Uppity Bill White,2011-04-01 There are very few major personalities in the world of sports who have so much to say about our National Pastime.

And even fewer who are as well respected as Bill White. Bill White, who's now in his mid 70s, was an All-Star first baseman for many years with the New York Giants, St.Louis Cardinals and Philadelphia Phillies before launching a stellar broadcasting career with the New York Yankees for 18 years. He left the broadcast booth to become the President of the National League for five years. A true pioneer as an African-American athlete, sportscaster, and top baseball executive, White has written his long-awaited autobiography in which he will be candid, open, and as always, most forthcoming about his life in baseball. Along the way, White shares never-before-told stories about his long working relationship with Phil Rizzutto, insights on George Steinbrenner, Barry Bonds, Reggie Jackson, Thurman Munson, Bob Gibson, Bart Giamatti, Fay Vincent, and scores of other top baseball names and Hall of Famers. Best of all, White built his career on being outspoken, and the years fortunately have not mellowed him. Uppity is a baseball memoir that baseball fans everywhere will be buzzing about.

Trace Their Shadows Ann Cook,2001-11-07 Rumors of a ghost lure beginning reporter Brandy O'Bannon to a mansion on an isolated Florida lake and into an investigation that leads to a forty-five year old skeleton, a concealed murder, and an unexpected romance. As Brandy searches for answers, she questions eccentric suspects and tries to help an intriguing young architect save the century-old home from developers. Hidden emotions boil to the surface when she unravels events at the house during a fatal, long-ago celebration. As she closes in on the truth, she becomes a target for the killer. After escaping threats and attacks with the help of the conflicted architect, who opposes her investigation, and her golden retriever, she devises a daring plan to trap the murderer. It almost costs Brandy her life, but her scheme solves the mysteries of both murder and ghost by exposing the secret of the house.

**Homosassa Shadows** Ann Cook,2005-02 The death of treasure hunter Timothy Hart draws the attention of journalist Brandy O'Bannon--as well as others who are more interested in what Hart may have found than how he died.

*Shadow Over Cedar Key* Ann Turner Cook,2003-05 Florida reporter Brandy O'Bannon is intrigued by a classified ad that asks an unidentified woman, who has been missing for twenty years, to come forward. The young mother and her two-year old daughter disappeared as Hurricane Agnes swept into the historic Gulf coast village of Cedar Key, although no fatalities were reported. When Brandy learns that a woman's skeleton was found a year later in the basement of one of the state's oldest and Cedar Key's most charming hotel, she begins a search for answers. The grisly fate of the

private detective who placed the ad is soon discovered by Brandy's golden retriever. While trying to resolve both mysteries, Brandy ferrets out a new friend's true identity and guides her to self-knowledge. In the process, Brandy becomes the victim of attack, kidnapping, and hurricane. She outwits both nature and assailants, helps solve two brutal murders--and gets her front page story.
