Red Storm Rising Tom Clancy,1987-07-01 From the author of the Jack Ryan series comes an electrifying #1 New York Times bestseller—a standalone military thriller that envisions World War 3... A chillingly authentic vision of modern war, Red Storm Rising is as powerful as it is ambitious. Using the latest advancements in military technology, the world's superpowers battle on land, sea, and air for ultimate global control. It is a story you will never forget. Hard-hitting. Suspenseful. And frighteningly real. “Harrowing...tense...a chilling ring of truth.”—TIME

Anales de Morón Antonio Bohorques Villalón,1994

Play Hard Die Young Bennet Omalu,2008 Forensic neuropathologist Bennet Omalu, MD, explains the science of brain trauma, offers practical solutions, and recounts the moving stories of the lives, and tragic deaths, of NFL stars cut down by gridiron dementia.-- Cover.

The Given Day Dennis Lehane,2009-10-06 Gut-wrenching force...A majestic, fiery epic. The Given Day is a huge, impassioned, intensively researched book that brings history alive. - The New York Times Dennis Lehane, the New York Times bestselling author of Live by Night—now a Warner Bros. movie starring Ben Affleck—offers an unflinching family epic that captures the political unrest of a nation caught between a well-patterned past and an unpredictable future. This beautifully written novel of American history tells the story of two families—one black, one white—swept up in a maelstrom of revolutionaries and anarchists, immigrants and ward bosses, Brahmins and ordinary citizens, all engaged in a battle for survival and power at the end of World War I.

Child of God Cormac McCarthy,2010-08-11 From the bestselling author of The Passenger and the Pulitzer Prize–winning novel The Road • In this taut, chilling story, Lester Ballard—a violent, dispossessed man falsely accused of rape—haunts the hill country of East Tennessee when he is released from jail. While telling his story, Cormac McCarthy depicts the most sordid aspects of life with dignity, humor, and characteristic lyrical brilliance. Like the novelists he admires-Melville, Dostoyevsky, Faulkner-Cormac McCarthy has created an imaginative oeuvre greater and deeper than any single book. Such writers wrestle with the gods themselves. —Washington Post Look for Cormac McCarthy's latest bestselling novels, The Passenger and Stella Maris.

The Ritual Adam Nevill,2012-02-14 A horror debut by one of Britain's most celebrated up-and-coming writers, in which four friends get lost in a forest in Sweden, to find their lives are in mortal peril... as something evil lurks.

No Country for Old Men Cormac McCarthy,2007-11-29 From the bestselling author of The Passenger and the Pulitzer Prize–winning novel The Road comes a profoundly disturbing and gorgeously rendered novel (The Washington Post) that returns to the Texas-Mexico border, setting of the famed Border Trilogy. The time is our own, when rustlers have given way to drug-runners and small towns have become free-fire zones. One day, a good old boy named Llewellyn Moss finds a pickup truck surrounded by a bodyguard of dead men. A load of heroin and two million dollars in cash are still in the back. When Moss takes the money, he sets off a chain reaction of catastrophic violence that not even the law—in the person of aging, disillusioned Sheriff Bell—can contain. As Moss tries to evade his pursuers—in particular a mysterious mastermind who flips coins for human lives—McCarthy simultaneously strips down the American crime novel and broadens its concerns to encompass themes as ancient as the Bible and as bloodily contemporary as this morning’s headlines. No Country for Old Men is a triumph. Look for Cormac McCarthy's latest bestselling novels, The
