Go Away, Big Green Monster! Ed Emberley,1992 What has a bluish-greenish nose, sharp white teeth and big yellow eyes? It is the Big Green Monster, in this book children can change the features of the monster, it is designed to help dispel their fears of night-time monsters.

Religion Online August E. Grant,Amanda F. C. Sturgill,Chiung Hwang Chen,Daniel A. Stout,2019-03-07 Religion Online provides new insights about religiosity in a contemporary context, offering a comprehensive look at the intersection of digital media, faith communities, and practices of all sorts. Recent research on Apple users, video games, virtual worlds, artificial intelligence, digital music, and sports as religion supports the idea that media and religion, once considered separate entities, are in many cases the same thing. New media and religious practice can no longer be detached; this two-volume set discusses how religionists are embracing the Internet amidst cultural shifts of secularization, autonomous religious worship, millennials' affinity for new media, and the rise of fundamentalism in the global south. While other works describe case studies, this book explains how new media are interwoven into the very fabric of religious belief, behavior, and community. Chapters break down the past, present, and projected future of the use of digital media in relation to faith traditions of many varieties, extending from mainline Christianity to new religious movements. The book also examines the impacts of digital media on beliefs and practices around the world. In exploring these subjects, it calls on the study of culture, namely anthropology, to conceptualize a technological period as significant as the industrial revolution.

Queen of Myth and Monsters Scarlett St. Clair,2022-12-20 I am of the House of Lara, daughter of Elvira of Nailani, sister of witches, and I have come to reclaim my crown. Isolde, newly coronated queen, has finally found a king worthy of her in the vampire Adrian. But their love for each other has cost Isolde her father and her homeland. With two opposing goddesses playing mortals and vampires against one another, Isolde is uncertain who her allies are in the vampire stronghold of Revekka. Now, as politics in the Red Palace grow more underhanded, inexplicable monster attacks plague the villages, and a deadly crimson mist threatens all of Cordova, Isolde must trust in the bond she's formed with Adrian, even as she learns troubling information about his complicated past. The next book in the scorching, bingeable vampire fantasy series by USA Today and international bestselling author Scarlett St. Clair.

Misunderstood Monsters April Madres,2015-09-23 Perhaps Monsters are not really that scary. Maybe, just maybe, they are misunderstood!

Demigods and Monsters Rick Riordan,2013-07-02 Which Greek god makes the best parent? Would you want to be one of Artemis' Hunters? Why do so many monsters go into retail? Spend a little more time in Percy Jackson's world—a place where the gods bike among us, monsters man snack bars, and each of us has the potential to become a hero. Find out: • Why Dionysus might actually be the best director Camp Half-Blood could have • How to recognize a monster when you see one • Why even if we aren't facing manticores and minotaurs, reading myth can still help us deal with the scary things in our own lives Plus, consult our glossary of people, places, and things from Greek myth: how Medusa got her snake hair extensions, why Chiron isn't into partying and paintball like the rest of his centaur family, and the whole story on Percy's mythical namesake.

Ocean Monsters Andrea Davies,Nicola Davies,2016 Dive into the ocean and meet monsters with the magic of augmented reality Colossal squid, deadly box jellyfish, and giant tube worms: Ocean Monsters is packed with fascinating information about the biggest, fiercest, and strangest creatures that live in our oceans. Thanks to the AR app, you can come face-to-face with a life-size, sharp-toothed shark; walk with a giant Japanese Spider crab; and drive a submersible through the watery depths . . . all from the convenience (and safety) of your tablet or smartphone.

School is More Than a Building Kelley Donner,2021-05-20 A great school is so much more than a building? It is a place where children feel accepted for who they are. It is a place where kindness and empathy are commonplace. It is a place where children know and feel that people are there for them and that they are safe and loved. With its delightful watercolor illustrations of school life, School is More Than a Building paints a positive picture of a school environment where children know and understand that the people who work there care and look out for their best interests. When read aloud, children are reminded that they are part of a very special community and that schools are there for them. The pandemic made it painfully clear just how sensitive children are to the world around them and how important schools are for many children's health and well-being. Unfortunately, for some children, schools are more than just a place for learning, they are also a place of refuge and escape. It is important that children are aware that schools are a safe place where there are people that they can trust and go to if they need help. School is More than a Building, it is a place where people listen.In addition to celebrating schools and everything they do, School is More Than a Building is a great book to generate discussion about the many aspects of school life. At KelleyDonner.com/school-is-more-than-a-building you will find lesson plans, bulletin board ideas, activities and more that can be used on a school wide-level, in the classroom, or in your library. School is an integral part of a child's life. School is more than a building, it is a place where?

My Other Islands Evelyn May Richardson,1991

I Am Martin Luther King, Jr. Brad Meltzer,2016-01-05 We can all be heroes. That's the inspiring message of this New York Times Bestselling picture book biography series from historian and author Brad Meltzer. Even as a child, Martin Luther King, Jr. was shocked by the terrible and unfair way African-American people were treated. When he grew up, he decided to do something about it--peacefully, with powerful words. He helped gather people together for nonviolent protests and marches, and he always spoke up about loving other human beings and doing what's right. He spoke about the dream of a kinder future, and bravely led the way toward racial equality in America. This lively, New York Times Bestselling biography series inspires kids to dream big, one great role model at a time. You'll want to collect each book.

The Book of Jobs Lucy Tobin,2015-08-06 This book is a careers bible fit for today's job market, with exclusive advice and guidance from some of the biggest names in British business. No matter what stage of life one is at, whether a school leaver, university graduate or job changer, finding the right career to suit one's skills and characteristics has never been more challenging. The amount of choice and information can be daunting. Most of us only have a vague idea of what careers really entail on a day-to-day basis and yet that information could steer one towards - or away - from a job or university course. In this book Lucy Tobin has compiled an inspirational guide to the most popular jobs and careers in the UK, giving the inside scoop on what these jobs are really like day-to-day, what skills recruiters are really looking for and what courses to study to get your foot in the door. Jobs covered include: banker, actuary,

publisher, fashion designer, barrister, zookeeper, chef, TV presenter, actor, journalist, civil servant, app developer, architect, engineer and psychologist. Lucy's journalistic approach, together with exclusive interviews with chef Antonio Carluccio, designer Kelly Hoppen, Dragon Den's James Caan, astronaut Tim Peake, footballer Michael Owen, author Tracy Chevalier and entrepreneur Jamal Edwards makes The Book of Jobs the careers guide to trust at every stage of life.

My Body Belongs to Me Jill Starishevsky,2014-04-10 Without being taught about body boundaries, a child may be too young to understand when abuse is happening—or that it's wrong. This straightforward, gentle book offers a tool parents, teachers, and counselors can use to help children feel, be, and stay safe. The rhyming story and simple, friendly illustrations provide a way to sensitively share and discuss the topic, guiding young children to understand that their private parts belong to them alone. The overriding message of My Body Belongs to Me is that if someone touches your private parts, tell your mom, your dad, your teacher, or another safe adult.

Tiny Monsters Elizabeth Cogswell Baskin,2003 Every year, Halloween is supposed to bring scares and screams as children everywhere don costumes and go door-to-door requesting treats. But instead of spreading fright, most of the little witches and werewolves bring smiles and half-suppressed laughs when they arrive on your doorstep.Tiny Monsters is an irresistible collection of black-and-white photos of these charming little creature kids. Each photo is paired with a witty caption. Within the full-color design of this 80-page keepsake, you'll meet a cast of characters from ghoul to cool, all of whom enjoy putting on the dog, in some cases literally. This collection of pint-sized costume wearers includes chapters on monsters and scary things, witches, princesses, tough guys, good guys, firefighters, 'it' girls, and animals and crawly things.Adults will get a chuckle out of these earnest impersonations of everything from pirates and cowboys to rabbits and ladybugs. And kids will love flipping through to find their favorite costume-wearing counterparts all year round.

Hometown Killer Carol J. Rothgeb,2011-01-28 Child Killer Springfield, Ohio was an All-American town. A town rocked in 1992 by the discovery of two adolescent girls, brutally raped and murdered. Investigators soon learned that four local misfits had been accomplices. Yet DNA tests proved that the true culprit was still on the loose. Deadly Deceiver Inexplicably, the four men continued to mislead police throughout the years of the investigation, periodically supplying false clues and leads. While a cold-blooded killer remained at large, 31-year-old Belinda Anderson was raped and murdered, and Helen Preston, 38, was raped, beaten, and left for dead. Not until 1996, when a prostitute managed to survive a terrifying ordeal at the hands of her would-be slayer, were police able to catch the man who'd been stalking Springfield's women and children. Family Man He was William K. Sapp, husband, father of two young boys and a baby girl of his own. Behind his mask of seeming normalcy lay a murderous rage toward women. Here is the startling true story of a town besieged-and of the relentless manhunt that tracked Sapp through the years, finally bringing him to justice. Includes 16 Pages Of Shocking Photos

Everybody Has a Body Jon Burgerman,2022-07-07 Everyone's body is different in some way-and that's OK! Whether your body is big, small, short or tall-Jon Burgerman shows us that it is something to celebrate and be proud of.

You Can Count on Monsters Richard Evan Schwartz,2015-03-19 This book is a unique teaching tool that takes math lovers on a journey designed to motivate kids (and kids at heart) to learn the fun of factoring and prime numbers. This volume visually explores the concepts of factoring and the role of prime and composite numbers. The playful and colorful monsters are designed to give children (and even older audiences) an intuitive understanding of the building blocks of numbers and the basics of multiplication. The introduction and appendices can also help adult readers answer questions about factoring from their young audience. The artwork is crisp and creative and the colors are bright and engaging, making this volume a welcome deviation from standard math texts. Any person, regardless of age, can profit from reading this book. Readers will find themselves returning to its pages for a very long time, continually learning from and getting to know the monsters as their knowledge expands. You Can Count on Monsters is a magnificent addition for any math education program and is enthusiastically recommended to every teacher, parent and grandparent, student, child, or other individual interested in exploring the visually fascinating world of the numbers 1 through 100.

MonstersApp Introduction

In the digital age, access to information has become easier than ever before. The ability to download MonstersApp has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download MonstersApp has opened up a world of possibilities. Downloading MonstersApp provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading MonstersApp has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download MonstersApp. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading MonstersApp. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading MonstersApp, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download MonstersApp has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
