Making Mexican Chicago Mike Amezcua, 2022-02-24 An exploration of how the Windy City became a postwar Latinx metropolis in the face of white resistance. Though Chicago is often popularly defined by its Polish, Black, and Irish populations, Cook County is home to the third-largest Mexican-American population in the United States. The story of Mexican immigration and integration into the city is one of complex political struggles, deeply entwined with issues of housing and neighborhood control. In *Making Mexican Chicago*, Mike Amezcua explores how the Windy City became a Latinx metropolis in the second half of the twentieth century. In the decades after World War II, working-class Chicago neighborhoods like Pilsen and Little Village became sites of upheaval and renewal as Mexican Americans attempted to build new communities in the face of white resistance that cast them as perpetual aliens. Amezcua charts the diverse strategies used by Mexican Chicagoans to fight the forces of segregation, economic predation, and gentrification, focusing on how unlikely combinations of social conservatism and real estate market savvy paved new paths for Latinx assimilation. *Making Mexican Chicago* offers a powerful multiracial history of Chicago that sheds new light on the origins and endurance of urban inequality.

Nauvoo: A City Set on a Hill Jeffery W. Olsen, 2021-07-30 Brigham Young was the American Moses who led pioneers into the Salt Lake Valley in 1847. Colonizing vast tracks of the arid West, they made the deserts bloom. Few know of the beginnings and the crucibles forced upon early Mormons. And what of the drivings in the east and Missouri? What of Joseph Smith and the Book of Mormon, and new revelations from God, spreading across two continents, energizing thousands to leave their homes to build Zion, gathering to Nauvoo for the end of times? 1842 was an axial year. In England, Queen Victoria oversaw the industrial revolution that enriched some but unemployed millions. In America, people wrestled with slavery, Manifest Destiny, relocation of Native Americans, and religious awakening. Principled men and women rose to proclaim their vision, sacrificing reputations, lives, and wealth on the altar of convenience. Milena Stuart and her brother Diomedes were captured in the net of dreams, choosing to immigrate for opposing reasons, witnessing for themselves the turbulence erupting on the broad frontier. Would God allow this Camp of Israel to be driven from the States or would divine protection be manifest? Would that providence come in a timely fashion or in the form of isolating rag-tag refugees from the growing inferno that would soon consume the nation in the Civil War? Nauvoo is a victorious tale of joy and hope, fear and despair, sinners and saints. And the story goes on.
