Don't Be Like Mike: Volume Two D R Standley,2016-12-21 Here in Volume Two, Mike takes things even further. Now going beyond bizarre and into the danger zone. Mike's Appendix Michael Ross,Bernie West,1975

For the Love of Mike Mike Royko,2001-04-28 A collection of more than one hundred columns by Pulitzer Prize-winning author Mike Royko.

The Last Ride in to Readville Michael Boudreau,2019-03-20 When they talk about it now, the Boudreau siblings will say all the moving they did as children left them lacking their own, true sense of place?all thanks to their crazy parents. But all those moves are just a part of this story. After surviving physical and psychological abuse and more than seventy moves all around Boston by age eighteen, Michael Boudreau escaped into the wild blue yonder before returning home after thirty years. His father had long died, his mother's psychological grip remained firm, and his several siblings were still coping with bitter feelings they held toward them both. Most of them were mired in painful memories but clinging with a vanishing hope that somehow Ma would show contrition and offer penance for herself and her late husband. Nevertheless, the author jumped back into the center of his sideways family in hopes of helping them all?including himself?to find answers, healing,

and maybe even forgiveness.

Mahem Mike Mike Tatia, 2014 Mayhem Mike will take you on a journey to the psychedelic days of the early 1970s, when Mike Tatia and his friends ran wild through Silicon Valley, pushing the throttle of their lives to the limit. Sex, drugs, and rock 'n' roll were just the beginning in their never-ending search for the next thrill. Follow Mike through his crazy adventures, and you'll marvel that one man could have survived so much insanity. But in the end, he not only survived but thrived! Mike came out of it all with a profound love and respect for his family.

Tales from Mike's World Mike McNair, 2013-03 Mike McNair's heart attack and quadruple bypass surgery in 2000 triggered a strange side effect - a compulsion to write. Since the attack, he has written two hundred newspaper articles, a novel, a children's picture book, and a story that's been read by millions on the Internet. Tales from Mike's World includes dozens of short tales that range from off beat humorous to thought-provoking serious. Topics include reminiscences from

Mike's 1950s childhood up to modern-day observations.

Florida Man Mike Baron,2019-09-18 Gary Duba's having a bad day. There's a snake in his toilet, a rabid raccoon in the yard, and his girl Krystal's in jail for getting naked at a Waffle House and licking the manager. He's got dreams, big dreams. Every time he tries to get ahead, fate deals him a low blow. But then he gets lucky...

'Please, No More Stupid Articles!': Four Decades of Raising Hell in a Small Town Newspaper. MR Mike Buffington,2015-12-02 For nearly 40 years, weekly newspaper editor Mike Buffington has been chronicling life and raising hell in a small Georgia community with columns and editorials in The Jackson Herald, his family's flagship newspaper. Along the way, he has become one of the nation's top award-winning weekly editors having been honored with dozens of state, regional and national awards for opinion writing and investigative reporting. Among colleagues, Buffington is known for having a tenacious editorial voice. Because of that, he was honored in 2015 by the International Society of Weekly Newspaper Editors with its Eugene Cervi Award for a lifetime of aggressive writings. While many of his columns have focused on community issues, he also writes about national and international events, often from a first-hand perspective. From the fall of the Soviet Union in 1991 to the Occupy Wall Street movement of 2011, he was in the right place at the right time to report about some major events over the last four decades. Buffington's columns also cover a variety of non-political issues as well. He has written about the deaths of friends and family, the triumph of athletes, murders, The South, war and his personal reflections as a parent. This book brings together 151 of his best columns in a compilation covering these and other topics.
