to maximise the earnings potential of their portfolio while reducing risk.

Study Guide and Workbook, an Interactive Approach for Starr and McMillan's Human Biology, Third Edition Jane B. Taylor,John D. Jackson,1999 Asks the student to write all answers in this study guide/workbook. This workbook is interactive because it requires students to do things instead of just read more material. All questions are arranged by chapter modules so students may skip unassigned material. Each module in the study guide refers to the page numbers of the corresponding module in the text. There is a wide variety of questions: multiple-choice questions; tables to be filled in; art to be labeled; true/false questions requiring students to write the correct answer if the statement is false; thought-provoking conceptual questions; boldfaced terms requiring a written definition; list of objectives in fill-in-the-blank format; and other types of questions.

Better Than Average Goals Jonathan Mcmillan,2015-10-25 I can honestly say, and to many people's surprise, that going to prison was one of the best things to happen to me. While separated from any opportunity to be productive or any possibility to contribute to my family, I began to really understand the cliché Failing to plan is planning to fail. I finally realized that the absence of any goals or direction or ambition in my life was what directly lead to me landing squarely on the shore of the Island of Failure. It was after this epiphany that I began to study respected names in personal development and success skills, like Napoleon Hill, Jim Rohn, Brian Tracy, Zig Ziglar, Les Brown, Tony Robbins and many more. I applied their lessons and saw immediate and long-lasting changes in my life, including never returning to prison despite the high recidivism rate that plagues our country. In order to live a better than average life, it is important that you continually set significant goals. It is important that you continually set Better Than Average goals. This book provides tried and true information why you should set goals and different tested and proven techniques how to set really effective goals. If you really want to become a better than average person who creates and lives a better than average life you will read, study and apply the lessons laid out in these pages.
