**Canadian Who's Who 2008** Elizabeth Lumley,2008-01-05 Now in its ninety-eighth year of publication, this standard Canadian reference source contains the most comprehensive and authoritative biographical information on notable living Canadians. Those listed are carefully selected because of the positions they hold in Canadian society, or because of the contribution they have made to life in Canada. The volume is updated annually to ensure accuracy, and 600 new entries are added each year to keep current with developing trends and issues in Canadian society. Included are outstanding Canadians from all walks of life: politics, media, academia, business, sports and the arts, from every area of human activity. Each entry details birth date and place, education, family, career history, memberships, creative works, honours and awards, and full addresses. Indispensable to researchers, students, media, business, government and schools, Canadian Who's Who is an invaluable source of general knowledge. The complete text of Canadian Who's Who is also available on CD-ROM, in a comprehensively indexed and fully searchable format. Search 'astronaut' or 'entrepreneur of the year,' 'aboriginal achievement award' and 'Order of Canada' and discover a wealth of information. Fast, easy and more accessible than ever, the Canadian Who's Who on CD-ROM is an essential addition to your electronic library.

The SAGE International Encyclopedia of Mass Media and Society Debra L. Merskin,2019-11-12 The reference will discuss mass media around the world in their varied forms—newspapers, magazines, radio, television, film, books, music, websites, and social media—and will describe the role of each in both mirroring and shaping society.

**The Impact of Publicity on Corporate Offenders** Brent Fisse,John Braithwaite,1984-06-30 Uncertainty surrounds the use of publicity as a means of controlling corporate crime. On the one hand, some agree with Justice Brandeis's dictum that light is the best of disinfectants...the most efficient policeman. On the other hand, many believe that corporations' internal affairs are effectively shrouded with a thick fog that prevents the light of public scrutiny from reaching them. The Impact of Publicity on Corporate Offenders is the first study to go beyond the rhetoric, through an examination of corporate experience. Fisse and Braithwaite have carried out a qualitative inquiry concerning 17 large corporations involved in publicity crises. Based mainly on interviews, the inquiry includes company employees and former employees, union officials, officers of government regulatory agencies, competitors, independent accountants, government prosecutors, public interest activists, judicial officers, stockbrokers, and other experts.

Handbook on Digital Corporate Communication Vilma Luoma-aho,Mark Badham,2023-05-09 This comprehensive Handbook offers an extensive overview of current knowledge of corporate communication from a digital perspective. It provides a state-of-the-art view of the ubiquitous impact, both positive and negative, of digital technologies and digitalisation processes on corporate communication.

*Challenges of Party-Building in Latin America* Steven Levitsky,James Loxton,Brandon Van Dyck,Jorge I. Domínguez,2016-10-13 This book presents a new and conflict-centered theory of successful party-building, drawing on diverse cases from across Latin America.

**DIRECTORY OF CORPORATE COUNSEL.** ,2023

*Corporations Are People Too* Kent Greenfield,2018-10-23 Why we're better off treating corporations as people under the law—and making them behave like citizens Are corporations people? The U.S. Supreme Court launched a heated debate when it ruled in Citizens United that corporations can claim the same free speech rights as humans. Should corporations be able to claim rights of free speech, religious conscience, and due process? Kent Greenfield provides an answer: Sometimes. With an analysis sure to challenge the assumptions of both progressives and conservatives, Greenfield explores corporations' claims to constitutional rights and the foundational conflicts about their obligations in society. He argues that a blanket opposition to corporate personhood is misguided, since it is consistent with both the purpose of corporations and the Constitution itself that corporations can claim rights at least some of the time. The problem with Citizens United is not that corporations have a right to speak, but for whom they speak. The solution is not to end corporate personhood but to require corporations to act more like citizens.

**Principles of Contemporary Corporate Governance** Jean Jacques du Plessis,Anil Hargovan,Jason Harris,2018-02-02 Now in its fourth edition, Principles of Contemporary Corporate Governance offers comprehensive coverage of the key topics and emerging themes in private sector corporate governance. It explains both the principles of corporate governance systems and their real-world application in an authoritative and engaging manner. This fully revised and updated text has four parts: basic concepts, board structures and company officers; corporate governance in Australia; corporate governance in international and global contexts; and shareholder activism and business ethics. The coverage of international contexts includes sections on the US, the UK, Canada, South Africa, the EU, the OECD, Germany, Japan, China and Indonesia, plus new sections on New Zealand and India. A new chapter on business ethics and corporate governance presents contemporary discussions on the topic and explores some of the broader legal issues. Principles of Contemporary Corporate Governance is an indispensable resource for business and law students, academic researchers and practitioners

Corporate Finance Pierre Vernimmen,Pascal Quiry,Maurizio Dallocchio,Yann Le Fur,Antonio Salvi,2014-10-09 Merging theory and practice into a comprehensive, highly-anticipated text Corporate Finance continues its legacy as one of the most popular financial textbooks, with well-established content from a diverse and highly respected author team. Unique in its features, this valuable text blends theory and practice with a direct, succinct style and commonsense presentation. Readers will be introduced to concepts in a situational framework, followed by a detailed discussion of techniques and tools. This latest edition includes new information on venture finance and debt structuring, and has been updated throughout with the most recent statistical tables. The companion website provides statistics, graphs, charts, articles, computer models, and classroom tools, and the free monthly newsletter keeps readers up to date on the latest happenings in the field. The authors have generously made themselves available for questions, promising an answer in seventy-two hours. Emphasizing how key concepts relate to real-world situations is what makes Corporate Finance a valuable reference with real relevance to the professional and student alike. Readers will gain insight into the methods and tools that shape the industry, allowing them to: Analyze investments with regard to hurdle rates, cash flows, side costs, and more Delve into the financing process and learn the tools and techniques of valuation Understand cash dividends and buybacks, spinoffs, and divestitures Explore the link between valuation and corporate finance As the global economy begins to recover, access to the most current information and statistics will be required. To remain relevant in the evolving financial environment, practitioners will need a deep understanding of the mechanisms at work. Corporate

Finance provides the expert guidance and detailed explanations for those requiring a strong foundational knowledge, as well as more advanced corporate finance professionals.

**Directory of Corporate Counsel, 2024 Edition ,**  
*Corporations and Cultural Industries* Scott W. Fitzgerald,2012 Corporations and Cultural Industries: Time Warner, Bertelsmann, and News Corporation, by Scott Warren Fitzgerald, provides an introduction to the political economy of international media corporations. This text fills a fundamental gap in the critical media studies field, expanding on the relative paucity of academic studies. To ground the discussion, Fitzgerald focuses on the growth of three specific media conglomerates: Time Warner, Bertelsmann and News Corporation. Adopting an approach rooted in critical political economy, the book explains the corporations' growth through an engagement with broader social theories: the wider conditions of capital accumulation (especially theories of corporate competition and financialization); issues of institutional logic and corporate strategies; and the role of states as regulators, mediators of opposed interests, and facilitators of corporate expansion. The first section presents debates in social theory, addressing issues that pertain to cultural industries and dimensions in which they both challenge and extend these wider social theories. The second section presents detailed case studies of the three contemporary media 'mega companies' across the range of operations they coordinate, both within and outside the cultural industries. By analyzing the specifics and complexities of different media industries, Corporations and Cultural Industries examines how financialization processes re-gear the internal operations of media corporations in a manner that pits one sector against another. This book provides an in-depth study that can be used as stand-alone teaching resources or as a valuable supplement to a variety of media courses.

**The SAGE Handbook of International Corporate and Public Affairs** Phil Harris,Craig S Fleisher,2016-06-30 The new edition of this book includes increased international coverage of the field, and a strong focus on emerging trends, as well as providing a comprehensive overview of the foundations and key aspects of the discipline.

	<ul style="list-style-type: none"><li>◦ Following Authors and Publishers Media5 Corporation</li></ul>	textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Media5 Corporation has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Media5 Corporation. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Media5 Corporation. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Media5 Corporation, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their
