Theory and Practice of Polish Language Teaching Przemysław E. Gębał,Iwona Janowska,2024-04-15 The aim of the volume is to focus on research interests that are rarely presented in the literature on the subject and that arise from the currently perceived needs of the developing didactics of Polish as a foreign language. The research results presented in the contributions provide a new look at the process of acquiring and/or teaching/learning Polish from the following aspects: the peculiarities of Ukrainian speakers learning Polish; problems of acquiring Polish by students from Japan, China, France and Lebanon, methods of developing language skills and activities, and specific phenomena in teaching Polish as a business language. Qualitative, quantitative, and mixed analyses, as well as experimental corpora, allow the results described to be considered important for the developing discipline.

A Terrible Fall of Angels Laurell K. Hamilton,2022-06-28 Angels walk among us, but so do other unearthly beings in this brand new series by #1 New York Times bestselling author Laurell K. Hamilton. Meet Detective Zaniel Havelock, a man with the special ability to communicate directly with angels. A former trained Angel speaker, he devoted his life to serving both the celestial beings and his fellow humans with his gift, but a terrible betrayal compelled him to leave that life behind. Now he's a cop who is still working on the side of angels. But where there are angels, there are also demons. There's no question that there's evil at work when he's called in to examine the murder scene of a college student--but is it just the evil that one human being can do to another, or is it something more? When demonic possession is a possibility, even angelic protection can only go so far. The race is on to stop a killer before he finds his next victim, as Zaniel is forced to confront his own very personal demons, and the past he never truly left behind. The first in a new series from the author of the Anita Blake and

Merry Gentry series.
