Presidential Reorganization Authority Scott C. Davis,Donald A. Miller,2013 Between 1932 and 1981, Congress periodically delegated authority to the President that allowed him to develop plans for reorganisation of portions of the federal government and to present those plans to Congress for consideration under special expedited parliamentary procedures. This book summarises the repeated renewal and evolution of presidential reorganisation authority, as well as subsequent unsuccessful efforts, history, proposals and congressional options.

In Flanders Fields Norman Jorgensen,2015-01-01 An eloquent counterpoint to the senselessness and inhumanity of war, In Flanders Fields tells the story of a young homesick World War I soldier who risks his life to cross the no-man’s-land and rescue a robin caught in the barbed wire that separates the opposing forces.
