 **PALM ENTERPRISE APPLICATIONS** RAY RISCHPATER, 2002-03-14 See how the PALM Computing platform can enhance your company's business. With the dramatic increase in the use of PALM enterprise applications in business, you may be wondering how this new technology will impact your organization. Handheld devices have the ability to play very critical roles in the enterprise, integrating information, reducing redundancy, and making data mobile, which in turn directly impact the profitability of a company. Consider this book a technical briefing, one that will help you understand exactly how the use of PALM devices can impact your bottom line. PALM Enterprise Applications offers a comprehensive look at the past, present, and future of the PALM Computing platform in the enterprise. Author RAY RISCHPATER provides detailed descriptions of the available hardware and software, development tools, and development practices. In clear, easy-to-understand terms, RISCHPATER also shows how to customize the PALM Computing platform to meet the specialized requirements of your company and explains how to write new applications to meet these needs. And all of this information is tied together with the help of real-world case studies that follow successful corporate deployments of PALM computing devices. As you read through this book, you'll discover how to: Choose the right PALM computing devices to meet the needs of your organization Use available software to solve a wide array of information management problems Connect PALM computing devices to the rest of your enterprise Use the latest tools to write new applications that run on the PALM Computing platform Obtain a custom application for the PALM Computing platform that specifically meets your needs Focused on the needs of the corporate IT and business manager, the Tech Briefs series provides in-depth information on a new or emerging technology, solutions, and vendor offerings available in the marketplace. With their accessible approach, these books will help you get quickly up-to-speed on a topic so that you can effectively compete, grow, and better serve your customers.
