

Mukunda

Durga Prasad Patnaik

Indispensable Gautam Mukunda,2012 The author helps readers figure out which leaders matter, why, and when – and what lessons they can learn from those who do matter. Leaders from politics and business are profiled, they include: Abraham Lincoln, Neville Chamberlain, Woodrow Wilson, Thomas Jefferson, Winston Churchill, Jamie Dimon, Al Dunlap, Sir Jacky Fisher, and Judah Folkman.

Mukunda-mālā-stotram Vishwananda Paramahansa,2021-12-26 The Mukunda-mālā-stotram is one of Vaiṣṇavism's most beloved devotional prayers, composed by King Kulaśekhara. As the seventh of the twelve Alvars, the mystic bhakti saints of South India, he played a pivotal role in the revival of bhakti and served as an inspiration for Sri Rāmānujācārya's Sri Sampradaya. This prayer is a celebration of śaraṇāgati, perfect surrender to the Lord, and reminds us to strive for unceasing remembrance of the Lord at all times and places. King Kulaśekhara speaks of the misery of the soul trapped in this world, with its many trials and tribulations, all the while reminding us all that the Supreme Lord, Śrīman Nārāyaṇa, is the only means of liberation from this otherwise endless predicament. It asks Mukunda, the Lord as the granter of liberation, to give the self-proclaimed unworthy author freedom from the cycle of birth and death. Accompanied by the enlightening commentaries of Paramahansa Vishwananda, this is unquestionably a must-read for all aspiring Vaiṣṇavas. Paramahansa Vishwananda is a God-realised spiritual Master whose commentaries on scriptures like the Bhagavad Gita, the Srimad Bhagavatam and many more have touched the hearts of thousands, inspiring them to a life of devotion and service to God and humanity.

Stories of Mukunda J. Donald Walters,Swami Kriyananda,1976

Stories of Mukunda Bro Kriyananda,Swami Kriyananda,J. Walters,2013-04-30 From the PREFACE: These are true stories. The fourteen anecdotes are among those that Paramahansa Yogananda recounted to lecture audiences in America or that were told to SRF disciples by his relatives and friends who had known him in his early life in India. In his narratives the great Master did not always mention names, dates, and places. He would often start out: One time, this friend and I . . . and then proceed with the tale. Therefore, in writing the stories, I have not always been certain about the chronology, settings, and personal names. I have found it expedient to bestow fictitious names on certain people in various episodes. The only true names are Mukunda, Sri Yukteswarji, Ananta, Roma, Prabhas Chandra Ghose, and Maid-Ma. To increase narrative interest, in a few instances I have included in one story two or more incidents that in actuality were not closely connected in time During Paramahansaji's last years I had the blessing, as a disciple at Mount Washington Center, of seeing the Master often. In this book I have tried to depict in words, which are inadequate at best, the spirit of Yoganandaji: a spirit ardent with love for God, tender with sympathy for all men, forgiving, kindly, humorous; yet resolute and forceful when strength was needed; never afraid to side with a righteous cause, however unpopular. What wonder that the Master's message of man's divinity was blazoned across the earth even during his lifetime? Or that thousands heard and answered it, changing their lives with a newborn faith to conform to the ideals set before them by the compassionate Guru? BROTHER KRIYANANDA (formerly Donald Walters) Minister, Self-Realization Fellowship Church Los Angeles, California December 16, 1953

THE EXILE OF MUKUNDA Arpit Bakshi,2021-11-05 Mukunda lowered his gaze for a moment as a burning sensation gripped his chest and a cold sweat ran down his spine. His heart was beating at a pace he was finding difficult to cope with. Darkness soon grappled his vision. The Exile of Mukunda, part two of the Maha Vishnu Trilogy, is set on a planet called Prithvi in a distant universe called 1408. Manavas from both the city of Madhavpur and Ayudhpur have now united. They are living harmoniously in the well-guarded beautiful city of Ksharanpur. Shriram now rules the new Manava society and Radhika looks after the day-to-day administration. Shyam has retired and now enjoys his time with his grandkids. Krishna's legacy is still remembered and celebrated by all except for one, his own young defiant son, Mukunda. He blames Krishna for not only abandoning him but also his mother in their hour of need. Desperate to search for answers, the ever-defiant Mukunda crosses into the enemy line. Trapped in a kingdom governed by the vilest forces on Prithvi, he finds himself helping them make weapons that may very well wipe Manavas out of existence, once and for all. The only one Mukunda can trust in these dire times is a faceless voice emanating from the dark depths of the deep space. Whose voice is that? Surrounded by a soulless enemy and betrayed by the girl he loves, will Mukunda ever be able to escape from the clutches of evil? What happened to Krishna? Will Mukunda ever be able to find him or will he too fade into oblivion, thousands of miles away from home? Enter into the mythical world of part two of the Maha Vishnu series and get swept away in a fast-paced suspenseful narrative.

Stories of Mukunda Bro Kriyananda,Donald K. Walters,2015-12-01 This book is an early collection of reminiscences of wisdom and wit of the great Kriya Yoga Master Paramhansa Yogananda. The book was abandoned by Self-Realization Fellowship, Publishers, after they dismissed its author, Bro Kriyananda, from the organization. Out of publication now for 39 years (at a minimum), and also abandoned by Kriyananda's publishers, Ananda Publishing, the editor is happy to make this wonderful book available once again to a world-wide audience.

India's Greatest Minds Mukunda Rao,2022-04-25 Indian spirituality, from solemn sages to irreverent rebels. A plethora of religions, cultures, languages and peoples have over the ages nurtured a plurality of ideas, beliefs, influences and practices thriving in India. In India's Greatest Minds, Mukunda Rao takes readers on an exhilarating, exhaustive journey through the lives and teachings of India's most illustrious spiritual masters, thinker-activists and philosophers, making their wisdom accessible to all. Beginning from 700 BCE to the present day, moving across the length and breadth of the subcontinent, and covering every significant school of thought, Rao provides a comprehensive view of the trajectory of Indian thought as it developed over centuries, enriching minds and shaping modern discourse. Whether tackling profound questions on the meaning of life or plunging into the restless urgency of social reform, this book showcases an intellectual and cultural heritage that is uniquely Indian. From Kapila, Patanjali, Buddha and Mahavira to Andal, Kabir, Guru Nanak, Bulleh Shah and Chaitanya, and from Shishunala Sharifa, Ramakrishna and Vemana to Birsa Munda, Tagore, Gandhi and Ambedkar – the profiles of luminaries in this invaluable compendium will inspire and elevate its readers. Rich in both essence and detail, this treasury celebrates the individuals who rebelled against existing conventions and transcended every divide in their quest for enlightenment, transforming themselves and the world along the way.

The Other Side of Belief Mukunda Rao,2005-07-26 Described as the thinker who shuns thought, U.G. Krishnamurti is the most enigmatic and iconoclastic 'anti-guru' of our times. His conviction that doubt is the other side of belief emerged from an uncompromising negation of everything that can be expressed, not from a desire for some 'comfy dialectical thesis'. The Other Side of Belief Interpreting U G. Krishnamurti is a candid and refreshing chronicle ofUG's life and the evolution of his radical outlook and ideas. Tracing the development of UG's notion of enlightenment as a series of biological mutations devoid of mystical or religious connotations, Mukunda Rao weaves a complex portrait---of a man who doesn't hesitate to challenge and demolish society's most cherished and comforting values and ideals, but nonetheless commands a most fervent respect and veneration from multitudes of admirers. UG has always been adamant that life must be described in pure and simple physical and physiological terms so that it is de-psychologized and demystified. He underwent, in his own words, a 'calamity': a series of bodily metamorphoses that catapulted him into the unique state of the 'declutched' mind. This book gives the reader a vivid description of UG's cellular revolution' and an intensely personal

insight into UG's unflinching and relentless insistence on freedom from the 'stranglehold of thought.' With a foreword by Mahesh Bhatt, film-maker and lifelong admirer of UG, *The Other Side of Belief* offers a searching exploration of the incredible charisma of a man who has transformed the lives of people all over the world.

Kavikankana Mukunda Sukumar Sen,1989

Miracle on Second Avenue Mukunda Goswami,2016-01-10 *Miracle on Second Avenue* is a short, carefully researched documentary book written in a you-are-there style, that catalogs the start and growth of the Hare Krishna movement. The work is a memoir of Mukunda Goswami, one of the pioneers of the religious group that is now known throughout the world formally as the International Society for Krishna Consciousness (ISKCON). *Miracle on Second Avenue* is a series of historical events that include the movement's founder, A.C. Bhaktivedanta Swami Prabhupada, and his interactions on two continents with the author over the three-year period from August 1966 until December 1969. Mukunda Goswami's book *Miracle on Second Avenue* won the 2012 National Indie Excellence Award, as their 2012 Biography-General prize winner.

Structural Yoga Therapy Mukunda Stiles,2001-01-01 Once you have learned the basics of yoga, where do you go? This book has been written for teachers and serious practitioners who want to use yoga to bring complete balance to the body. Stiles provides a comprehensive overview of the spiritual philosophy of yoga and its many branches, and discusses everything that a beginning student needs to consider when choosing a practice, including how to find a yoga teacher. Then he shares his solid understanding of anatomy and kinesiology (how specific muscles and bones react during movement) so that you can understand how each asana affects your body.

MAHARTHA-MANJARI OF MAHESHVARA Disciple Of Mahaprakasa Mahesvarananda,Mukunda Rama Mahamahopadhyaya Shastri,2016-08-29 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. Palm Leaf Etchings of Orissa Durga Prasad Patnaik,1989 This Book Is On The Drawings In The Palmleaf Manuscripts Of Orissa Drawn By The Scribes-Artists Who; Had No Family Background Of Art, No Training From Any Teacher.These Drawings Are Not Drawn By Pen Or Pencil But Etched By The Help Of An Iron Needle Called Style On Dry Palmleaves.They Are Based On The Text Of The Manuscripts And The Artists Have Shown Their Individuality In Their Drawings. They Are Successful In Expressing Their Feelings Through A Few Lines, Which They Have Drawn Spontaneously, But Precisely Within A Limited Space Of One To Two Inches (Which Is The Breadth Of The Palmleaf).

Indispensable Gautam Mukunda,2012-08-14 Will your next leader be insignificant—or indispensable? The importance of leadership and the impact of individual leaders has long been the subject of debate. Are they made by history, or do they make it? In *Indispensable*, Harvard Business School professor Gautam Mukunda offers an enticingly fresh look at how and when individual leaders really can make a difference. By identifying and analyzing the hidden patterns of their careers, and by exploring the systems that place these leaders in positions of power, *Indispensable* sheds new light on how we may be able to identify the best leaders and what lessons we can learn, from both the process and the result. Profiling a mix of historic and modern figures—from Thomas Jefferson and Abraham Lincoln to Winston Churchill and Judah Folkman—and telling the stories of how they came to power and how they made the most important decisions of their lives, *Indispensable* reveals how, when, and where a single individual in the right place at the right time can save or destroy the organization they lead, and even change the course of history. *Indispensable* will also help you understand this new model so you can use it in your own life—whether you’re a citizen casting a ballot, an executive choosing your next CEO, or a leader trying to make your mark.

Shambuka Rama Mukunda Rao,2018-03-25 Rama, Lakshmana and Sita chance upon Valmiki's ashram in the forest. But what is the shudra Shambuka doing there? As Duryodhana lies dying on the battlefield of Kurukshetra, he reflects on all that brought the world to this pass, his guilt and that of his enemies, his loyalties and those of his friends and allies. As the story flashes back and forth on the last moments of the Great War, dharma and adharma merge and blur. In the forest, during the exile of the Pandavas, Bhima, married to Hidimba, compelled by his love for his son, Ghatotkacha, decides to stay back. Even his mother's anger and his elder brother's command will not sway him ...Mukunda Rao tells three classic stories from the epics, shedding new light on them, illuminating corners that we haven't looked at before. *Shambuka Rama: Three Tales Retold* is a powerful blend of spiritual search, philosophy and mythology.

Mukunda-mālā-stotra Kulacēkarar,A. C. Bhaktivedanta Swami Prabhupāda,Satsvarūpa Dāsa Gosvāmī,1992 The saintly king Kulasekhara lived more than a millennium ago in India, yet his Mukunda-mala-stotra speaks to us today with the fresh voice of eternal truth. It is the voice of a realized soul beseeching the Lord -- and us -- with the utmost sincerity. Here is how he calls us to our salvation: O people, please hear of this treatment for the disease of birth and death? It is the name of Kṛṣṇa. Recommended by expert yogis steeped in wisdom -- such as Yajñavalkya -- this boundless, eternal inner light is the best medicine, for when drunk it bestows complete and final liberation. Just drink it The first part of the Mukunda-mala-stotra contains the commentary of His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, recognized by scholars and spiritual leaders worldwide as the most distinguished teacher of Indian culture and philosophy of the modern age, the latter part contains commentary by Satsvarupa dasa Goswami, one of Srila Prabhupada's senior disciples and the author of more than two dozen books on devotional life.

Yoga Sutras of Patanjali Mukunda Stiles,2021-04-01 A concise and poetic rendering that conveys the essence and depth of this perennial classic of yoga. “This beautiful, poetic rendition of Patanjali’s Yoga Sutras was gathered from Mukunda’s lifetime of abiding in the good company of the saints and sages of the Great Tradition. We can rely upon the fact that these words come from his own authentic experience of love and life and of Yoga. Please enjoy this gift of poetry from Mukunda and embrace the beauty of your life every day.” –Mark Whitwell, author of *Yoga of Heart: The Healing Power of Intimate Connection* Patanjali is to yoga what the Buddha is to Buddhism. His yoga sutras—literally “the path to transcendence”—are a means to profound self-realization and are considered the spiritual and philosophical root of the yoga tradition in its various forms. This concise, poetic rendering of the classic Yoga Sutra text conveys both the essence and depth of the yoga tradition. Mukunda Stiles had a lifelong devotion to the spiritual practice of yoga. Here, he shares Patanjali's essential work with precision and insight. He also includes a succinct line-for-line commentary, as well as word-by-word Sanskrit-to-English translation.
