Most Wanted Killer Robert Scott, 2014-11-19 Jesse James Hollywood grew up in L.A.'s upscale West Hills with every imaginable privilege. By the age of 19, he owned a spacious house, a tricked-out car, a closet full of designer clothes. His lifestyle of drinking, partying and getting high was bankrolled by his chosen career: drug dealing. In 2000, Ben Markowitz, another teen from a 'good family', found himself with a dope tab he couldn't pay. A standoff between dealer and druggie exploded when Hollywood, along with William Skidmore and Jesse Rugge, both 20, spotted Ben's brother, Nick, 15, walking near his parents' home. Witnesses saw the three men attack Nick, then shove him into a van and drive off. But assault and kidnapping were only the beginning... On the last night of Nick's life, he was taken to an isolated area outside Santa Barbara known as the Lizard's Mouth. There, he was shot to death and buried in a shallow grave. But the story was far from over. Because mastermind Jesse James, like his namesake, knew how to run and hide. With his handsome face at the top of the FBI's Most Wanted list, he lived in luxury until the long arm of the law reached out to pull him back home for justice...

Wanted J. Kenner, 2014-01-07 NEW YORK TIMES BESTSELLER • For fans of *Release Me* comes a series of three enigmatic and powerful men, and the striking women who can bring them to their knees. He is everything I crave, all I desperately want--and he is everything I can't have. Evan Black embodies my every fantasy. He is brilliant, fierce, and devastatingly handsome. But he is also headstrong, dangerous, and burdened with secrets. My family warned me to stay away, that I could never handle Evan's dark dealings or scarred past. Maybe I should have listened. Maybe I should have run. But our desire is undeniable, and some temptations you just can't fight. And from the moment we touch--the passion between us consuming us both--I know that I will never be the same. *Wanted* is intended for mature audiences. Vampires' Most Wanted Laura Enright,2011-06-30 Although the word vampire was not introduced until the eighteenth century, variations of this hemo-craving creature have existed since long before the Christian era. Almost every civilization had a demon or spirit—often a god or goddess—whose bloodlust complicated things for the general populace. But sometimes it's not all about the blood. Modern vampire tales have stronger-willed and less traditional beings at their core: beings who strive to coexist with mortals by drinking synthetic blood, like *True Blood*'s Bill Compton, or who sparkle in the daylight instead of disintegrating, like *Twilight*'s Edward Cullen. Plus, these guys are way easier on the eyes than the more old-school vampires out there, especially filmmaker F. W. Murnau's infamous *Nosferatu*, a terrifying vampire in dire need of a manicure. Regardless of time, place, and blood type, Laura Enright cordially invites you into the dark underworld of the vampire. She sheds light (but not too much) on this captivating, age-defying creature by exploring topics ranging from the powers it can possess to what will kill it—for good. With close to thirty top-ten lists brimming with gore and fang-tastic facts, *Vampires' Most Wanted™* is sure to provide the reader with a biting good time.

Most Wanted Michele Martinez,2009-10-13 A betrayed wife and dedicated mother suddenly forced to raise her six-month-old daughter alone, Melanie Vargas is also an ambitious, hard-working professional who has had to bite and claw for recognition in the federal prosecutor's office. Then, while strolling with her baby girl on a steamy New York night, Melanie stumbles onto the kind of high-profile case that could make a career: the burning townhouse of a wealthy former prosecutor, its owner's tortured, murdered corpse smoldering within. Melanie Vargas wants this chance -- she needs it -- and she'll do whatever it takes to get it. But a headline-grabbing opportunity of a lifetime could cost Melanie more than she ever imagined, as it pulls her closer to a dangerous affair with a secretive, enigmatic FBI agent -- and closer still to a sadistic human monster moving expertly through the city's darkest shadows.

Most Wanted Nikki Turner,Kiki Swinson,2013-09-24 Collects two stories, including *The Most Wanted Diamonds*, wherein Gigi, who stole four million dollars in jewels from her ex-lover, must come up with a plan to replace it when the man comes looking for her.

Most Wanted Maggie Price,2011-07-15 *MEN IN BLUE HER DARLING* D.A. Sergeant Whitney Shea had six slain hookers, an elusive serial killer—and infuriatingly sexy Assistant District Attorney Bill Taylor—on her very full plate. The seemingly unsolvable case had the city—and Whitney—in turmoil. Because years before, Whitney had watched the long, tall lawyer who'd made himself her partner lock her beloved father behind bars. Yet during those darkest hours, and now, amid this career-making-or-breaking case, Taylor could rile her temper, stoke her passion...and infiltrate her defenses like no other. Department gossip claimed the darling D.A. was sour on romance, but Whitney only knew how he made her feel:most precious, most wanted...most loved? Love in the line of duty.

Presidents' Most Wanted™ Nick Ragone,2008-01-01 The presidency is a special office. Along with the vice president, the victorious candidate is our only nationally elected official, and the position has come to symbolize American government worldwide. In many ways, the office is greater than the people who

have occupied it. In the 200-plus years of our nation's history, the presidency has grown and evolved dramatically. With the exception of Abraham Lincoln and Andrew Jackson, the nineteenth-century office holders exerted little executive power and mostly deferred to Congress on domestic affairs. Teddy Roosevelt began to change all that, and FDR completed the transformation with his New Deal, laying the foundations for the modern presidency. With the onset of the Cold War, the "imperial" presidency was in full bloom, and after a brief lull, the government's response to the war on terror has given the office new and unprecedented powers. Undoubtedly now the presidency is not only the most powerful and important job in the United States, but arguably in the world. Presidents' Most Wanted™ celebrates the office, the people who inhabited it, and the process of winning it, with thirty-five chapters packed full of all sorts of presidential trivia. It covers everything from elections to first ladies to blunders and triumphs, and gives the reader an in-depth look at the most powerful person in the world.

Chang's™, Red Lobster™, and many more—and shows readers how to make them at home for a fraction of the price. The average American family eats out three or more times per week, which translates into hundreds of dollars spent on food each month. In these hard economic times, families simply can't afford to keep paying these high prices. And Ron Douglas has spent the past five years of his life ensuring that we won't have to. With the help of a test kitchen and more than 45,000 tasters, he uncovered the carefully guarded recipes of the most popular meals at restaurants across the country. With his easy-to-follow steps, families can now enjoy the meals they love most at a price they can actually afford. KFC's Famous Fried Chicken, Chili's Southwest Chicken Chili, Olive Garden's Breadsticks, and Cheesecake Factory's Oreo Cheesecake are just a few of the many famous and delicious recipes included. And because each recipe has been tested by Ron's incredible network of tens of thousands of testers, they are indistinguishable from the originals. These best-kept secrets can save you thousands of dollars a year and will put delicious meals on the table that the whole family will enjoy.

When the British army began marching toward Lexington and Concord, sending Hancock and Adams fleeing into the woods, the two men couldn't help but worry--this time, had they gone too far? Rich with historical detail and primary sources, this spirited tale takes readers through ten years of taxes and tea-tossing, tyranny and town hall meetings.
