A Matter of Trust Lis W. Wiehl, 2013 When she investigates the death of her best friend and coworker, Colleen, and its connections to the murder of another Seattle prosecutor four years

earlier, Mia Quinn finds that many people could have wanted Colleen dead.

A Deadly Business Lis Wiehl, 2014-06-17 A prosecutor of violent criminals. A detective on a dangerous beat. When these two pros take on an off-the-books case, the line between professional and personal becomes perilously blurred. "Wiehl's experience as a former federal prosecutor gives the narrative an authenticity in its depiction of the criminal justice system. Henry's expertise in writing mysteries and thrillers has placed her on the short-list for the Agatha, Anthony, and Oregon Book awards. The coauthors' . . . fast-paced detective series will keep legal thriller readers and John Grisham fans totally engrossed." -Library Journal When a twenty-two-year-old convict walks into the courtroom, his eyes confirm what Mia Quinn already guesses: he blames her for his conviction. In seconds, he knocks her to the ground and holds a razor blade to her throat. While she manages to escape without injury, it's just one more reminder that Mia's job prosecuting Seattle's s most dangerous criminals is far from low risk. As a single mom, the last thing Mia wants is for her work to follow her home or discover that it already has. Now Detective Charlie Carlson is suggesting the very thing Mia doesn't want to believe—that her accountant husband's deadly car accident was no accident at all. When Mia and Charlie encounter resistance to reopening the case, they take the investigation into their own hands. And they find much more than they bargained for. Was Mia's husband more than an accountant . . . and less than an honest man? As the truth becomes more shocking and the case grows more complex, her husband's killers take note of Mia . . . and her children. How far will this prosecutor go to learn the truth about her husband—and how far will she have to go to protect her family? Full length legal suspense Wiehl's

real-life experience as a federal prosecutor adds authenticity to her novels Includes discussion questions for book clubs Can be read as a standalone but is also part of the Mia Quinn series Book One: A Matter of Trust Book Two: A Deadly Business Book Three: Lethal Beauty

Lethal Beauty Lis Wiehl, April Henry, 2015-03-10 It should have been an open and shut murder case, but Mia Quinn finds out nothing about it is simple. After a young Chinese prostitute is stabbed to death by her rich American client, the tabloids dub Dandan Yee "Lethal Beauty"—despite the fact that she was the one who ended up dead. Yet even with double standards and naked prejudice working against her, Seattle prosecutor Mia Quinn is determined to get justice for Dandan Yee. But when a key witness goes missing and an unsavory juror shuts down deliberations without explanation, Mia fears the trial—and the law—are being tampered with. A constellation of fresh killings has Mia and homicide detective Charlie Carlson searching for a common source and puts Mia's family in the crosshairs of a Chinese crime cabal. Meanwhile, Dandan Yee's mother has opted to take matters into her own hands . . . and the stakes get more lethal overnight. In the midst of all this, Mia has to contend with a fifteen-year-old son who is growing up too fast for his own good and the idea that Charlie might want to be more than just friends. Can Mia and Charlie stop the murders and still keep her family safe? Or is the very act of seeking justice enough to cost her everything—and everyone—she loves?

The Light of Truth Ida B. Wells, 2014-11-25 The broadest and most comprehensive collection of writings available by an early civil and women's rights pioneer Seventy-one years before Rosa Parks's courageous act of resistance, police dragged a young black journalist named Ida B. Wells off a train for refusing to give up her

seat. The experience shaped Wells's career, and when hate crimes touched her life personally—she mounted what was to become her life's work: an anti-lynching crusade that captured international attention. This volume covers the entire scope of Wells's remarkable career, collecting her early writings, articles exposing the horrors of lynching, essays from her travels abroad, and her later journalism. The Light of Truth is both an invaluable resource for study and a testament to Wells's long career as a civil rights activist. Don't Let Me Down Kelsie Rae, 2023-08-29 My abusive ex just connected me to some VERY inappropriate photos online. Normally, I wouldn't let it bother me, but he's ruining my future and everything I've worked for. And what's worse? The infamous Henry Buchanan--who happens to be the new owner of the NHL Lions--is offering to bail me out. I hate handouts almost as much as I hate Henry. Still, I do need this job. And creating social media content for a bunch of hot hockey players is a walk in the park. Until my billionaire boss starts acting jealous. But what's worse? My response. Frenemies with benefits, anyone? Yeah. Because I have a history of making great decisions.

Battleship Oklahoma BB-37 Jeff Phister, Thomas Hone, Paul Goodyear, 2014-10-20 On a quiet Sunday morning in 1941, a ship designed to keep the peace was suddenly attacked. This book tells the remarkable story of a battleship, its brave crew, and how their lives were intertwined. Jeff Phister and his coauthors have written the comprehensive history of the USS Oklahoma from its christening in 1914 to its final loss in 1947. Phister tells how the Oklahoma served in World War I, participated in the Great Cruise of 1925, and evacuated refugees from Spain in 1936. But the most memorable event of the ship's history occurred on December 7, 1941. Phister weaves the personal narratives of surviving crewmen with the necessary technical information to recreate the attack and demonstrate the full scope of its devastation. Captured Japanese photographs and dozens of historic U.S. Navy photographs deepen our understanding of this monumental event. Raised after the attack, the Oklahoma sank again while being towed stateside and now rests on the ocean floor, 540 miles northeast of Oahu. *Battleship Oklahoma: BB-37* tells the complete story of a proud ship and her fall through the eyes of those who survived her loss.

The Inn at Dolphin Bay Mia Kent, 2021-06-05 A scandalous affair. An old man with an attitude problem. A family inn crumbling to the ground. Will she ever survive the summer? Tana Martin was living her best life... until suddenly, she

wasn't. When she catches her husband with a woman half her age, her friend suggests that she needs a little you time - meaning swimsuits, Mai Tais, and golden-sand beaches, not a cantankerous old man who needs a caretaker and a family inn that has fallen into a state of disrepair. She should be celebrating her silver wedding anniversary.

Instead, she's gearing up for the worst summer of her life. But Dolphin Bay, the small island off the coast of Maine where Tana spent much of her childhood, has more than a few surprises in store. Amid the sea-breeze days and starry nights, old friendships are rekindled, new flames are ignited, and Tana begins to realize that the life she left behind might not be the one she craves after all. Visit the beautiful island of Dolphin Bay, where friendship, hope, love, and pastries are plentiful. This small-town women's fiction series is perfect for readers of all ages.

The Witless Protection Program Maria

DiRico, 2024-03-26 Mia Carina has steered her Italian-American family's Astoria, Queens, catering hall, Belle View Banquet Manor, into becoming the borough's premiere party site, and nothing could make her happier-except her boyfriend proposing. There's just one presumed-dead obstacle in the way . . . A strong, independent woman and respected entrepreneur, Mia never imagined she'd pine for a marriage proposal. Yet lately, with her beloved Shane, she's on tenterhooks. It's especially surprising, considering Mia's first husband, Adam, was a philandering grifter, assumed lost-at-sea after a boating disaster. But everyone knows what happens when you assume . . . While working a huge wedding expo in Manhattan, Mia is shocked to spot the man who nearly destroyed her life. The one who's supposed to be sleeping with the fishes. But she loses him in the crowd. And when it happens again the next day, it's time for an emergency meeting

with the family—and the Family. Because if Adam is alive, Mia is still married . . . Everyone wants Adam dead. Everyone except Mia. She's dealt with enough police for a lifetime. Mia needs to be a divorcée, not a widow. But someone out there disagrees, and if Mia doesn't discover who, she may never be free to marry Shane—or anyone else . . . Italian recipes included!

The Last Goodbye Mia Kent, 2021-10-25 An unexpected phone call. A chance to meet again. Can they set old heartbreaks aside and return to the life they both long for? Since his wife Lydia walked out the door without a backward glance, Luke Showalter has been trying to pick up the pieces of his broken heart, throwing himself headlong into his work and dipping his toes into the dating world for the first time in five years. There's just one problem, though. He's still in love with her—and everyone in Dolphin Bay knows it. * When Lydia Showalter's job as a wedding planner forces her to return to the island—and the man—she abandoned long ago, her plan is simple: get in, see her bride down the aisle, and get out again... as fast as she can. And if she doesn't have to face Luke in the process? So much the better. But sometimes fate has different plans. Visit the beautiful island of Dolphin Bay, where friendship, hope, love, and pastries are plentiful. This small-town women's fiction series is perfect for readers of all ages.

Reflective Practice Roger Barnard, Jonathon Ryan, 2017-03-27 The aim of the book is to explain a range of options for implementing the reflective practice cycle in educational settings in various international contexts. It presents a series of empirical case studies illustrating many different ways of implementing the reflective practice cycle, and how they can be researched by practitioners and academics. Increasing attention is given by teachers and teacher educators to the

construct and implementation of reflective practice as a form of bottom-up, autonomous professional development. The aim of the book is to explain a range of options for implementing the reflective practice cycle in educational settings in various international contexts. Written by international academics, these studies show how reflection can be interpreted in different cultural contexts. The book concludes with a discussion by Anne Burns of the implications of these case studies for action research. It is hoped that the book will enable practitioners, and their mentors, to consider how best to implement reflective procedures in the specific contexts in which they work. Chapters in the book include: • Lesson planning: The fundamental platform for reflecting for action • Reflecting on action: Lesson transcripts • Pair discussions for reflecting on action: Stimulated recall • Observation leading to reflection This book will be key reading for researchers in the fields of teacher education.
