

Mercedes AMG GmbH

James Taylor

Mercedes-Benz SLS AMG Nicole Hille-Priebe,Markus Bolsinger,2010-01

Mercedes-AMG GT Markus Bolsinger,Marco Brinkmann,2015 The Mercedes-AMG GT is not just any AMG. As the Porsche 911 competitor and successor of the famous gullwing SLS it is going to be the brand's new showpiece. This heavily-illustrated book conveys the driving experience and beauty of the Mercedes AMG GT. Like the car, the book has to be the brand's showpiece. Therefore it covers all the milestones of AMG history that belong to the brand's heritage - right up to the GT. The AMG GT was officially presented in early October 2014 at the Paris Motor Show. Text in English and German. 103 colour

Mercedes-Benz S-Class 1972-2013 James Taylor,2013-12-15 Ever since their introduction in 1972, the S-Class saloons from Mercedes-Benz have been considered the pinnacle of automotive excellence. For most of that time, ownership of an S-Class - at least, of a reasonably recent one - has been symbolic of material success and of restrained yet impeccable good taste. Several other car makers have nibbled at the edges of the S-Class market, but none has produced a viable and lasting alternative to the big Benz. Mercedes-Benz S-Class 1972-2013 charts the evolution and success of the series, from the W116 model, the first to be designed from the ground up as a large luxury saloon, through to the C126 coupe, one of the all-time Mercedes-Benz classic designs.Topics covered include: development and production of the W126 saloons and classic W126 coupes; the W140 saloons in the 1990s; the 140 coupes, the W220 models and the elegant 215 coupes; the W221 models, introduced at the Frankfurt International Motor Show in 2005; the C216 coupes and the future of Mercedes-Benz S-Class. Superbly illustrated with 288 colour photographs.

Mercedes-Benz Brian Long,2013-03-18 It's hard to believe, but the W129-series Mercedes-Benz SL was launched over 20 years ago. However, its timeless styling has kept it fresh and attractive in the eyes of a new generation of enthusiasts, as well as those returning to the car having owned one when they were still in the dealerships. A combination of superb original design and peerless engineering and build quality adds to the desirability of this series of classic German machines, and has ensured that many of these cars can still be seen in regular use today. Covering the SL's ever-changing specification, and its presence in many of the world's major markets is a huge task, but it's all presented here in definitive detail, along with stunning contemporary photography, in a volume that will readily grace any reference library shelf or connoisseur's coffee table. Two earlier books, also published by Veloce, and covering the W113 cars and the 107-series SL and SLC, act as perfect companions to this title, which takes the SL story up to 1989.

Mercedes-Benz SL Brian Long,2015-02-01 Beginning with a look at the SL model's heritage, this book describes the full development and production history of a modern classic. Covering available models in all the major markets, year-by-year, and including limited editions, the data is supported by contemporary illustrations, sourced from the factory, plus in-depth appendices.

Mercedes AMG Gold Portfolio 1983-1999 ,2007-05-01 AMG of Germany have been successfully applying their magic to cars and engines since the 60s and the company's name also continued to become more widely known. In 1988 AMG teamed with Daimler-Benz for its motor racing comeback in the German Touring Car Championship. It was a relationship that would continue to strengthen through the years, culminating in the merger of the two companies in 1999. The partnership with Mercedes-Benz has produced some exciting road cars plus the CLK-GTR built for the road and the track.

Mercedes-Benz W124 James Taylor,2015-05-31 Designed by Mercedes's head of design Bruno Sacco, the W124 range immediately became the benchmark by which medium-sized car models were judged in the late 1980s due to its engineering excellence and high build quality. There was a model to suit every would-be-buyer, from the taxi driver through the family motorist and on to those who were willing and able to pay for luxury and performance. This book covers: design, development and manufacture of all models of W124 including estates, cabriolets and the stylish coupe range; engines and performance; special editions and AMG models and, finally, buying and owning a W124 today. Superbly illustrated with 264 colour photographs.

Mercedes-Benz SLK Brian Long,2015-10-09 This book reveals the full history of the second generation Mercedes-Benz SLK, covering in detail the German, US, UK, Australian and Japanese markets. The perfect book to grace a Mercedes-Benz enthusiasts' library shelf, it's the definitive record of the model illustrated with stunning photographs.

The Ultimate History of Mercedes-Benz Parragon Book Service Limited,Trevor Legate,Philip De Ste. Croix,2010-09

Mercedes-Benz G-Wagen Brian Long,2016-06-01 Revealing the definitive history of the entire Mercedes-Benz G-Wagen series. Including SWB and LWB cars, station wagons, vans and convertibles, and with an overview of all the models sold in each of the world's major markets, this book is packed full of information and contemporary illustrations sourced directly from the Stuttgart factory.

Mercedes AMG Ultimate Portfolio 2000-2006 ,2007-11-15 Following on from the merger between AMG and DaimlerChrysler in 1999, things really began to happen for AMG Mercedes-Benz enthusiasts. The special touch of the AMG engineers was being seen on every model in the entire vast Mercedes-Benz model range, from the prosaic C-Class through to the S-Class and the SLK sports cars, as well as the ML and G-Class off-roader wagons. Not to be left out was the exotic Mercedes-Benz SLR McLaren with its supercharged 5.5 litre quad-cam V8 engine that was fettled by the AMG people. Included are road and comparison tests, model releases, technical and performance data, plus advice on buying a Mercedes-Benz AMG. Models covered include the C30, 32 & 55, CLK430, 55, TDM & GTR, CL55 & 65, CLS55, E55, G55, ML55, S55 & 65, SL55 & 65, SLK32 & 55 Plus SLR McLaren.

Torque ,2007-09 Singapore's best homegrown car magazine, with an editorial dream team driving it. We fuel the need for speed!

Mercedes-Benz Saloon Coupe Nik Greene,2021-09-27 First produced in 1928, Mercedes-Benz Coupés became the embodiment of elegance and exclusivity on four wheels. Their design became an experience for all the senses, appealing to every emotion. Hans-Dieter Futschik, the designer responsible for many of the later Mercedes-Benz models, said of the Saloon Coupé: 'A shorter wheelbase compared with the saloons gives it different proportions that are almost sports car-like in character. The passenger compartment is set further back. This gives it a sportier look than a saloon. In addition, the greenhouse is smaller and more streamlined than the basic body. It looks like a small head set on a muscular body, exuding a powerful and more dynamic attitude... Everything radiates power, elegance and agility.' This complete guide includes an overview of early automotive history; pre-merger design from both Benz and Daimler; the historical protagonists and how they influenced the design; how design and fashion change vehicle shape; the continued development of Saloon Coupe design to suit every class and finally, the modern idea of the Coupe.

Mercedes-Benz SLS AMG Edwin Baaske,2011

AMG 45 Clauspeter Becker,Bolsinger,Clauss,Muhling,Hans Schilder,Achim Peitzmeier,2013 To want the impossible is typical for AMG. In this respect it comes as no surprise that they set the bar very high once again in Affalterbach when they resolved to create a print retrospective in which all AMG models ever made would find a place. The occasion for the mammoth endeavour was the 45th anniversary of the brand in June 2012. AMG: The Story - The Cars chronicle comprises no fewer than 474 pages and provides all the essential information on exactly 117 AMG models: the technical specifications, the driving experience, the visuals. Hans-Werner Aufrecht and Erhard Melcher have opened their private archives for this detailed and affectionate story of the company they co-founded and have helped to shape this work. The AMG Media Archive conducted months of painstaking research, the team of authors subsequently arranged their results in an insightful way, and the photo editors selected the most outstanding images - some previously unpublished. SELLING POINTS: *An overview of the highly successful performance brand of Mercedes-Benz, the AMG *Encapsulates every AMG series production model ever made *Published for AMG's 45th anniversary 178 colour illustrations

Motorsport Going Global N. Henry,T. Angus,M. Jenkins,C. Aylett,2007-07-31 This book provides the definitive economic study of the global motorsport industry. Drawing on a decade of research, and interviews

with top industry executives and international commentators, the global grid of motorsport is analyzed and the world's national motorsport industries benchmarked. Motorsport Going Global concludes on scenarios for the global industry as it enters a new era of market growth and global opportunity.

Three Hundred Club - Cars With a Top Speed Exceeding 300 KM/H: Volume 1 - World's Fastest Production Cars ,
Mercedes-Benz Richard M. Langworth,1984

Silver Arrows Andrew Noakes,2022-03-21 Lewis Hamilton's record-breaking achievements in F1 are the latest successes in a glorious motor sport record for Mercedes and Benz that stretches back to the very first races in the 1890s. For the first time, this book tells the story of Mercedes in motor sport from the very beginning, with those pioneers of the 19th century, right through to today's hybrid F1 cars. It covers the triumphs and disasters, from the early Grand Prix machines and the extraordinarily advanced and massively powerful racers of the 1930s to the highs of F1, Le Mans and Mille Miglia glory and the sorrow of the 1955 Le Mans disaster. The story is brought right up to date, tracing Mercedes victories in sports car racing, Indycar, F1 and Formula E – and this book celebrates the achievements of some of the world's greatest drivers, from Caracciola, Fangio and Moss to Hakkinen, Unser and Hamilton.

The Mercedes-Benz Story Louis William Steinwedel,1979

This is likewise one of the factors by obtaining the soft documents of this **Mercedes AMG GmbH** by online.
