**A Royal Life HRH The Duke of Kent,Hugo**

Vickers,2022-05-12 'A pleasure to read... a timely reminder of the need for service' -- The Daily Telegraph 'The voices and reminiscence of family and friends merge seamlessly, giving the impression of gathering round the fire on a winter evening' -- The Oldie 'A remarkable memoir penned by the Duke of Kent, whose entire life has been dedicated to Queen and country... an insider's account of what it is like to be a working royal.' -- Daily Mail HRH The Duke of Kent has been at the heart of the British Royal Family throughout his life. As a working member of the Royal Family, he supported his cousin The Queen, representing her at home and abroad, until her death in 2022. His royal duties began when, in 1952, at the age of sixteen, he walked in the procession behind King George VI's coffin, later paying homage to The Queen at her Coronation in 1953. Since then he has witnessed and participated in key Royal occasions. A Royal Life is a unique account based on a series of conversations between the Duke and acclaimed Royal historian Hugo Vickers. It covers the Duke's upbringing, his army life, his royal tours and events and associations with organisations. Here too are recollections of family members including his mother, Princess Marina, his grandmother, Queen Mary, his cousin, Prince Philip, the Duke of Edinburgh, and his uncle, King George VI. Other members of the Royal Family contribute their

memories, including his wife, the Duchess of Kent, the Duke's siblings, Princess Alexandra and Prince Michael of Kent, his son, the Earl of St Andrews, his daughter, Lady Helen Taylor as well as his cousins, Princess Elizabeth of Yugoslavia, Archduchess Helen of Austria and her brother, Hans Veit Toerring. Containing never before seen photographs from the Duke's private collection and a new chapter on the Platinum Jubilee and the funeral of Queen Elizabeth II, *A Royal Life* is an unprecedented and remarkable insight into Royal history.

Henry 'Chips' Channon: The Diaries (Volume 3): 1943-57  
Chips Channon,2022-09-08 This third and final volume of the unexpurgated diaries of Sir Henry 'Chips' Channon begins as the Second World War is turning in the Allies' favour. It ends with Chips descending into poor health but still able to turn a pointed phrase about the political events that swirl around him and the great and the good with whom he mingles. Throughout these final fourteen years Chips assiduously describes events in and around Westminster, gossiping about individual MPs' ambitions and indiscretions, but also rising powerfully to the occasion to capture the mood of the House on VE Day or the ceremony of George VI's funeral. His energies, though, are increasingly absorbed by a private life that at

times reaches Byzantine levels of complexity. We encounter the London of the theatre and the cinema, peopled by such figures as John Gielgud, Laurence Olivier, Vivien Leigh and Douglas Fairbanks Jr, as well as a seemingly endless grand parties at which Chips might well rub shoulders with Cecil Beaton, the Mountbattens, or any number of dethroned European monarchs. He has been described as 'The greatest British diarist of the 20th century'. This final volume fully justifies that accolade.

Cecil Beaton Hugo Vickers, 2020-03-05 Cecil Beaton was one of Britain's greatest cultural icons - not just as a photographer capturing some of the most celebrated portraits of the 20th century but also as designer of the iconic sets and costumes for the films *My Fair Lady* and *Gigi*. In 1980, Beaton personally chose Hugo Vickers to be his biographer, entrusting him with his diaries and the entire body of letters he had written - both personally and professionally - over the course of his life. Drawing on five years of intensive research and interviews with the likes of Audrey Hepburn, Truman Capote, Princess Grace of Monaco and Sir John Gielgud, Vickers' biography was an instant bestseller upon its publication in 1985. Exploring Beaton's metamorphosis from being the child of a staid middle-class family to an international figure mingling with the glittering stars of his age, the biography also details his great love for Greta Garbo and reveals his private sense of failure that the success he always wanted - as a playwright - eluded him. Republished in a new paperback edition in time for Bright Young

Things, a major exhibition at the National Portrait Gallery in 2020, Cecil Beaton is the definitive and authorised biography of one of the world's most fascinating, famous and admired photographers.

*World War II in Asia and the Pacific and the War's Aftermath, with General Themes* Loyd Lee, 1998-10-23 A companion to *World War II in Europe, Africa, and the Americas*, this volume reevaluates the most enduring literature on basic aspects of the war in Asia and the Pacific. It also covers themes pertaining to societies at war, culture, the arts, and science and technology as well as international relations and the postwar world. Included are not only grand strategy, military and naval campaigns, and matters of diplomacy, but also resistance, collaboration, prisoners of war, and broad topics of the home front, including chapters on gender issues, film, literature, popular culture, and propaganda. This volume and its companion provide the first comprehensive historiographic reference work on the war. Each chapter describes the state of knowledge on the topic, relating each bibliographic reference to the chapter's themes and issues, and concludes with a bibliography. Recent original scholarship is included when it aids new understanding, and older works of enduring value also find a place. The essays in this volume will interest scholars and college teachers as well as advanced students and serious amateurs seeking insight into the history of the war and its literature.

Mad Mitch's Tribal Law Aaron Edwards,2014-04-30  
Aden, 20 June 1967: two army Land Rovers burn ferociously in the midday sun. The bodies of British soldiers litter the road. Thick black smoke bellows above Crater town, home to insurgents who are fighting the British-backed Federation government. Crater had come to symbolise Arab nationalist defiance in the face of the world's most powerful empire. Hovering 2,000 ft. above the smouldering destruction, a tiny Scout helicopter surveys the scene. Its passenger is the recently arrived Commanding Officer of the Argyll and Sutherland Highlanders, Lieutenant-Colonel Colin Mitchell. Soon the world's media

would christen him 'Mad Mitch', in recognition of his controversial reoccupation of Crater two weeks later. Mad Mitch was truly a man out of his time. Supremely self-confident and debonair, he was an empire builder, not dismantler, and railed against the national malaise he felt had gripped Britain's political establishment. Drawing on a wide array of never-before-seen archival sources and eyewitness testimonies, Mad Mitch's Tribal Law tells the remarkable story of inspiring leadership, loyalty and betrayal in the final days of British Empire. It is, above all, a shocking account of Britain's forgotten war on terror.

First to Bid Marie Johnston, In high school, my crush on Flynn wasn't so secret, but he was so far out of my league that I didn't care. I had more important things to survive. Ten years have passed, I've built a new life, and it's my lucky day. He's one of the eligible bachelors in the fundraising auction I'm helping organize. I saved money to donate to an organization that helped me escape a bad situation, but if I can give it to the same cause and buy a week away with Flynn, why not? \*\*\* The girl I once knew as Crazy J, the one obsessed with me in high school, just won a week with me at my lake cabin. I've built my empire on reputation, it's how I land accounts worth millions, but Tilly Johnson gives zero thought to what people think of her. From her Wacky Monday work clothes to her raucous laughter, I should be cringing every time she walks into the same room as me and opens her mouth. Only I'm starting to crave it. I want more of what Tilly has to offer. Until her reputation clashes with one of my biggest accounts and threatens to bring my world

crashing down. Helping her could cost me everything. First to Bid is a billionaire bachelor auction romance and a full-length standalone novel in the Unraveled series.
