Ross Watson

Midnight Kayla Cannon,2021-11-09 There's no better place than New York City on New Year's Eve.At least for everyone else. Nina Abbott has never been a fan of the city, but she's willing to put that aside for a chance to win back her perfect ex. When she learns he's still going on the week-long holiday trip they planned with their friends while they were together, she jumps at the opportunity to rekindle their flame. But when her ex shows up at the train station with another girl, Nina is absolutely devastated. In a state of panic, she makes a wild and reckless decision that will change her life forever... Theo Armstrong is shocked when Nina boldly declares that they're dating. Who would ever believe a ridiculous lie like that? Since he's a heartthrob, star hockey player and she's a headstrong ballerina, they've spent the last few years absolutely hating each other. But he agrees to go along with her plan, hoping it'll give him some good karma for the trip. Because Theo's got a secret-he's visiting New York City for a heartbreaking reason he's not yet ready to face. And though Nina is Theo's sworn enemy, she just might be the person he needs in his corner.Everyone knows there's a thin line between love and hate. And when midnight rolls around, Nina and Theo could be feeling something that may not be very fake at all.

Deathwatch Ross Watson,2010-09-28 Deathwatch is a roleplaying game set in the Warhammer 40,000 universe, where you take on the role of a member of the Adeptus Astartes - the devout, bio-engineered super-soldiers also known as Space Marines. Only the most exceptional candidates from the fighting forces of the Adeptus Astartes are invited to join the Deathwatch, and take on a new oath to safeguard the Imperium from the darkest of threats. United in this newly forged brotherhood, all Deathwatch Marines must learn to put aside their differences and work together to succeed in the most extraordinary operations - whether facing the threat of total annihilation when confronted by implacable alien foes, or fighting against the foul daemon menace that crawls forth hungrily from beyond the Warp. Deathwatch offers a brand-new roleplaying experience by focusing on elite, special-missions style action at the furthest fringes of Imperial space, involving some of the greatest heroes and deadliest opponents the Warhammer 40,000 universe has to offer!
