Playing with Reality Alex Humphreys, 2022-08-17 What was it that got you through the Covid-19 pandemic? For some it was long walks; others turned to home baking. For millions it was video games, a booming industry which exploded in popularity over the pandemic years. Confined to our homes and with the lines of reality becoming blurred as everyday life shifted to screens, perhaps it was no wonder that so many of us were desperate to be transported to different worlds. In *Playing with Reality: Gaming in a Pandemic*, journalist and presenter Alex Humphreys, a passionate gamer herself, investigates this extraordinary boom in the gaming industry. Charting its rise, Alex interviews players and developers, sharing a glimpse of what was going on behind closed doors as studios closed and games were finished from home. *Playing with Reality* explores exactly what it was that made gaming a lifeline for so many, and what the future holds as we look to the metaverse. Alexandra brilliantly chronicles the boundless creativity of an industry persevering through unprecedented times. Aaryn Flynn

Bark Until Heard Becky Monroe, 2015-04-24 An inspiring true story about rescuing a puppy-mill dog, fighting for justice and finding joy in an unexpected place. A memoir detailing the horror of Amish puppy-mill auctions and the truth behind the puppies in the pet store windows. Bark Until Heard teaches readers the importance of finding their passion and fighting for their cause. Living quietly in suburbia, writing for an international animal-welfare organization, I suddenly found myself on assignment in a dark Amish barn at a puppy-mill auction, looking into the eyes of a dirty, scared Chinese crested powder puff. In front of me wasn't just one dog needing rescue from a miserable life of constant breeding - there were hundreds. In that horrific moment, face-to-face with animal cruelty, I found complete clarity. With tears streaming down my face, I felt my soul open up. In the days and years that followed, I found my voice and the courage to passionately fight for thousands of silenced dogs forced to live a life of neglect. A journey that taught me the importance of being true to a cause and of never giving up. **The author will donate a portion of the proceeds from this book to groups that rescue puppy-mill dogs and organizations that improve the lives of breeding dogs.
