Experimental Television, Test Films, Pilots, and Trial Series, 1925 Through 1995 Vincent Terrace, 1997

Test films, pilots, trial series, limited runs, summer tryouts--by whatever name, television networks have produced thousands of experimental shows that never made it into the regular line-up. Some were actually shown, but failed to gain an audience; many others never even made it on the air. This work includes over 3,000 experimental television programs, both aired and unaired, that almost became a series. Each entry includes the name of the show, length, network, air date (if appropriate), a fact-filled plot synopsis, cast, guest stars, producer, director, writer, and music coordinator. Information for this work was gathered primarily by watching the shows, reading years' worth of press releases, and using sources such as TV Guide and Variety to augment the primary research.

Follow the rollercoaster ride that Mickey suddenly finds himself on when things around him begin to change. Station rumors. Media circus. Pressure and tension set in. He makes a few quirky decisions and then the seatbelt loosens on his life over the next six days. Family issues add to the chaos already created...are the media rumors true that his station is being sold to corporate suits, who have been his stated enemy for years? After all, his love of radio is all about personal ownership and control, that radio is really for the listeners. Those corporate suits have been dominating radio for years since the deregulation laws took shape almost two decades ago. Follow the path that Mickey takes in uncovering these rumors, and what needs to be done to meet the perceived challenges head-on.

**The World of Mike Royko** Doug Moe, 1999

Coming Home at Last Mike Holst, 2013-05-28 Devon Harrington had his world the way he wanted it. He had a great job teaching at the college and the love of his life, Margie, to come home to each evening in their snug home in Suburban Boston. Then a dream trip to the Galapagos for research came along and he jumped at the chance. It was the South Seas adventure he had often dreamed about. Then out of nowhere his old Navy Seal buddy Arnie came along and offered him a chance to make some fast money. More money than Devon had seen in a while. "Take this instrument with you and leave it in the Galapagos" he said. "Simple as that and no one will be the wiser. The only stipulation is--it's our little secret." But a storm sank the schooner on the way and Devon nearly died before washing ashore weeks later on a radioactive atoll. Nursed back to life by the islands only inhabitant, Devon couldn't wait to be rescued and get back home to Margie. A formidable task seeing he had no boat, didn't know where he was and was increasingly

torn by his love for his rescuer. Then he found a way, and then he also found out he was a wanted man, without a country and without a wife.

**Cardboard Ocean** Mike McCardell, 2014-09-06 Bestselling author and TV personality Mike McCardell, known for his humorous and touching portraits of ordinary BC lives, turns a new page and crafts a bittersweet memoir of his own hardscrabble childhood in New York City. Written with all the warmth and ironic humour his fans have come to know and love, *Cardboard Ocean* is an affectionate evocation of a childhood in a rough setting, but with the thrills, chills and loves that will be familiar to anyone who was ever young. McCardell was raised by a working mother in the borough of Queens where even the grade schoolers ran in gangs, fiercely protecting their turf from intrusion by the tykes a few blocks away. The prized possession of "Mickey" McCardell's kiddie gang was an ice cream factory disposal yard piled high with waste cardboard. This was their "ocean" into which they would dive and "swim" in search of cast-off ice-cream sandwich wafers. None of them had ever swum in real water or seen the real ocean although it was only a subway ride away. All conversation, radio broadcasts and even attempts to sing the "Star Spangled Banner" were drowned out every few minutes by the thunder of a passing El train, Jackie Robinson was everyone's hero and even sworn enemies joined forces to cheer the Brooklyn Dodgers in their futile battle with the hated Yankees. Full of stickball, street fights, truancy and trouble, *Cardboard Ocean* captures a way of life where fun and danger were real rather than digitized. McCardell's unmistakable voice, unflagging humour and knack for finding magic in everyday life will thoroughly satisfy his devoted fans and charm those discovering him for the first time. In terms of sustained storytelling, *Cardboard Ocean* may be his best book yet.

**Hand Troller** Mike McConnell, 2002-01-18 *HANDTROLLER* is a look into a vanishing lifestyle that many dream of but few ever experience. Join Mike and his running partner Dick as they troll for King and Coho salmon in the icy waters of South East Alaska. Travel from Ketchikan to the small fishing village of Port Alexander on Baranof Island, where you will meet many interesting characters and experience day-to-day life on a small commercial salmon troller. Feel the thrill of hooking and landing King Salmon so big they shake the whole boat and the exhaustion of a fast and furious Coho bite at Cape Ommaney. Come aboard, grab a cup of coffee and let's go fishin'!

**Pet Business**, 1995-06

**Life on Side B** Mike Haszto, 2009-05-26 *Life On Side B* is the next adventure for co-owner Mickey Miller and V103, following their initial challenge of staving off a corporation wanting to buy radio station WVVV FM in Radio Free Mickey. Approximately six months has gone by, and the station finds itself no longer atop the Arbitron Ratings in northeast Ohio, beset by recent staff issues and market changes. A tragedy hits the station, and obstacles present themselves as Mickey attempts to bring the station back to its old perch by sticking by what got V103 there in the first place old time radio values and strong character. Put yourself once again on the staff of V103 as an intern, and feel involved with every detail of this second installment starring Mickey Miller as co-owner, Jimmy as his best friend and head of his own 'Pirate Radio' empire based in Marathon Florida, Stacey as Marketing and Promotions Director, and the entire staff of air personalities.

**Vic/Tim** Mike Sims, 2019-02-19 Vickie est cadre exécutive de professions mais possède une personnalité très intelligente, créative et mortelle. Telle un rose rouge, belle en apparence, et ses yeux captivants

comme une violette, elle a des épines pour qui n'y prête pas attention. Elle a dû faire face à beaucoup d'adversité, mais au lieu de devenir victime, elle a renforcés ses pouvoirs pour prendre le dessus sur les mauvaises situations et ceux qui lui font du mal. Elle est physiquement très forte mais très intelligente et ceux qu'elle a dans son œil de mire reçoivent son traitement lorsqu'ils la rencontrent. Dans ce livre, nous la suivons dans son voyage à travers de nouveaux territoires et relations. Elle applique sa justice personnelle, noire et souvent ironique sur certains, tout en souvent d'autres dans le processus. Une héroïne réticente, une Valkyrie qui fait ce qu'elle pense être juste sans publicité ou contrepartie financière. Mais elle apprend aussi que les vies qu'elle change, la changent aussi.

**Fingerprints of Armless Mike** Thomas William Simpson, 2017-05-22 Fingerprints of Armless Mike (Originally published as The Fingerprints of Armless Mike by Warner Books October 1996) So what is this book with the strange title? And who's Mike? Is he really armless? Is this some kind of gruesome tale? Horror? Sci-fi? Hardly. The Fingerprints of Armless Mike is Thomas William Simpson's amusing, fast moving romp about love, lust, greed, and grand larceny. He was a rolling stone, cool and easy. She was pure Miss Porter, proper and maybe a tad... snooty. But somehow, up in the Prosperous, Monied Hills of Affluent NJ, the two came together. Kissed and laughed and fell in love. But now he's robbed her mother blind and disappeared into the night. What everyone wants to know: did he do it for true love or did he do it for the money? Some people know him as Mike Standish, others as Mike Standowski. But right now no one knows where is he and only a few know why he has suddenly vanished. His lovely young wife, Sarah Louise Browne, knows. His rich, hard-hearted mother-in-law, Iron Kate, knows. So does Mike's best buddy, Graham Cramer, who wishes he'd never introduced Mike to Sarah. The trouble starts when Mike is forced to live under his mother-in-law's roof and prying eyes. Iron Kate will not let Mike forget for a second he

was born on the wrong side of the tracks. So finally, after one too many slurs, Mike puts a very simple plan into motion. He backs a rental truck up to the back door of Kate's hilltop mansion and fills it with her most valuable antiques. Too bad Mike leaves his fingerprints behind. Now on the lam in the Bahamas, Mike is forced to take a hard look at his life and his relationship with the woman he loves and has now betrayed. As Mike desperately tries to find a way out of the mess he's created, and as his pursuers close in, an epic storm descends upon the islands. And in the eye of Hurricane Bertha, the man who has never really been entirely honest about anything in his life, may finally discover the truth... and a terrible way out of his predicament. If he survives the onslaught. A novel that combines John Irving's quirky sense of humor, T. Coraghessan Boyle's outlandish sense of adventure, and Stephen Birmingham's razor sharp insights into the American Monied Class, *The Fingerprints of Armless Mike* proves once again why Thomas William Simpson has been called one of the most creative and captivating storytellers of our time.
