Stranger in the Shogun's City Amy Stanley,2020-07-14 * Nominated for the 2020 National Book Critics Circle Award * Finalist for the 2021 PEN/Jacqueline Bograd Weld Award for Biography * A vivid, deeply researched work of history that explores the life of an unconventional woman during the first half of the 19th century in Edo—the city that would become Tokyo—and a portrait of a great city on the brink of a momentous encounter with the West. The daughter of a Buddhist priest, Tsuneno was born in a rural Japanese village and was expected to live a traditional life much like her mother's. But after three divorces—and a temperament much too strong-willed for her family's approval—she ran away to make a life for herself in one of the largest cities in the world: Edo, a bustling metropolis at its peak. With Tsuneno as our guide, we experience the drama and excitement of Edo just prior to the arrival of American Commodore Perry's fleet, which transformed Japan. During this pivotal moment in Japanese history, Tsuneno bounces from tenement to tenement, marries a masterless samurai, and eventually enters the service of a famous city magistrate. Tsuneno's life provides a window into 19th-century Japanese culture—and a rare view of an extraordinary woman who sacrificed her family and her reputation to make a new life for herself, in defiance of social conventions. Immersive and fascinating, *Stranger in the Shogun's City* is a revelatory work of history, layered with rich detail and delivered with beautiful prose, about the life of a woman, a city, and a culture.

Standalone Romantic Comedies, where opposites clash and can't keep their hands off each other. BOOK #1: SMART TASS He's the hot college quarterback all the girls want. She's the smart girl he loves to pick on. And now that they're all grown up, things are about to get geekin' ugly... My name is Tass. I'm smart, I'm driven, and I am determined not to let prankster Hunter Johnson continue raining on my parade. When we were little, he'd pull my hair and call me names. When we were teenagers, he'd throw food and tease me for being a flat-chested virgin. But now that we've ended up at the same college, he's out of his hot head if he thinks he can keep messing with my life. It's like he's fixated on me or something. Well, guess what, Mr. Amazefootball? I'm not that geeky little girl anymore and you do not screw with a smart woman. So what's my plan? It's definitely wild, and he's about to find out... BOOK 2: OH, HENRY She's got me by the footballs... My name is Henry Walton, and though I've been called many things throughout my life—tree trunk, moose, walrus—I am now six foot five, solid muscle, and the hottest defensive end in the NFL college draft. This is the moment I've been waiting for: fame, women, and glory. Just one problem: I'm suddenly in a bad slump. And it started the moment I got dumped by Elle, the nerdy goddess with thick glasses, a smokin' hot body, and a genius IQ. So what gives? We only dated for a few weeks, and it's not like I've missed her. (Much.) Regardless, all the facts point to one conclusion. Elle is my lucky nerd-charm. So call me superstitious, but I have to get her back before I lose everything. Even if she's the last girl I really want and she now hates my guts. Play ball? I am smart, deathly shy, and one-hundred percent determined to make my own way in the world. Which is why I jumped at the chance to intern for Mr. Nick Brooks despite his reputation. After ten failed interviews at other companies, he was the only one offering. Plus, everyone says he knows his stuff and surely a man as stunningly handsome as him can't be “the devil incarnate,” right? Wrong. Oh...that man. That freakin' man has got to go! I've been on the job one week, and he's insulted my mother, wardrobe shamed me, and managed to make me cry. Twice. Underneath that stone-cold, beautiful face is the vilest human being ever. But I'm not going to quit. Oh no. For once in my life, I've got to make a stand. Only every time I open my mouth, I can't quite seem to muster the courage. Perhaps my revenge needs to come in another form: destroying him quietly. Because I've got a secret. I'm not really just an intern, and Sydney Lucas isn't my real name.

Scattered Pieces F. Apollo M. Arenas,2014-10-31 Scattered Pieces started as a poem which consisted of short random thoughts based on the author's personal experiences. Some of these vignettes grew into poems when subsequent experiences galvanized a particular thought enabling the author to build from it a longer and more cohesive form that could stand on its own. Some remained short, maybe dormant, but the author hopes that someday, each will bloom and fly off to a place of its own.

No dimension with deadly winds. It was going to be a piece of cake. Yep. I'm an idiot. Ghouls. I was ready for them. Or so I thought. Justice and I had been working hard on my magical skills. The borders between dimensions had been quiet for almost a month. And I'd even managed to work my regular part-time gig at The Muddle, helping my best friend keep the human-type boogies at bay. But alas, the sanity was destined to end. And so was my naïve notion that working within my own dimension for a change was going to be familiar and easy. I'm such a putz. But then, what would you expect from a traveler who doesn't know how to travel?

Don't even think of swiping right again until you read this book." (Christie Tate, author of *Group*) When it comes to modern relationships, our thumbs do the talking. We swipe right into a stranger's life, flirt inside text bubbles, spill our hearts onto the screen, use emojis to convey desire, frustration, rage. Even the River Starts Small Line 3 Storytelling Anthology Team,2024-02-20 Even the River Starts Small is a collection of stories from the movement to stop construction of the Line 3 pipeline through northern Minnesota. The collection features anonymous writing, art, and photos spanning nearly a decade, and includes reflections on many of the diverse experiences that made up this grassroots resistance. There are hundreds of individual pieces of writing and visual art in the collection published in full color. Line 3 is a tar sands oil pipeline that threatens communities, land, and water along its route, as well as the future of our climate. In 2021, despite fierce resistance, Enbridge completed construction of Line 3. Anishinaabe water protectors led the fight, asserting their sovereignty to oppose construction of this extractive project through their lands. For the better part of a decade thousands of people in Minnesota and around turtle island joined together to try and stop construction with a wide range of tactics. After construction of the pipeline was complete, a group of young volunteer organizers from the movement set out to gather stories from the resistance to create a book that could be given to the movement as a gift. That team originally published Even the River Starts Small, the result of that project, in a limited distribution and gave away copies for free to people who were involved in resisting construction of Line 3. The book is now available for all through Haymarket Books.

No Excuses Alison Colwell,2022-03-24 Eye-popping – Sunday Times Brilliant – Iain Dale *** An unputdownable true account of how a tenacious head teacher led one of the most challenging schools in the country to excellence. No Excuses charts an extraordinary principal's journey from the moment she took over at a failing secondary school in a deprived area, where less than a quarter of children attained five or more A*-C GCSEs, and how she set about the gruelling task of transforming its reputation using her zero-tolerance, tough-love approach. Armed only with a wicked sense of humour, fearless energy and a powerful vision, Alison Colwell put in place a stringent set of rules, including a strict uniform policy and a complete ban on mobile phones, provoking resistance and hostility from some parents, the wider community and on social media. This is the darkly funny, moving story of how, together, teachers and their – often troubled – pupils rebuilt a school and community, with an inspirational head at the helm. Charming, touching and full of brilliant leadership advice, this is the diary of the woman the Daily Mail labelled Britain's strictest head teacher.
