WTF I'm Trying to Be Spiritual Jeanette Bishop, Helen Varga, 2014-01-13 Winner of the 2015 International Book Awards New Age: Non-Fiction Category Finalist in the 10th Annual National Indie Excellence Awards for New Age Non-Fiction Category Fed up with living life as an opinion of someone else? Throughout this book, readers will discover themselves, or at least what or who they aren't. There's no point in having spiritual answers if we can't stand ourselves, as we layer most things into our guilt and shame cycle, which we seem to like so much. Self-hatred is evident in many of us, from overeating to starvation; seeking and never finding that true love, leaving a trail of broken lives—our own included—shows us we are really seeking ourselves. Never really knowing why that would be, we ventured into the heart of the matter, literally: self-love. Where is it, what is it, and how come we don't have it? The reader is invited to discover how to reveal the power of love within and share it with others by the world's foremost authority—God. The dialogue between God and the book's authors provides insights into some of life's biggest questions and the human condition, not just on a personal level, but also on a global scale. Through these inspiring messages, this book exposes spiritual truths, while providing solutions that can be incorporated into the daily practice of everyday living, to bring a greater sense of peace and awareness to the reader. The book's largest sections, which focus on loving oneself and healing via that love, offer a blueprint for this reorientation. Trading between practical advice and recalled, meditative conversations with the Spirit, the authors act as creative spiritual gurus." Kirkus Indie Review " . . . there are sound pieces of advice to be gleaned from these pages, even by readers with different beliefs."

Spiritual Connection in Daily Life Lynn Underwood, 2013-05-20 How often do you find moments of deep peace and satisfaction in your day-to-day life? How often does connection with other people, the divine, or nature make you feel more alive? How often are you touched by a sense of awe-inspiring beauty, compassionate love, or pure joy? For many of us, these kinds of experiences tend to be fleeting and all too rare. Fortunately, new research is suggesting that a regular practice of paying attention to experiences like these can help any of us find them more often and cultivate richer, deeper, and more satisfying lives. In *Spiritual Connection in Daily Life*, Lynn Underwood introduces her Daily Spiritual Experience Scale (DSES), which is comprised of sixteen simple, multiple-choice questions that invite us to become more attuned to these extraordinary experiences in ordinary life. The DSES is the definitive set of questions for measuring the experience of spiritual connection and has been used in hundreds of studies, translated into over twenty languages, and used around the world by counselors, therapists, nurses, social workers, clergy from multiple faiths, and business leaders. *Spiritual Connection in Daily Life* offers a step-by-step guide to using the DSES to improve our abilities to sense the "more than" in the midst of our days. Embraced by people from many different cultures, religious traditions, and professional backgrounds, the DSES doesn't require any extraordinary experience like hearing divine voices or embarking upon a dramatic religious conversion. Nor does it belabor the exact definition of "spirituality." Rather, it simply invites us to focus on aspects of our daily lives such as deep peace, sense of inner strength, longing, and compassionate love. The sixteen questions also provide a common, nonpolarizing language for communicating with others about the role of the "more than" in our lives. Adherents of all faith traditions, as well as people with no religious leanings whatsoever, have experienced profound and lasting benefits from having these experiences, including improved health behaviors, better relationships, decreased stress and burnout, and improvements in daily mood. Now all of us can reap these same long-term benefits with just a little bit of self-reflection and Dr. Underwood's expert guidance.
